[Re: Landscape and Irrigation Maintenance Proposal](#)

Dear Board Members:

BrightView is pleased to submit a landscape proposal for your Town of Kindred community. Based on our 80 year history and knowledge of currently servicing high-end communities and the information shared at our meetings, we will focus on pro-active communication, providing consistent, high quality service and maintaining turf and plant material health. The enclosed proposal was developed based on our site visits and our experience.

- **Your BrightView Team:** Our plan for Town of Kindred is to have one dedicated Account Manager, Donny Paterson who will be responsible and accountable for all of the landscape activities on the property.
- **One Source Drives Value:** BrightView Landscape is a full service landscape contractor that can service all of your landscape needs in-house, meaning we do not subcontract any of our services. We can service all of the Town of Kindred landscape needs in-house with all associates being specialists in their particular trade. Our clients find this to be a huge value in that we are responsible for all of the landscape services, resulting in no "finger pointing" between vendors for services.
- **We warranty our service,** barring Acts of God of course. BrightView takes care of our associates, as well as our clients, and takes pride in what we do every day, all day.

Thank you for the opportunity to submit this proposal. Feel free to contact me at 407 780 6647 or by email at jose.guillen@brightview.com

Understanding of Scope: Transition Plan

Results in the first 30 Days

Our goal is to show a noticeable difference, especially on your priority issues, within the first 30 days on the job. Through our onsite inspections, property reviews and conversations with you prior to our first day and during our partnership; together we will construct; Service, Communication and Action Plans best suited for Town of Kindred.

Upon the BrightView Start Date our Team will start the following process and inspections:

- Listed below are tasks we will fulfill in the first 30 days based on priorities you have already identified.
- Highlighted are issues we noticed and we want to address within the first few visits. .

<p>Irrigation</p> <ul style="list-style-type: none"> • Check irrigation systems and components for proper operation • Map the system showing locations of major components • Sample the soil and adjust watering for desired moisture • Recommend necessary repairs and upgrades 	<p>Shrubs and Beds</p> <ul style="list-style-type: none"> • Remove weeds • Prune selected shrubs • Remove poor performing plants, plants too close to tree trunks and groundcover crowding shrubs • Mulch planters showing bare dirt • Bevel cut edges of groundcover adjacent to hardscape • Apply insect and disease control to treatable diseased plant material 	<p>Safety</p> <ul style="list-style-type: none"> • Trim plant material or trees hindering or blocking line of sight at intersections and monuments • Fix tripping hazards in the turf and hardscape • Identify drainage problems and propose solutions
<p>Communication</p> <ul style="list-style-type: none"> • Introduce the Account Manager and walk the site together • Determine your communication preferences • Install HOA Connect Communication Software. 	<p>Turf</p> <ul style="list-style-type: none"> • Apply broadleaf weed control where necessary • Apply pre-emergence weed control to inhibit new weed growth • Get turf to correct industry standard mowing height. 	<p>Trees</p> <ul style="list-style-type: none"> • Prune selected trees • Install tree wells as needed • Limb up low hanging branches throughout property. • Adjust any leaning trees.

Understanding of Scope; Transition Plan:

Startup with Your BrightView Team

Before your BrightView team even arrives for your first day of service, we want to meet with you and discuss your current issues, your priorities and your goals for the next 30-60-90-365 days. We want the transition to BrightView to be seamless. Our start-up walk gives Management and the Board the opportunity to establish a partnership and rapport with your BrightView team.

Job Start Up Check List

Goals
To make a noticeable improvement within the first 30 days of our maintenance contract.
To bring the job to the highest possible level thereby limiting the problem areas for the maintenance crew.

Trees	Yes	No	Remarks	ABV Required
Raise limbs above eye level	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Thin and lace trees properly (if in spec/seasonal)	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Remove low hanging dead limbs from palm trees	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Create 12" to 24" diameter rings around tree bases	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Remove unnecessary tree stakes and ties	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>

• Technical Issues Report	<input type="checkbox"/>	<input type="checkbox"/>	
• Irrigation Start-Up Inspection	<input type="checkbox"/>	<input type="checkbox"/>	
• Proposal for extra work (AEW)	<input type="checkbox"/>	<input type="checkbox"/>	

Understanding the Scope; Weekly Maintenance Program:

Part 1: General Landscape Maintenance

Mowing Service

- The Mowing team will service your community completely in one week. We utilize Friday (and Saturday if necessary) as backup for rain days. This way we always have a backup plan for inclement weather, yet insure that all services are finished weekly.
- This same team will service your property every cutting. We have found this creates the sense of pride associated with a community as well as creates a comfort with the equipment, procedures and provides accountability for their work.

We will have a specific mowing crew on property daily to perform all the mowing, edging, string trimming, and blowing.

We can adjust the weekly mow schedule if we encounter rain, an emergency or a schedule adjustment based around a special event.

We will maintain a weekly schedule for all turf areas in the growing season and a bi-weekly schedule in the slow growing months. The schedule may change according to weather, turf conditions, and fertilization schedule:

- March 1st – November 1st = Once per week
- November 1st – February 28th = Once every two weeks
- 41-45 mowing services annually

Each mowing should leave the Bahia and St Augustine grass at a height 3 ½ to 4 inches.

Hand mowers shall be used in areas where large, heavy equipment may damage the turf or other community property. All mowers are equipped with mulching deck.

Pond Mowing

All ponds identified in the Town of Kindred Maintenance Exhibit shall be serviced on the same schedule as the common areas. Pond banks will be mowed and trimmed to water's edge.

Excessive clippings shall be removed. Trash debris at water's edge will be collected and removed during each service date.

Edging and Trimming

All hard-edged areas will be vertically edged with every mowing. Soft-edge areas shall be edged a minimum of every other week. No chemical Edging

Detail Services; Shrub and Groundcover Maintenance Program

Your full-time Detail Crew will separate the CDD into four sections and rotate around the entire community every month. Totalling twelve (12) Detailing Services throughout the year. This team's role is continuing detail of the plant beds, trees and flowers.

- This Team will trim the shrubs and remove debris from the site daily. This team will be available to your community daily and will have a designed schedule, which will be provided by Joey monthly to the Board and Management.
- High -frequented areas like your entrances and clubhouse area will be touched every week. All areas require pruning will be done one time completely every month. This program

will afford our team the opportunity to adjust the weekly prune schedule if we encounter rain, an emergency or a schedule adjustment based around a special event.

- This will guarantee we maintain all shrub and ground cover beds a minimum of once per month and will minimize the variance of "long and short" shrub pruning every month. The appearance of all shrubs throughout Town of Kindred will look more "uniformly pruned" over the course of every month.
- This schedule will be updated monthly and a copy will be provided to you for final approval.

Weeds and Grasses

All groundcover and turf areas shall be kept reasonably free of weeds and grasses.

All shrub and bed areas shall be maintained each service by removing weeds and debris.

At no time shall post-emergent herbicides be permitted to control weed/sod growth around

structures of any type or when weeds have established themselves as to dominate planting beds. Hand pulling will be performed.

No selective, Post-Emergent Herbicides shall never be used to control weed/sod growth around structures of any type.

Several preventative functions are scheduled seasonally.

- **Winter** – cut back shrubs needing severe thinning, limb up trees.
- **Spring** – Apply pre and post emergent weed prevention chemically to all areas and fertilize. Hard cutbacks for selective plants.
- **Summer**- regular inspections to address plant growth, weeds, and overall plant health, fertilize.
- **Fall** – fertilize at proper rates, monitor irrigation cut backs, apply pre-emergent weed control from winter weed.

Tree and Palm Maintenance Program

You can count on us to preserve your trees, enhance their appearance, increase their production, improve safety and reduce liability. Our ISA Certified Arborists offer a comprehensive set of services and will be available to you for everything you may need to keep your trees healthy and beautiful. Tree Care services include:

- Tree pruning
- Soil and tissue analysis
- Cabling and bracing
- Emergency storm clearance
- Tree removal and stump grinding
- Inventory and management plans
- Insect and disease control
- Nutrient management
- Fertilization
- Transplant and relocation
- Nuisance fruit production control
- Hazard evaluation and management

All moss hanging from trees shall be removed up to 15' over roadways and all CDD-Maintained trees on as needed basis. The pruning of trees and palms assures the natural character which reduces potential hazards and insures stability in your urban tree canopy. Hardwood Trees can be pruned at various times of the year but our ISA Certified Arborist recommends a Winter and Summer management program.

- **Winter-** Maintenance Pruning of Crape Myrtles (February-March), Hardwood elevation and deadwood removal if necessary
- **Spring-** (April-May) Pruning of all Palms to remove brown fronds and seed stalks.
- **Summer-** Maintenance Pruning of Hardwoods to remove excess foliage, building, security, vehicle and pedestrian clearance issues.
- **Fall-**(September-October) Pruning of all Palms to remove brown fronds and seed stalks (Optional if needed)

Palm Pruning will be accomplished using a combination of Trained Arbor Tech and a support Ground Team removing debris. As recommended by IFAS/EDIS/UFL. All Palms shall receive pruning as often as necessary to appear neat and clean at all times.

Some diseases are known to be spread by pruning with infested tools. (Tools used to prune infected palms will be covered with a residue containing fungal material. If this tool is then used to prune living leaves on a healthy palm, the fungus will be transferred in the process.) When pruning these palms, BrightView will soak all tool and blades in a disinfectant solution for 5 minutes before using them on another palm. Our ground crew oversees this operation and changes out each blade as required. The same operation is required with our chain saw blades and all hand pruners.

Paved Areas

All paved areas shall be kept weed and debris free. No sprays will be used on paved areas.

Clean-Up

All clippings, trimmings and debris will be removed during our schedule service.

Clipping will be blown off all paved areas. No clippings shall be blown down curb inlets.

Emergency Response Team

Ready When You Need Us

- With hundreds of locations across the nation, we can dispatch faster than other landscape service providers in the event of a catastrophic situation, including but not limited to hurricanes, tornadoes, water spouts, and severe weather.
- When a catastrophe occurs, your Account Manager will personally draw on resources and pull equipment from within the BrightView network to ensure your property is quickly, properly and safely serviced.
- Resources from branch offices will be available in the event of an emergency to ensure our customers have access to crews and equipment quickly.

- In 2017, **Hurricane Irma** was the costliest storm in the history of Florida. Before Irma made landfall, northern BrightView Branches sent hundreds of employees, equipment and trucks to assist with cleanup efforts.

Part 2: Fertilization

- BrightView shall abide by all requirements in the Rules of the Environment Protection Commission of Hillsborough County.
- An Agronomic Technician will be on-site to perform all the chemical needs from spot treatment through large scale applications. The majority of the time will be continued bed weed treatment throughout the year.
- Fertilization will be applied in uniform manner to prevent streaking of turf. Fertilizer shall be swept/blown off all hard surfaces to avoid staining.
- All turf will be fertilized according to IFAS guidelines for a high maintenance level for South/Central Florida turf.
- Please see Pricing Pages in Proposal Forms for detailed program.

Part 3: Pest Control

Integrated Pest Management (IPM) is an important part of any turf maintenance program. IPM uses an efficient, effective and environmentally conscious approach to pest management which draws on knowledge from several different sciences including entomology (study of insects), mycology (study of fungi), chemistry and horticulture. This interdisciplinary approach enables us to develop sustainable and less costly solutions to many common landscape problems.

Early preventative actions are the key to a successful program. Once you have determined the economic threshold of a pest, an evaluation process may begin. Determining the Best Management Practice (BMP) program, site, the practices we use information on:

- Pest identification
- Pest lifecycles
- Soil tests and Fertilizer choice
- Control methods that cause the least damage to the environment

BMP program, site, the practices

Part 4; Irrigation System Monitoring and Maintenance

To further support the on-site team, we will have a Certified Irrigation Tech monthly to insure your site stays beautiful and lush. All these support tasks will coordinate through Joey for continuity and timing. The Tech will systematically check and adjust each zone.

Upon partnership, BrightView conducts an Initial Irrigation Audit within the first 30 days. This consists of a thorough audit of entire irrigation system listing items that need repair, replacement or suggested improvements in order for system to operate properly.

- Every Irrigation clock will be checked thoroughly every month by your Irrigation Technician.
- A report will be provided to management monthly. Any irrigation damaged will be repaired immediately. other problems will be reported immediately to management.
- The weekly irrigation check will assure that every zone and home is fully operational, and that the coverage is adequate to keep a healthy and lush landscape.
- The best preventative maintenance program is the one that consistently checks the system, keeps it up and running properly, and repairs any issues in timely manner.

heads
Any

us

Part 5; Installation of Mulch

- BrightView will top dress all currently landscaped areas shown on the maintenance map with shredded Cyprus mulchup to twice per year during the months of April and October.
- A minimum of three (3) inches will be installed. Trenches shall be 3" deep and beveled.
- Pricing includes material, installation, and clean-up.

Part 6; Annual Installation

On a per-square-foot basis, color plantings are usually the most intensively managed element of a landscape. There are ways, however, to develop an outstanding color program that makes a strong return on the investment. Color themes may be used to complement buildings, company colors or the appropriate season of the year.

- Provides an individual identity to the property
- Attracts the attention of tenants, residents, employees, guests and the general public
- Complements a well-maintained landscape
- Creates a pleasing atmosphere
- Makes an eye-catching statement about the property
- Adds value to the property

Planting Procedure

- Remove existing plant material/mulch
- Trench beds with flat shovel
- Add soil amendments
- Thoroughly rototill entire bed area
- Use marking paint to set design
- Lay out flats near beds
- Know correct spacing of plant per species
- Fertilize beds
- Smooth out all footprints in beds

Our goal is to continually provide a noticeable difference between our services and other landscape contractors.

Design Capabilities

Our Enhancement Specialists have the ability to improve the curb appeal of Harbor Bay CDD. If you ever feel the need to upgrade your entrance, clubhouse area or anywhere, BrightView has the team and capabilities in place to help you make an impact.

Dull overgrown entry island

Using our Imagining software to show the possibilities

Entrance without much color

Installing Perennial Color w/Accents and Annual flowers

(1) We report our financial results in accordance with GAAP. To supplement this information, we also use the following measures in this Form 10-K: "Adjusted EBITDA," "Adjusted Net Income," "Adjusted Earnings per Share," "Free Cash Flow" and "Adjusted Free Cash Flow." Management believes that Adjusted EBITDA, Adjusted Net Income and Adjusted Earnings per Share are helpful supplemental measures to assist us and investors in evaluating our operating results as they exclude certain items whose fluctuations from period to period do not necessarily correspond to changes in the operations of our business. Adjusted EBITDA represents net income (loss) before interest, taxes, depreciation and amortization, as further adjusted to exclude certain non-cash, non-recurring and other adjustment items. We believe that the adjustments applied in presenting Adjusted EBITDA are appropriate to provide additional information to investors about certain material non-cash items and about non-recurring items that we do not expect to continue at the same level in the future. Adjusted Net Income is defined as net income (loss) including interest and depreciation and excluding other items used to calculate Adjusted EBITDA and further adjusted for the tax effect of such exclusions and the removal of the discrete tax items. Adjusted Earnings per Share is defined as Adjusted Net Income divided by the weighted average number of common shares outstanding for the period. We believe Free Cash Flow and Adjusted Free Cash Flow are helpful supplemental measures to assist us and investors in evaluating our liquidity. Free Cash Flow represents cash flows from operating activities less capital expenditures, net of proceeds from the sale of property and equipment. Adjusted Free Cash Flow represents Free Cash Flow as further adjusted for the acquisition of certain legacy properties associated with our acquired ValleyCrest business. We believe Free Cash Flow and Adjusted Free Cash Flow are useful to provide additional information to assess our ability to pursue business opportunities and investments and to service our debt. Free Cash Flow and Adjusted Free Cash Flow have limitations as analytical tools, including that they do not account for our future contractual commitments and exclude investments made to acquire assets under finance leases and required debt service payments.

RE: Kindred Community Development District 2 Landscape and Irrigation Maintenance
Request for Proposal

Dear Richard Hernandez,

Thank you for, once again, considering Down To Earth as your Landscape Maintenance partner. Given our current relationship and proven track record for the past 3 years, I believe DTE is uniquely qualified to fulfill the goals of Kindred CDD and we are excited to continue to prove ourselves.

Down To Earth Landscape and Irrigation has been in business for more than 30 years and we pride ourselves on providing superior service that brings "Natural Joy" to our customers. We understand the high standards our customers require and constantly seek to be the "Service Provider of Choice" in the green industry by delivering uncompromising quality that will exceed your expectations. There are many choices for your landscape management services, but what makes Down To Earth different is our **ICARE** values.

INTEGRITY

- We act with honesty, transparency, and reliability, always doing what is right for our customers, our environment, and our teams.

COMMUNITY

- We are one team that respects and cares for each other, continuously striving to beautify and improve the communities we serve.

ACCOUNTABILITY

- We meet our commitments to each other and to our valued customers and act if we fall short of expectations.

RELENTLESSNESS

- We are constant in our efforts to provide solutions to customers and to satisfy their needs.

EXCELLENCE

- We strive to deliver best in class quality and safety while improving our services and results every day.

Thank you for your consideration and we look forward to the opportunity of working with you to achieve your landscape vision and experiencing the Down To Earth Difference!

Respectfully,

Tom Lazzaro
Chief Executive Officer
(321) 263-2700
Tom.lazzaro@down2earthinc.com

COMPANY OVERVIEW

WHO WE ARE AND WHAT MAKES US DIFFERENT

EXPERIENCE THE DOWN TO EARTH DIFFERENCE

Down To Earth Landscape & Irrigation is a premier, full-service landscape company proudly providing maintenance, irrigation, design, and construction services serving multiple regions across Florida.

Specializing in large-scale commercial, residential, and resort services, we deliver unparalleled service and unmatched quality from design and installation to ongoing maintenance.

ABOUT US

Founded in 1989 as a **landscape & irrigation installation company**, DTE expanded to include a **landscape maintenance division** and **golf division** to meet the increasing demand from our clients. Today, Down To Earth continues to grow with over 1,400 team members that operate out of 15 branch locations and 30+ golf courses.

OUR GOAL

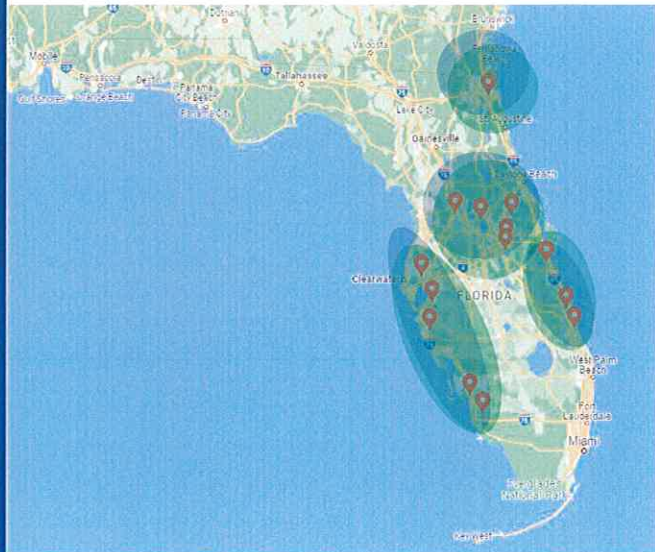

Down To Earth's goal for all three divisions is to approach it with the same business strategy and principles that have made the company a success for 30+ years: surround yourself with great people that demonstrate our **"ICARE"** values and offer a service that brings **"Natural Joy"** to our customers.

CERTIFIED & EXPERIENCED

- Certified State Licensed Irrigation Contractor
- Certified Golf Course Superintendents
- Certified State Licensed Pest Control Operators
- Certified Rain Bird Maxicom Operator
- Certified Arborists
- Certified Horticulturists
- Certified Employees in Maintenance of Traffic

COMPANY SAFETY PLAN

OUR NUMBER ONE PRIORITY

THE TEAM THAT CARES

Down To Earth understands that safety is the number one priority for both you and our employees. All personnel wear the following necessary protective equipment during the performance of their duties:

- DTE branded protective clothing, reflective, high visibility shirts, and safety vests.
- Protective eye wear or face shields
- Respiratory protection
- Gloves
- Ear/Hearing protection

Down To Earth personnel will adhere to all local, state, and federal safety guidelines and will observe all safety precautions when performing services on property, roadways and rights-of-way. The following measures will be employed when active in these areas:

- Safe location of parked vehicles
- Use of safety cones/signage
- Flag personnel as necessary

HIRING PROGRAM

- Mandatory drug screening prior to employment – zero-tolerance policy.
- Each new employee must complete our **“Green Vest Training”** program that focuses on the safe operation of all equipment and machinery.

PREVENTATIVE MAINTENANCE PROGRAM

- Participate in weekly “toolbox talks” to review the correct maintenance procedures and inspect current equipment.
- Equipment is cleaned and maintained daily which includes sharpening mower blades and servicing equipment to ensure proper working order.
- Weekly **Vehicle Condition Report** to ensure that all repairs and maintenance have been completed.
- Monthly **Branch & Site Audits** to ensure compliance.

SAFETY TRAINING PROGRAM

- Employees participate in scheduled equipment training programs demonstrating the correct way to operate machinery and tools utilized for day-to-day job activities.
- Fertilizer/Pest Control Applicators take the Florida Best Management Practices Class and stay current on all continuing education units.
- Weekly Safety topic as well as scheduled Safety bulletins to raise awareness and reinforce training.

LICENSES, CERTIFICATIONS, & INSURANCE BONDING

To deliver the very best customer service, we currently hold the following licenses, certifications, and insurance bonding:

- BMP Certified– Florida Green Industries
- Florida Department of Agriculture and Consumer Services, Certificate of Nursery Registration
- Florida Department of Agriculture and Consumer Services Certified Pest Control Operator
- Florida Department of Agriculture and Consumer Services Registered Pest Control Firm for Down to Earth Lawn Care
- Florida Department of Agriculture and Consumer Services, License as Dealer in Agriculture Products
- Florida Department of Environmental Protection
- Florida Irrigation Society, Completion Irrigation Auditing Training Course
- Florida Nursery, Growers and Landscape Association (FNGLA) – Certified Horticulture Professional (FCHP)
- FNGLA Certified Horticulturalists Florida Nursery, Growers and Landscape Association (FNGLA) – Florida Certified Landscape Contractor (FCLC)
- International Society of Arboriculture (ISA), Certified Arborist
- Irrigation Association (CLIA) Certified Landscape Irrigation Auditor
- John Deere Green Tech, Rain Master Eagle iCentral Control System
- Paige Irrigation, Certificate of Completion – Irrigation Wires & Cables and Proper Splicing Methods
- Professional Lawn Care Association of America, Certified Turfgrass Professional
- Rain Bird – Certified Maxicom Operator, Maxicom Software Level 1 and 2, Maxicom Hardware Level 1 & 2

All certificates & licenses are available upon request.

DTE W-9

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
SSS Down To Earth Opco II, LLC

2 Business name/disregarded entity name, if different from above
Down To Earth II

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

Individual/sole proprietor or single-member LLC C Corporation S Corporation Partnership Trust/estate

Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Other (see instructions) ▶ _____

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
2701 Maitland Center Parkway, Suite 200

6 City, state, and ZIP code
Maitland, FL 32751

7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
			-						
or									
Employer identification number									
3	7	-	1	8	3	4	6	0	7

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶  Date ▶ 1.26.2022

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

APPROACH TO SERVICES

AN OVERVIEW OF WHAT WE DO & HOW WE DO IT

We are driven by bringing natural joy to every client and property we service.

CORE COMPETENCIES

- MAINTENANCE
- IRRIGATION
- CONSTRUCTION
- ENHANCEMENTS & INSTALLATION
- FERTILIZATION & PEST CONTROL
- GOLF

MAINTENANCE SERVICES AVAILABLE

MOWING

Each turf variety is mowed based on area and site conditions to prescribed heights.

TRIMMING & EDGING

Performed around beds, curbs, streets, trees, and buildings.

IRRIGATION

From system installation to regular checks & audits and on-going maintenance of the irrigation system.

FERTILIZATION

Property specific blends are applied using proper fertilization techniques by licensed professionals.

INSPECTIONS & MANAGEMENT

Regular inspections are performed to examine the condition of the landscape and identify solutions to potential problems.

PEST & WEED CONTROL

Property will be treated chemically to effectively control insect infestation and disease in line with BMP guidelines.

TREE PRUNING

Trees shall be maintained with clear trunks to facilitate proper growth and provide 12'-15' clearance.

MULCHING

Applied to beds and/or bare grounds to moderate soil temperature and retain moisture for healthy plants.

ANNUAL FLOWERS

Proper spacing will be utilized per plant species variety to ensure proper growth.

DESIGN & INSTALL

In house capability to provide full design and install of new material to bring your vision to life.

STORM PREPARATION & REPAIR

In cases of storms or natural disasters, we can provide help to prepare and repair landscapes if requested.

For more details of our services, FAQs, and services beyond maintenance services we offer, please visit www.dtelandscape.com/all-services/

Note: Detailed scope of services included with pricing and contract.

STATE OF THE ART SERVICE

LATEST TECHNOLOGY

- Down To Earth leverages the latest technology and our expert staff to deliver best-in-class service with a commitment to stay on the cutting-edge of landscaping, irrigation systems, fertilization & pesticide practices, and systems.
- Down To Earth actively partners with our suppliers, industry associations, universities, and technology providers to incorporate their products into our services or provide feedback to help the industry including drones and autonomous mowers.

UF | IFAS
UNIVERSITY of FLORIDA

UNIVERSITY OF FLORIDA INSTITUTE OF FOOD AND AGRICULTURAL SCIENCES (UF/IFAS)

- We work with the University of Florida Institute of Food and Agricultural Sciences (UF/IFAS) to enhance our fertilization formulas and schedules to allow for custom blends based on soil samples, water quality, water availability and climate.

INTERNATIONAL SOCIETY OF ARBORICULTURE (ISA) CERTIFIED ARBORISTS

- When it comes to tree care, Down To Earth remains at the forefront of botanical practices to optimize proper pruning and trimming. We have implemented a best-in-class hybrid approach utilizing the expertise of in-house and vendor-partnered International Society of Arboriculture (ISA) Certified Arborists.

INTEGRATED PEST MANAGEMENT (IPM)

- We have an industry-leading pest control program based on Integrated Pest Management (IPM) principles - a sustainable, science-based process that combines biological, physical, and chemical tools to identify, manage and reduce threats from pests in a way that minimizes overall economic, health and environmental risks.

CUSTOMER SERVICE & COMMUNICATION

CUSTOMER LINK WORK ORDER SYSTEM

Through access on a dedicated website, homeowners can report issues, ask questions, and provide direct service feedback. Benefits of CustomerLink include:

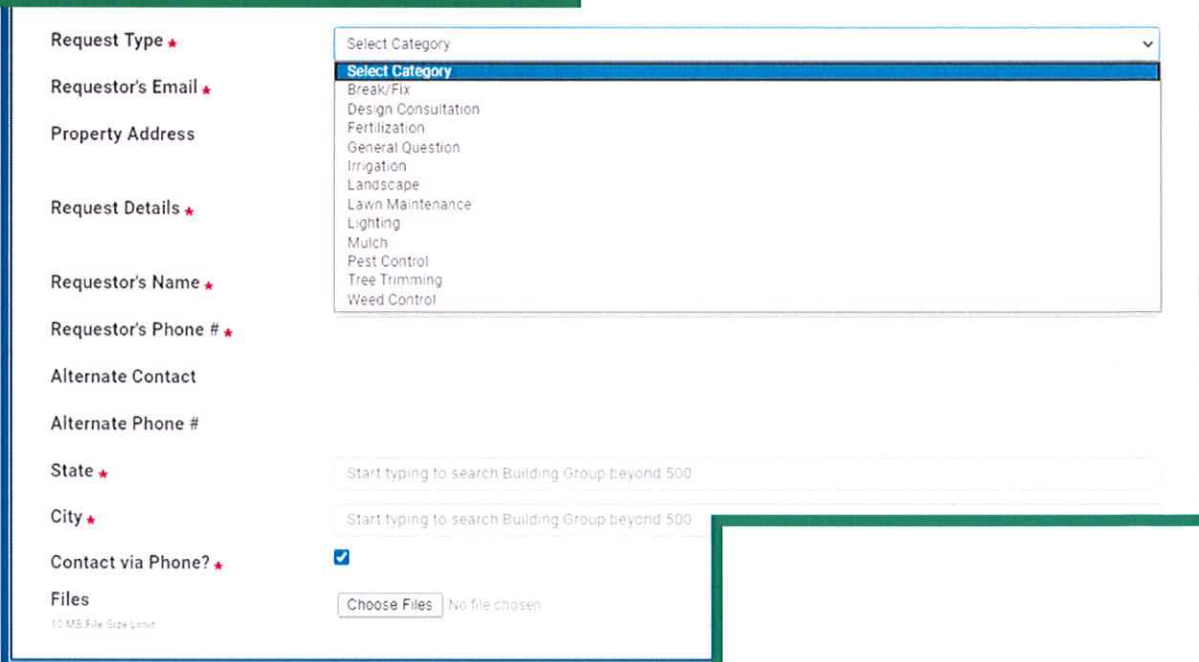

- Work order management
- Intuitive interface and ease of use
- Email alert notification on work order status

CUSTOMER COMMITMENT

Should an issue arise on your property, you can call or email any of our key personnel since all managers and technicians have been equipped with email access via phone or through their vehicle laptops. Additionally, we can be reached via the following:

- Website Customer Form
- Dedicated Branch Phone Number
- Emergency After Hours Phone Number

TIMELY COMMUNICATION AND TRACKING REQUESTS ARE A TOP PRIORITY

The screenshot shows a web form for submitting a request. On the left is a vertical list of fields: Request Type (with a red star), Requestor's Email (with a red star), Property Address, Request Details (with a red star), Requestor's Name (with a red star), Requestor's Phone # (with a red star), Alternate Contact, Alternate Phone #, State (with a red star), City (with a red star), Contact via Phone? (with a red star), and Files (with a 10 MB File Size Limit note). On the right, the 'Request Type' dropdown menu is open, showing a list of categories: Break/Fix, Design Consultation, Fertilization, General Question, Irrigation, Landscape, Lawn Maintenance, Lighting, Mulch, Pest Control, Tree Trimming, and Weed Control. Below the dropdown are two search input fields for 'Building Group' with the placeholder text 'Start typing to search Building Group beyond 500'. There is a checked checkbox and a 'Choose Files' button with the text 'No file chosen'.

DISASTER & STORM RELIEF PROTOCOL

Down To Earth understands firsthand the unpredictability of the weather. There have been many occasions throughout the years where we have offered immediate disaster and storm relief, in addition to frost protection services to our clients. Our extensive resources allow us to act quickly and address any issues efficiently and in a timely manner.

SUPPLEMENTAL CREWS

- Supplemental to our current maintenance teams, we have additional enhancement resources that can be made available to restore your property to pre-disaster condition. Furthermore, if necessary, our Construction Division employees are working in Florida year-round and can always offer additional help.

NECESSARY EQUIPMENT

- While adequate manpower is essential, having the necessary equipment is vitally important in these types of extreme situations. DTE has a deep inventory of equipment including loaders and dump trucks that can be redeployed statewide to meet the demands of any emergency.

PREVENTATIVE MEASURES

- For more than 30 years, our track record has proven that we will do everything possible to protect our clients' interests and eliminate potential problems during hurricanes, storms, and frost by implementing preventative measures such as pre-storm tree trimming, removal of loose debris, and use of frost cloths.

When disaster strikes, you can count on Down To Earth to keep your property safe, healthy, and operating smoothly.

Please note this is an additional service. Refer to scope of services for a list of all services within the agreement.

PERSONNEL

MEET THE TEAM

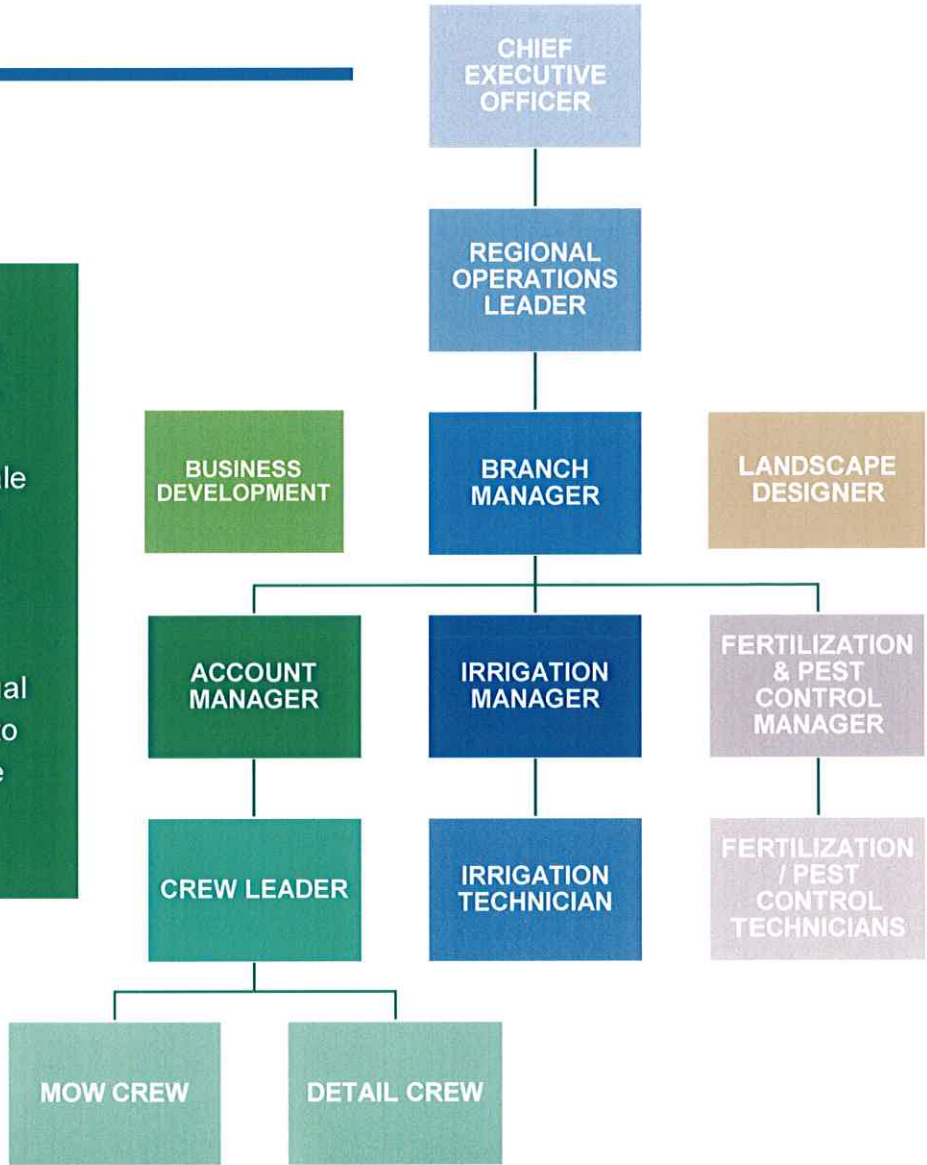

Our highly skilled and trained landscape technicians will be onsite to care for your property each day, supported by our staff of certified horticulturalists, arborists, pest control operators, and irrigation specialists.

**OUR TEAM IS COMMITTED TO CREATING
THE HEALTHIEST AND MOST VIBRANT
LANDSCAPE FOR YOU**

ORGANIZATIONAL CHART

One of the keys to Down To Earth's success is the ability to provide the care and attention of a local company but with the scale and resources of a larger enterprise.

This alignment from the CEO down to the individual crew members is critical to delivering our vision to be the "Service Provider of Choice".

STAFFING PLAN

Re: Letter of Bond-ability

Dear Johann,

It has been the privilege of Brunswick Companies and Hanover Insurance Company to provide surety bonds on behalf of Down to Earth for over 6 years, during which time Down To Earth has performed and we have issued performance and payment bonds for contracts valued in the range of \$5,000,000. In our opinion, Down To Earth remains properly financed, well equipped, and capably managed.

At the present time, Hanover Insurance Company provides a \$5,000,000 single project / \$15,000,000. aggregate surety program to Down To Earth. As always, Hanover Insurance Company reserves the right to perform normal underwriting at the time of any bond request, including, without limitation, prior review and approval of relevant contract documents, bond forms, and project financing. Therefore, Down To Earth has 100% bonding capabilities for the above captioned project.

Hanover Insurance Company is listed on the U.S. Treasury Department's Listing of Approved Sureties (Department Circular 570) and is rated A(XV) by A.M. Best Company and is licensed to do business in the State of Florida.

Project Type/Description: LANDSCAPE MAINTENANCE

Dollar Amount of Contract: \$752,112.00

Your Company's Detailed Scope of Services for Project: _____

FULL SERVICE LANDSCAPE MAINTENANCE, IRRIGATION, FERTILIZATION AND PEST CONTROL

Duration of Contract: START DATE: JANUARY 2018 END DATE: CURRENT

3. **Understanding Scope of RFP** (10 Points Possible) (____ Points Awarded)

Does the proposal demonstrate an understanding of the District's needs for the services requested? Does it provide all information as requested by the District including product specifications, pricing, scheduling, staffing, qualifications, etc.? Have all documents been completed as directed and information requested been provided? Does it demonstrate clearly the ability to perform these services?

4. **Financial Capacity** (5 Points Possible) (____ Points Awarded)

Demonstration of financial resources and stability as a business entity necessary to implement and execute the services required as discussed in Landscape and Irrigation Maintenance Agreement. At a minimum, Proposer must include proof of ability to provide insurance coverage as required by the District as well as "Compiled" Financial Statements current to within twelve (12) months.

5. **Price** (35 Points Possible) (____ Points Awarded)

A full thirty-five (35) points will be awarded to the Proposer submitting the lowest bid for Parts 1 - 4 (the Contract Amount). AN AVERAGE OF ALL THREE YEARS PRICING IS TO BE CONSIDERED WHEN AWARDING POINTS FOR PRICING - THE INITIAL TERM AND THE FIRST AND SECOND ANNUAL RENEWALS. All other proposers will receive a percentage of this amount based upon a formula which divides the low bid by the proposer's bid and is then multiplied by the number of points possible in this part of the Price evaluation. *

* Contractor "A" turns in a bid of \$210,000 and is deemed to be low bid and will receive the full 35 points. Contractor "B" turns in a bid of \$265,000. Bid "A" is divided by Bid "B" then multiplied by the number of points possible (35). $(210,000/265,000) \times 35 = 27.74$. Therefore, Contractor "B" will receive 27.74 of 35 possible points. Contractor "C" turns in a bid of \$425,000. Bid "A" is divided by Bid "C" then multiplied by the number of points possible (35). $(210,000/425,000) \times 35 = 17.29$. Therefore, Contractor "C" will receive 17.29 of 35 points.

6. **Reasonableness of ALL Numbers** (15 Points Possible) (____ Points Awarded)

Up to fifteen (15) points will be awarded as to the reasonableness of ALL numbers, quantities & costs (including, but not limited to fertilizer quantities, based on Contractor's field measurements) provided in Parts 1,2,3,4, 5 & 6.

Proposer's Total Score (100 Points Possible) (____ Points Awarded)

END

Once proposals are received for the District, the District's Board of Supervisors will review each submittal related to the District and score each proposal based on the evaluation criteria, information provided in response to reference checks and any other information available to the District and permitted to be used under law. The District's award will be based on the proposal that is most advantageous to the District.

The District also reserves the right to seek clarification from prospective firms on any issue in a response for the District, invite specific firms for site visits or oral presentations, or take any action it feels necessary to properly evaluate the submissions and construct a solution in the District's best interest. Failure to submit the requested information or required documentation may result in the lessening of the proposal score or the disqualification of the proposal response.

Do not attempt to contact any District Board member, staff member or any person other than the appointed staff for questions relating to this RFP. Anyone attempting to lobby District representatives will be disqualified.

It is anticipated that the District's Board of Supervisors will meet to evaluate District proposals on December 8th , 2022, 10:30 a.m., but the District reserves the right to reschedule any such meeting.

AFFIDAVIT OF ACKNOWLEDGMENTS

STATE OF FLORIDA
COUNTY OF ORANGE

Before me, the undersigned authority appeared the affiant, TOM LAZZARO - CEO, and having taken an oath, affiant, based on personal knowledge, deposes and states:

1. I am over eighteen (18) years of age and competent to testify as to the matters contained herein. I serve in the capacity of CHIEF EXECUTIVE OFFICER for SSS DOWN TO EARTH OPCO II LLC (“**Proposer**”), and am authorized to make this Affidavit of Acknowledgments on behalf of Proposer.

2. I assisted with the preparation of, and have reviewed; the Proposer’s proposal (“**Proposal**”) provided in response to the TOWN OF KINDRED Community Development District 2 proposal for landscape and irrigation maintenance services. All of the information provided therein is full and complete, and truthful and accurate. I understand that intentional inclusion of false, deceptive or fraudulent statements, or the intentional failure to include full and complete answers, may constitute fraud; and, that the District may consider such action on the part of the Proposer to constitute good cause for rejection of the proposal.

3. I do hereby certify that the Proposer has not, either directly or indirectly, participated in collusion or proposal rigging.

4. The Proposer agrees through submission of the Proposal to honor all pricing information one hundred and twenty (120) days from the opening of the proposals, and if awarded the contract on the basis of this Proposal to enter into and execute the contract in the form included in the Project Manual within fourteen (14) days after receiving a notice of award or in a timeframe as may be extended by the District.

5. The Proposer acknowledges the receipt of the complete Project Manual as provided by the District and as described in the Project Manual’s Table of Contents, as well as the receipt of the following Addendum No.’s: 1 + 2 dated 11/11/22

6. By signing below, and by not filing a protest within the seventy-two (72) hour period after the Proposal Pick-Up Time, the Proposer acknowledges that (i) the Proposer has read, understood, and accepted the Project Manual; (ii) the Proposer has had an opportunity to consult with legal counsel regarding the Project Manual; (iii) the Proposer has agreed to the terms of the Project Manual; and (iv) the Proposer has waived any right to challenge any matter relating to the Project Manual, including but not limited to any protest relating to the proposal notice, proposal instructions, the proposal forms, the contract form, the scope of work, the map, the specifications, the evaluation criteria, the evaluation process established in the Project Manual, or any other issues or items relating to the Project Manual.

7. The Proposer authorizes and requests any person, firm or corporation to furnish any pertinent information requested by the TOWN OF KINDRED Community Development District 2, or its authorized agents, deemed necessary to verify the statements made in the Proposal, or regarding the ability, standing, integrity, quality of performance, efficiency, and general reputation of the Proposer.

Under penalties of perjury under the laws of the State of Florida, I declare that I have read the foregoing Affidavit of Acknowledgments and that the foregoing is true and correct.

Dated this 15th day of NOVEMBER, 2022

SWORN STATEMENT UNDER SECTION 287.133(3) (a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to TOWN OF KINDRED Community Development District 2.
2. This sworn statement is submitted by SSS DOWN TO EARTH OPCO II LLC
(Print Name of Entity Submitting Sworn Statement)
whose business address is 2701 MAITLAND CENTER PARKWAY - SUITE 200. MAITLAND FL, 32751
and (if applicable) its Federal Employer Identification Number (FEIN) is 37-1834607
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:)
3. My name is TOM LAZZARO and my relationship to the entity named above is CHIEF EXECUTIVE OFFICER.
4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
 - A) A predecessor or successor of a person convicted of a public entity crime; or,
 - B) An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person

controls another person. A person who knowingly enters into a joint venture with a

person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
8. Based on information and belief, the statement, which I have marked below, is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity, have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

_____ There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge did not place the person or affiliate on the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

**Addendum No. 1 to the
Town of Kindred Community Development District II
Request for Proposals for Landscape and Irrigation Maintenance Services
Osceola County, Florida**

TO: Prospective Bidders
CC: Mark Yahn & Pete Soety [LANDSCAPE CONSULTANT]
Michelle Rigoni, District Counsel
FROM: **Richard Hernandez**, District Manager
DATE: November 11, 2022

This **Addendum No. 1** pertains to the Town of Kindred Community Development District II (“District”) Project Manual for Landscape and Irrigation Maintenance Services originally issued October 19th, 2022 (“RFP”). Following [

1. Per our last conversation regarding the detail weekly cycles, it was stated that the scope would remain at the current specified scope of 3-section detail rotation, once every 3 weeks totaling 17 details/prunings per year, but on the RFP scope section **B.**, it states a 4-section detail rotation, once every 4 weeks totaling 12 details/prunings per year. Please clarify, thank you.
 - **Answer:** Bid the scope which is every four weeks and 13 times per year.

2. “On Red Canyon Dr. , is the turf maintained from the sidewalk to the road, or is the town home vendor taking care of that area?”
 - **Answer:** For question 2, anything between sidewalk and curb along Red Canyon should be CDD responsibility.

Any Proposer wishing to protest any or all of the matters contained or addressed in this addendum shall file a notice of protest with the District Manager, Rizzetta & Company, 3434 Colwell Avenue, Unit 200, Tampa, Florida 33614 Attention: Richard Hernandez, in writing within seventy-two (72) hours (excluding Saturdays, Sundays, and state holidays) after receipt of this addendum. A formal written protest adequately detailing with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days after the notice of protest is filed. Failure to timely file a written notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to this addendum. All notices and protests must be in accordance with the District’s Rules of Procedures.

Michelle Rigoni, District Counsel
FROM: **Richard Hernandez**, District Manager
DATE: November 11, 2022

This **Addendum No. 2** pertains to the Town of Kindred Community Development District II (“District”) Project Manual for Landscape and Irrigation Maintenance Services originally issued October 19th, 2022 (“RFP”). Following [

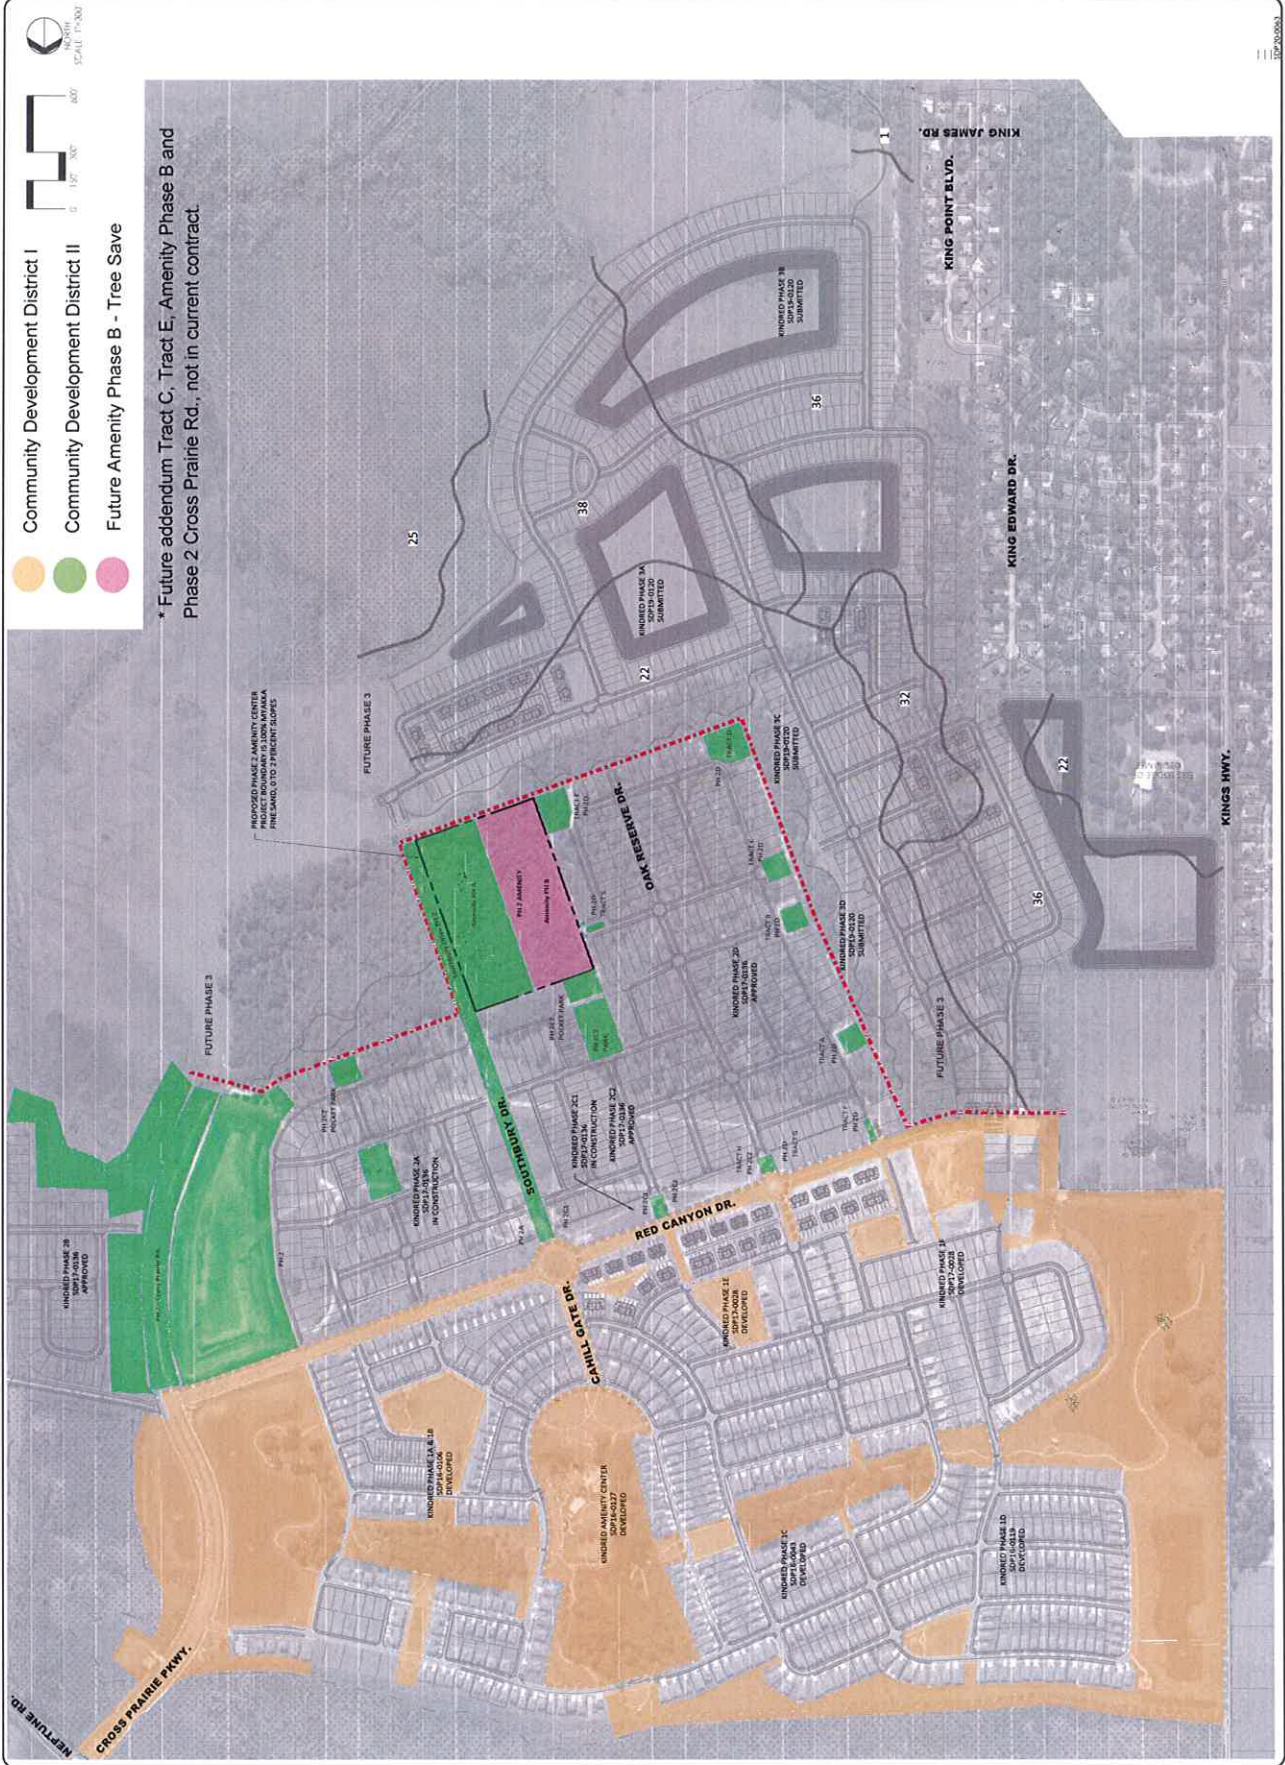

1. The RFP Section 3 for “Evaluation Criteria” has forms to be filled out that have the same information requested in Section 5 for “Proposal Forms”. Are we required to fill out the forms in Section 3 and Section 5 or will it be acceptable to include that information from Section 5 only?
- **Section 5 only**
2. What are the maintenance requirements for the volley ball courts?
- **Volleyball court should be kept weed and debris free.**
3. Are we responsible for maintenance of vacant lots?
- **You are only responsible for the maintenance of lots owned by the CDD. Pre-built Residential lots are not included.**
4. At the pre-bid meeting there was discussion about a separate RFP for the dog stations and trash cans for each phase (I and II). Will you be providing the total number of dog stations & trash cans and are you still interested in getting a separate proposal for those services?
- **28 trash cans 15 dog stations – yes please submit a separate proposal**

Any Proposer wishing to protest any or all of the matters contained or addressed in this addendum shall file a notice of protest with the District Manager, Rizzetta & Company, 3434 Colwell Avenue, Unit 200, Tampa, Florida 33614 Attention: Richard Hernandez, in writing within seventy-two (72) hours (excluding Saturdays, Sundays, and state holidays) after receipt of this addendum. DATE PLOTTED: 4/26/2021 10:58 AM
 PLOT SCALE: 1"=60'

EXHIBIT 1 TOWN OF KINDRED CDD SCOPE OF WORK

The work for the exterior landscape maintenance is to include the furnishing of all labor, materials, equipment, accessories and services necessary or incidental to sustain all turf and plant materials in a healthy, vigorous growing condition, free from weeds, diseases, insects, and nutritional deficiencies as well as a completely operational irrigation system. All associated planted areas are to be kept in a continuous healthy, neat, clean and debris free condition for the entire life of the contract. The contractor will be expected to provide service for the property fifty two (52) weeks per year.

SCHEDULE "A" – GENERAL SERVICES

A. Turf Maintenance

Turf maintenance is defined as all mowing, edging, trimming and cleanup of lawn areas. Turf maintenance operations are to be completed the same day they are begun. High traffic and high profile areas such as front doors and amenity areas will be completely mowed, edged, trimmed and cleaned up prior to normal business hours of operation. In the event it becomes necessary to make a change in the mowing schedule for any reason, the owner or owner's representative must be notified prior to adjustment of schedule. Mowing during inclement weather will not alleviate the contractor of responsibility for damage caused by the mowing of wet areas.

1. Mowing

- a. Prior to mowing, remove and dispose of normal litter and debris from all landscape areas.
- b. Turf shall be mowed weekly during the growing season from March 1st through November 1st and bi-weekly during the non-growing season from November 1st through March 1st. Based on this schedule, it is estimated that the contractor will perform a minimum of 41 and a maximum of 45 mowing cycles per 12-month period in the performance of this contract.
- c. Turf shall be cut with rotary mowers to maintain a uniform height. Mowing blades shall be kept sufficiently sharp and properly adjusted to provide a cleanly cut grass blade. Mowing pattern shall be varied where feasible to prevent rutting and minimize compaction.
- d. Mowing height for St. Augustine and Bahia turf will be set at 3½" to 4". At no time will mowing height be reduced so that more than 1/3 of the grass blade is removed at any cutting.
- e. Visible clippings that may be left following mowing operations shall be removed from the turf each visit. Discharging grass clippings into beds, tree rings or maintenance strips is unacceptable and any visible clippings discharged into these areas shall be removed prior to the end of each service day.
- f. Contractor will take special care to prevent damage to plant material as a result of the mowing operations. Any damage caused by contractors mowing equipment may result in the replacement of damaged material at the contractor's cost. Determination as to replacement will be at the sole discretion of the owner or owner's representative. Replacement material will be similar size to the material being replaced.

2. Edging

Sidewalks, curbs, concrete slabs and other paved surfaces will be edged in conjunction with mowing operations. Edging is defined as removal of unwanted turf from the above mentioned borders by use of a mechanical edger. String trimmers will not be used for this function.

3. String Trimming

- a. String trimming shall be performed around road signs, guard posts, utility poles, and other obstacles where mowers cannot reach. Grass shall be trimmed to the same desired height as determined by the mowing operation. Trimming shall be completed with each mowing operation.
- b. Under no circumstance will it be an acceptable practice to string trim bed edges or small turf areas that may be cut utilizing a small walk behind mower.
- c. Maintaining grass-free areas by use of chemicals may be the preferred method in certain applications. Such use will only be done with prior approval of the owner or the owner's representative.
- d. Turf around the edge of all waterways shall be mowed or string trimmed to the natural water's edge during each mowing cycle.

4. Blowing

When using forced air machinery to clean curbs, sidewalks and other paved surfaces, care must be taken to prevent blowing grass clippings into beds, onto vehicles or onto other hardscape surfaces.

5. Damage Prevention/Repair

Special care shall be taken to protect building foundations, light poles, sign posts and other hardscape elements from mowing, edging or string trimming equipment damage. Contractor will agree to have repairs made by specialized contractors or reimburse the association or homeowners within 30 days for any damage to property caused by their crew members or equipment.

B. Detail

Detailing of planted areas will be performed weekly in a sectional method, each section representing one-fourth of the entire property. Based on four sections, the contractor will completely detail the entire property once every four weeks. The exception will be amenity or high profile areas. These are high traffic and focal areas and as such will be included in each detail section to provide weekly attention. The detailing process will include trimming, pruning and shaping of all shrubbery, ornamental trees and groundcover, removal of tree suckers, structural pruning or cutbacks of select varieties of plant material and ornamental grasses as directed, as well as the defining of bed lines, tree saucers and the removal of all unwanted vegetation.

1. Pruning

- a. Prune trees, shrubs and groundcovers to encourage healthy growth and create a natural appearance. Prune to control the new plant growth, maintain the desired plant shape and remove dead, damaged, or diseased portions of the plant. Provide remedial attention and repair to plant material as appropriate to season or in response to incidental damage.
- b. Only Contractor's staff that have been trained and demonstrate competency in proper pruning techniques shall perform pruning. Use only hand pruners or loppers on trees and shrubs, particularly groundcover Juniper varieties. Hand shears or Topiary shears will be the preferred method of trimming most formal shrubs. Only use power shears on formal hedges where previous practice was to shear, or as directed by owner or owner's representative.
- c. Prune trees to include the removal of sucker growth by hand at the base of and on the trunks of trees continuously throughout the year. Aesthetic pruning shall consist of the removal of dead and/or broken branches as often as necessary to have trees appear neat at all times. Branches will be pruned just outside the branch collar. Branches and

limbs shall be kept off signage structures, play structures, fences and walls as well as pruned to keep street lights and traffic signage from being blocked.

- Provide clearance for pedestrians, vehicles, mowers and buildings.
 - Maintain clearance from shrubs in bed areas.
 - Improve visibility in parking lots and around entries.
- d. Prune trees to remove weak branching patterns and provide corrective pruning for proper development. Cut back to branch collar without leaving stubs. Provide clean and flush cut with no tearing of the tree bark.
 - e. Prune all shrubbery in accordance with the architectural intent as it relates to adjacent plantings and intended function.
 - f. Prune to contain perimeter growth within intended bed areas. Established groundcover shall be maintained 4" to 6" away from adjacent hardscape and turf. Bevel or roll leading edges to avoid creating a harsh boxed look. Mature groundcover shall be maintained at a consistent, level height to provide a smooth and even appearance and separation from adjacent plant material.
 - g. Structural pruning will be required for several varieties of plants bi-annually, annually or semi-annually to maintain their scale and performance within the landscape. The methodology employed is to structurally prune one plant group throughout the entire property during the sectional detail rotation. Following this schedule, all structural pruning should be completed within a six week cycle each time it is performed. Ornamental Grasses are to be haystack cut two times per year during March/April and September/October.
 - h. Crape Myrtles are to be trimmed once per year in the winter months. Trimming should include removal of old blooms, sucker growth and any cross branching. Trimming should be done in such a way that cuts are no less than 12" away from previous year's cuts. "Hat Racking" will not be permitted unless directed otherwise by management.
 - i. Pruning of all palms less than 12' CT in height will be included in the sectional rotation. Pruning consists of removal of all dead fronds, seedpods and any loose boots.

2. Edging

- a. Edging is defined as removal of unwanted vegetation along beds and tree saucers. Edges are to be perpendicular to the ground.
- b. Only mechanical edgers will be used for this function. Use of string trimmers or non selective herbicides will not be allowed.
- c. Care will be taken to maintain bed edges as designed in either straight or curvilinear lines.

3. Weed Control

- a. Bed areas are to be left in a weed free condition after each detail service. While pre and post-emergent chemicals are acceptable means of control, weeds in bed areas larger than 3" shall be pulled by hand.
- b. Hardscape cracks and expansion joints are to be sprayed in conjunction with the detail cycle to control weeds. Chemical practices shall not be a substitute for hand weeding where the latter is required for complete removal.

C. General

1. Policing

- a. Contractor will police the grounds daily or on each service visit to remove trash, debris and fallen tree litter less than 2" in diameter. Contractor is not responsible for removal of excessive storm debris which would be performed with prior approval at the labor rates specified in "Exhibit – 3 Extra Services Pricing Summary".
- b. Contractor will dedicate supplemental personnel and specialized equipment to the removal of seasonal leaf drop from all landscape and hardscape areas during the months of November through April.
- c. All litter shall be removed from the property and disposed of off site.

2. Communication

- a. Contractor will communicate with the owner or the owner's representative for any landscape issues requiring immediate attention.
- b. Communication is of the utmost importance. Contractor will provide a weekly written report in a form approved by the owner or owner's representative which details all aspects of the previous week's maintenance activities.
- c. Contractor will provide a Monthly Service Calendar for the upcoming period and a copy of the preceding month's Irrigation Maintenance report and Lawn and Ornamental report. A copy of these documents should be submitted to SunScape Consulting by the 5th of each month electronically or via U.S. mail.
- d. Contractor agrees to take part in monthly inspections of the property to insure their performance of this agreement meets the standards required herein and protects the overall well being of the property's landscape. Contractor also agrees to complete any work that appears on punch lists resulting from inspections or reviews within three weeks of receiving them. Contractor will have their Account Manager participate on its behalf and have their Lawn and Ornamental and Irrigation Managers or Technicians available for a minimum of the pre inspection meeting.

3. Staffing

- a. Contractor is expected to staff the property with trained personnel experienced in commercial landscape maintenance. All personnel applying fertilizers, insecticides, herbicides and fungicides must be certified by the FL Department of Agriculture and Consumer Services. These individuals should be Best Management Practices Certified and hold a Limited Certification for Urban Landscape Commercial Fertilizer or a Certified Pest Control Operator or an employee with an ID card working under the supervision of a CPCO.
- b. Contractor shall provide consistent service on set day(s) each week with the exception of scheduling adjustments for the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Normal working hours are from 8:00 AM until 6:00 PM, with no power equipment operating around resident buildings or homes before 9:00 AM.

SCHEDULE "B" – TURF CARE PROGRAM - ST. AUGUSTINE (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
January:	Winter fertilization, broadleaf weed control and disease control
March:	Spring granular fertilization, broadleaf weed control, insect and disease control
May:	Early summer liquid fertilization with Arena and weed control
July:	Summer granular fertilization, insect control and weed control
September:	Late summer fertilization and insect/disease control
November:	Fall granular fertilization and broadleaf weed/disease control

B. Application Requirements

1. Fertilization

- a. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a maximum of 5 lbs of N/1000 square feet with a minimum of 30% slow release and a high Potassium blend in the fall fertilization to promote root development unless soil samples indicate the presence of sufficient Potassium.
- b. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- c. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.
- d. The irrigation system will be fully operational prior to any fertilizer application.
- e. Soils shall be tested at a reliable testing facility once per year to monitor for pH, Nematodes, Take All Root Rot and chemical make up. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the turf care program based on these results.

2. Insect/Disease Control

- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
- b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.

3. Weed Control

- a. Weed control will be limited to the broadleaf variety and sedge type grasses under this program.
- b. Contractor shall alert owner or owner's representative of outbreaks of Crabgrass, Bermuda, Alexander and Dove grasses. Failure to do so will make the contractor liable for resulting turf loss.

4. Warranty

If the grass covered under this turf care program dies due to insect infestation, disease or improper fertilizer application, the affected grass will be replaced at no charge. Contractor will not be held responsible for turf loss due to conditions beyond their control. This includes nematodes, diseases such as Take-All Root Rot and weeds such as Crabgrass which are untreatable with currently available chemicals, high traffic areas, drainage problems, or acts of God. In the event these conditions exist, the contractor is responsible to employ whatever cultural practices can be reasonably performed to extend the life of the affected material.

SCHEDULE "B" – TURF CARE PROGRAM - ZOYSIA (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
January:	IPM spot treatment for weeds as necessary and inspect/treat fungal activity.
February:	Pre-emergent herbicide/spot treatment for weeds and fungal activity.
March:	Fertilization (granular 20-0-10) with 1lb N to 1lb K, 50% slow release w/minors. Spot treat weeds and treat fungal and insect activity as necessary.
April:	Fertilization with .5lb N, with Iron, post emergent weed control, insect/disease control as necessary.
May:	Fertilization with .5lb N, with Iron, post emergent weed control, insect/disease control as necessary.
June:	Fertilization (granular 20-0-10) with .5lb N, slow release w/minors. Insect/weed/disease control as necessary.
July:	Liquid fertilization with .5lb N w/ Iron. Insect/weed/disease control as necessary.
August:	Apply Ammonium Sulfate(21-0-0) at rate providing .5lb N. IPM weed/insect/disease control.
September:	Liquid Fertilization with .25lb N, with Iron, post emergent weed control, insect/disease control as necessary.
October:	Fertilization with 14-0-40 or similar. Weed/insect/disease control as necessary.
November:	Blanket pre-emergent herbicide, w/Liquid Iron. Spot treat weeds and inspect/treat fungal activity.
December:	Blanket 0-0-62(Potash), IPM-spot treat weeds as necessary, inspect/treat fungal activity.

B. Application Requirements

1. Fertilization

- a. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- b. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.

- c. The irrigation system will be fully operational prior to any fertilizer application.
 - d. Soils shall be tested at a reliable testing facility twice per year to monitor for Ph and chemical makeup. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the turf care program based on these results.
2. Insect/Disease Control
- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
 - b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.
3. Weed Control
- a. Weed control will not be limited to only the broadleaf variety under this program.
 - b. Contractor shall alert owner or owner's representative of outbreaks of Sedge, invasive Bermuda, or Crabgrass. Failure to do so will make the contractor liable for resulting turf loss.
4. Warranty

If the grass covered under this turf care program dies due to insect infestation, disease or improper fertilizer application, the affected grass will be replaced at no charge. Contractor will not be held responsible for turf loss due to conditions beyond their control. This includes nematodes, diseases such as Take-All Root Rot and weeds such as Crabgrass which are untreatable with currently available chemicals, high traffic areas, drainage problems, or acts of God. In the event these conditions exist, the contractor is responsible to employ whatever cultural practices can be reasonably performed to extend the life of the affected material.

SCHEDULE "B1" – TURF CARE PROGRAM (BAHIA)

A. Application Schedule

<u>Month</u>	<u>Application</u>
March:	Complete liquid 18-0-8 N-P-K fertilizer and broadleaf weed control to include blanket pre-emergent herbicide application.
June:	Chelated Iron application and Mole Cricket control.
October:	Complete liquid 18-0-8 N-P-K fertilizer and broadleaf weed control to include blanket pre-emergent herbicide application.

B. Application Requirements

1. Fertilization
- a. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a minimum of 2 lbs. of N/1000 square feet with a minimum of 30% slow release and a high Potassium blend in the late summer fertilization to promote root development unless soil samples indicate the presence of sufficient potassium.
 - b. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with

each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.

- c. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.
 - d. The irrigation system will be fully operational prior to any fertilizer application.
 - e. Soils shall be tested at a reliable testing facility twice per year to monitor for pH and chemical make-up. The results will be provided to an HOA Representative along with the contractor's recommendation as to any changes in the turf care program based on these results.
2. Insect/Disease Control
- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
 - b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.
3. Weed Control
- a. Weed control will be limited to the broadleaf variety under this program.
 - b. Contractor shall alert an HOA Representative of outbreaks of Sedge, invasive Bermuda, or Crabgrass. Failure to do so will make the contractor liable for resulting turf loss.
4. Warranty
- a. There is no warranty for Bahia turf.

SCHEDULE "C" – TREE/SHRUB CARE PROGRAM (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
February:	Spring granular fertilization and insect/disease control as needed
March/April:	Insect/disease control/fertilization as needed
May/June:	Insect/disease control/fertilization as needed
July/August:	Minor nutrient blend with insect/disease control
October:	Fall granular fertilization and insect/disease control as needed
December:	Insect/disease control/fertilization as needed

B. Application Requirements

- 1. Fertilization
 - a. Contractor will submit a schedule of materials to be used under this program along with application rates. Fertilizers selected must be appropriate for the plant material to be fertilized such as an acid forming fertilizer for Azaleas which require a lower soil pH.

- b. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a minimum of 30% slow release Nitrogen and a high Potassium blend in the fall fertilization to promote root development unless soil sample results indicate the presence of sufficient Potassium.
- c. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of plant material are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- d. This program covers all fertility requirements on all existing shrubs and palms, as well as all newly installed shrubs, trees, and palms up to 35'. All native trees or transplanted trees over 35' in overall height will require special consideration and are therefore excluded from this program.
- e. There will be a deep root feeding on an as needed basis to establish newly planted trees.
- f. Fertilizer will be distributed evenly under the drip zone of each plant. Special care will be taken not to "clump" fertilizer neither at the base nor in the crown of plants.
- g. The irrigation system will be fully operational prior to any fertilizer application.
- h. Soils shall be tested at a reliable testing facility once per year to monitor for pH, Nematodes, Take All Root Rot and chemical make up. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the Tree / Shrub care program based on these results.

2. Insect/Disease Control

- a. Insect and disease control is intended to mean a thorough inspection of all plantings for the presence of insect or disease activity and the appropriate treatment applied. All insect and disease infestations require follow-up applications for control and are included in this program.
- b. Contractor is responsible for the continuous monitoring for the presence of damaging insects or disease. Any problems noted between regularly scheduled visits will be treated as a service call and responded to within 48 hours. Service calls due to active infestations are included in this program.
- c. This program covers all disease and Insect activity on all existing shrubs and palms, as well as all newly installed shrubs, trees, and palms up to 35'. All native trees or transplanted trees over 35' in overall height will require special consideration and are therefore excluded from this program.
- d. Terrapin Scale has proven to be a difficult pest to control through the use of foliar sprays or drenches. Should an infestation develop that is not able to be controlled through the aforementioned methods, the contractor may be required to utilize Maujet injections or other similar methods to deploy appropriate insecticides.
- e. Contractor will be required to apply all pesticides in accordance with labeled directions including the use of any Personal Protective Equipment.
- f. Contractor will provide a copy of the license for the Certified Operator in charge of chemical applications for this property.

3. Specialty Palms

- a. Considering the investment in Specialty Palms such as Phoenix varieties (i.e. Dactylifera, Sylvester, Senegal, Canary Island Date, etc.), contractor will include in

their proposed Tree/Shrub program, a comprehensive quarterly fertilization and root/bud drench for potential disease and infestation along with OTC injections three (3) times per year.

- b. When applicable, the contractor will monitor site tubes that have been installed to monitor ground water build up around the root ball of specimen palms to de-water them as necessary.

4. Warranty

If a plant or tree dies from insect or disease damage while under this Tree/Shrub Care Program, it will be replaced with one that is reasonably available. Exclusions to this warranty would be Acts of God, along with pre-existing conditions, i.e. soil contamination or poor drainage, nematodes, borers, locusts and insects such as Asian Cycad Scale. Also excluded are diseases such as Verticillium and Fusarium Wilt, TPDD, Lethal Bronzing, Entomosporium Leaf Spot Fungus and Downey Mildew that are untreatable with currently available chemicals. In the event these conditions exist, the contractor is responsible to promptly report any detection to the CDD representative.

SCHEDULE "D" – SPECIAL SERVICES (If included, see Exhibit 2 Fee Summary)

Note: All Special Services work is to be performed by supplemental crews

A. Bedding Plants

The nature and purpose of "Flower Beds" is to draw attention to the display. The highest level of attention should be placed on their on-going care.

1. Schedule

- a. All flower beds on the property will be changed four (4) times per year during the months of January, April, July and October.
- b. Contractor recognizes that flower beds are intended to highlight and beautify high profile areas and should be selected for color, profusion and display.
- c. All newly planted beds will have a minimum of 50% of the plants in bloom at the time of installation and they shall be 4 ½" individual pots.
- d. Contractor will obtain prior approval of plant selection from owner or owner's representative before installation.

2. Installation

- a. Plants are to be installed utilizing a triangular spacing of 9" O.C. between plants.
- b. Annually, prior to the Spring change out, existing soil will be removed to a depth of 6" in all annual beds and replaced with clean growing medium composed of 60% peat and 40% fine aged Pine Bark.
- c. All beds will be cleaned and hand or machine cultivated to a depth of 6" prior to the installation of new plants.
- d. Create a 2" trench where the edge of the bed is adjacent to turf or hardscape.
- e. A granular time-release fertilizer and a granular systemic fungicide will be incorporated into the bedding soil at the time of installation.
- f. All beds should be covered with 1" layer of Pine Fines after planting.
- g. Follow-up applications of fertilizer, fungicide and insecticide are provided as needed.

- h. Flowers that require replacement due to over-irrigation or under-irrigation will be replaced immediately by contractor without charge to the owner.

3. Maintenance

- a. Flower beds will be reviewed daily or at each service visit for the following:
 - Removal of all litter and debris.
 - Beds are to remain weed – free at all times.
 - All declining blooms are to be removed immediately.
 - Inspect for the presence of insect or disease activity and treat immediately.
- b. Seed heads are to be removed from Coleus plants as soon as they appear. “Pinching” of Coleus plants weekly is to be a part of the on-going maintenance as well. Frequent “pinching” will result in healthier, more compact plants.
- c. Prolific bloomers such as Salvia require that 10% to 20% of healthy blooms are to be removed weekly.
- d. Pre-emergent herbicides are not to be used in flower beds.
- e. Contractor guarantees the survivability and performance of all flower beds for a period of 90 days. Any plant that fails to perform during this period will be immediately replaced at the contractor's expense.

4. Warranty

Any bedding plant that dies due to insect damage or disease will be replaced under warranty. Exclusions to this warranty would be freeze, theft, or vandalism.

B. Bed Dressing

1. Schedule

- a. Bed dressing will be replenished in all planted and unplanted areas according to the month indicated on the Exhibit 2 Fee Summary.
- b. Installation will be completed within a three week time period.

2. Installation

- a. Prior to application, areas will be prepared by removing all foreign debris and accumulated mulch material and establishing a defined, uniform edge to all bed and tree rings as well as a 1” to 2” deep trench along all hardscape surfaces to include equipment pads, in order to hold the mulch in place.
- b. Bed dressing should be installed in weed free beds that have been properly edged and prepared.
- c. Bed Dressing should be installed to maintain a 2” thickness in all bed areas, including tree rings in lawn areas and maintenance strips unless otherwise directed by the Owner or Owner's representative.
- d. A summary of shipping tickets or invoices for products or subcontract services will be submitted prior to requesting payment for this work.

C. Palm Trimming

- 1. Specimen Date Palms such as Phoenix varieties (i.e. Dactylifera, Sylvester, Canary Island Date, etc.) in excess of 12' CT will be trimmed two times per year in June and

December. Trim specimen palms so that the lowest remaining fronds are parallel to the ground. All vegetation will be removed from their trunk and nut and loose or excessive boots will be removed and/or cross cut during this process. After trimming, the lowest fronds should be left parallel to the ground.

2. All palms less than 12' CT will be trimmed as needed by the detail crew during the regular detail rotation as outlined in General Services.
3. Washingtonia palms in excess of 12' CT will be trimmed two times per year in the months of February/March and July/August.
4. All palms other than Washingtonia, in excess 12' CT will be trimmed once per year in the months of July/August.
5. Trimming shall include removal of all dead fronds, loose boots and seed stalks.
6. Trim Sabal, Washington, Chinese, Fan and Ribbon Palms so that the lowest remaining fronds are left at a ten and two o'clock profile. "Hurricane" cuts are only to be done at the direction of management.
7. When trimming, cut the frond close to the trunk without leaving "stubs".
8. Contractor shall sterilize pruning tools or saws between trees to prevent the spreading of Fusarium Wilt and other palm diseases.

SCHEDULE "E" – IRRIGATION MAINTENANCE (If included, see Exhibit 2 Fee Summary)

The Contractor shall inspect and test the irrigation system components a minimum of one (1) time per month. This shall include all the existing irrigation systems. The irrigation system summary table of controllers, zones and clocks are provided to Contractor herein. All routine repairs shall be included as part of the contracted amount; system integrity repairs that are related to the infrastructural integrity of the irrigation system shall be borne by the District.

A. Frequency of Service

1. Contractor will perform the following itemized services under "Specifications" on a monthly basis.
 - a. The irrigation inspection will be performed during the same week(s) each month.

B. Specifications

1. Activate each zone of the system.
2. Visually check for any damaged heads or heads needing repair.
3. Clean, straighten or adjust any heads not functioning properly.
4. Straighten, re-attach to bracing and touch up paint on riser heads as needed.
5. Report any valve or valve box that may be damaged in any way.
6. Leave areas in which repairs or adjustments are made free of debris.
7. Adjust controller to the watering needs as dictated by weather conditions and seasonal requirements and Water Management District restrictions including adjusting of rain sensor.
8. Contractor will provide a written report of the findings by zone.

C. Qualifying Statements

1. Repairs

- a. Locating and repairing or replacing automatic valves or control wires and irrigation controller or large scale repairs are to be considered additional items.
 - b. Contractor shall assume; however at no additional cost to the District, responsibility for any and all maintenance deficiencies, including parts and labor associated with the irrigation system to include sprinkler heads, nozzles, drip, main and delivery lines and any associated fittings.
2. Contractor will pay special attention during irrigation maintenance inspections (IMC) to ensure that sprinkler heads are positioned so that water does not spray directly onto buildings, windows or parking areas.
 - a. Contractor will be held responsible for any accident that arises from the over spray of water on hard surfaces if it is determined that the contractor was negligent in performing monthly irrigation maintenance.
 3. Damage resulting from contractor's crews working on the property (i.e., mower and edger cuts) will be repaired at no charge to the owner within 24 hours of being detected.
 4. Contractor shall not be held responsible for any system failure caused by lightning, construction work, pre-existing conditions, freeze or other acts of God.
 5. Contractor shall not be held responsible for damage to the landscape caused by mandatory water restrictions placed on the property by the governing water management district.
 6. Contractor will visually inspect irrigation system weekly while performing routine maintenance.
 7. Contractor will provide a 24 hour "Emergency" number for irrigation repairs.

Proposal
For
Landscape & Irrigation Maintenance

November 2022

November 17, 2022

Town Of Kindred Community Development District 2
c/o Rizzetta & Company

RE: Landscape Maintenance & Irrigation Proposal

Dear Richard,

Thank you for considering United Land Services as your landscape maintenance service provider. We sincerely appreciate every opportunity presented to build a lasting relationship with our clients. Our proposal has been uniquely crafted to address your community's specific needs and expectations. We call this your *Community Road Map*™ because it was designed to illustrate the steps to take your community from its current state to one your residents will be proud of for years to come.

Included in your *Community Road Map*™ you will find the following sections:

- **Company History:** Information about our company's experience, capabilities and core values.
- **Development Strategy:** Our transition plan includes the actions we will take in the first 30/60/90 days of service to improve both your specific areas of concern and items we have noted during our inspection that will provide an immediate impact to the appearance of the property.
- **Scope of Services Summary:** This section outlines our scope of services, derived from industry established Best Management Practices and our years of experience in the field.
- **Agreement & Investment:** Our service agreement and pricing for the services we'll provide to your property.

If you have any questions after reviewing our proposal, please do not hesitate to contact me at any time. I am always available to provide solutions and discuss any aspect of property's needs directly.

Sincerely,

Jena Rodgers

Regional Sales Director
United Land Services

Our History

How It All Started

The Company was founded by Bob Blandford in 2001 as United Landscapes, a name that has come to be synonymous with best-in-class landscape design, installation and maintenance services across the Jacksonville and St. Johns County area. Today, the Company has over 400 employees working daily with hundreds of commercial customers throughout Florida. Each location is capable of independently managing and enhancing a variety of complex landscape projects.

Services Offered & Approach

At United Land Services, we meet the highly specific needs of our clients by offering a comprehensive selection of services — from the design to the installation to the ongoing maintenance. Our landscape service divisions are equipped to handle a wide variety of properties, including masterplan communities, condominiums, golf clubs, office complexes, retail establishments and resorts. We perform these services with your distinct needs at the forefront of everything we do. We are local owners and operators committed to delivering excellent service at the highest levels of quality and craftsmanship.

United Land Services takes a proactive approach when it comes to the landscape. We become trusted partners for all your landscape needs while providing quality landscapes in line with University of Florida Best Management Practices.

Products & Services

We Are Your All-Inclusive Service Provider

Landscape Maintenance

Our crews will arrive on schedule, work on your property conscientiously and respectfully, and always leave your landscape looking beautiful and tidy.

Outdoor Lighting

Landscape lighting can increase your property's safety, make it easier to navigate, and allow clients, residents, and guests to enjoy it late into the evening.

Commercial Installation

We provide large scale Commercial Landscape and Irrigation Installation at the highest level. From initial design through value engineering and buildout.

Sod Installation

United takes your lawns from withering to wonderful. We offer expert sod-laying and seeding services as well as over-seeding to thicken up your turf.

Landscape Design

The design and planning phase is critical to a successful project. Our design team offers complete landscape architecture services that ensure a seamless process and a beautiful final product.

Irrigation Systems

Enjoy lush lawns, healthy trees and gardens for the entire growing season, without having to lift a finger.

Hardscapes

Our crews will arrive on schedule, work on your property conscientiously and respectfully, and always leave your landscape looking beautiful and tidy.

Driveways & Entranceways

Welcome clients, customers, residents and guests to your property with a well-kept and attractive entrance.

Irrigation Experts

Your Team of Certified & Licensed Specialists

Installation, Maintenance & Repairs

- **Installation** - At United Land Services, our irrigation experts are certified and licensed to install the most sophisticated, water wise irrigation systems. Our team has had over 25 years of installing systems across the Southeast.
- **Maintenance** - Monthly irrigation inspections and adjustments keep your system performing effectively and efficiently. United Land Services conducts routine wet checks with monthly reports to ensure proper coverage is being maintained to protect your investment.
- **Improvements** - Whether you have an old or new irrigation system, you can trust United Land Services to conduct a full audit and clearly communicate any deficiencies found to be repaired. Our team is ready to serve you.

Agronomics Program

Certified Pest Control Operators

Fertilization, Pest Control & Agronomy Management

- **Fertilization** - We understand the importance of curb appeal. We also understand that investing in the correct agronomics plan is an investment in your community. United Land Services takes pride in operating the fertilization and pest control throughout the Southeast
- **Pest Control** - United Land Services has developed a reputation for creating and maintaining thriving landscape environments for the Southeast's most demanding clients.
- **Agronomy Management** - We have a catered approach to all of our property's because not one size fits all. Our certified pest control specialists will customize an integrated plan to keep your community flourishing.

Development Strategy

Narrative Approach to Scope of Services – Town of Kindred

General Requirements

- ULS is prepared to acquire any and all necessary equipment if not already owned to fulfill the contract requirements.
- An Account Manager will be assigned to the account who will serve as the main point of contact for the District / Owner.
- Field employees will be dressed in ULS branded uniforms at all times. Field crew members are required to wear dark green uniform shirts and ULS branded hi-viz yellow safety vests along with work style boots.
- All ULS vehicles will be clearly marked with our logo.
- A code of conduct and employee handbook outlining policies is provided to employees at the time of hire. Employees are required to review the handbook and sign an acknowledgement form stating they agree to it's content.
- PPE is provided to employees, and required for use at all times. Safety protocols are at the direction of our Fleet & Safety Manager and implemented by our Branch, Account and Production Managers.
- Subcontractors & Consultants may be utilized for select services such as mulch installation, flower installation, palm pruning and agronomics. Those subcontractors will be expected to act as a representative of ULS at all times and adhere to contract requirements.

Reporting

- ULS agrees and is open to regular meetings onsite to review necessary items.
- A designated Account Manager will be assigned to the project to handle such coordination.
- Best efforts will be made to return calls and emails within a timely manner.
- All reports provided in RFP will be used along side ULS reporting

Operations & Maintenance

Schedule Of Services

- Staffing will be adequate to perform the tasks outlined in the Scope of Work for 52 visits
- Pricing includes a full time Irrigation Technician
- The property will be broken into sections
 - Mowing is to be completed in a weekly day schedule
 - The property will be broken into 4 equal sections to complete the detail on a monthly basis.
 - Maps outlining these areas will be provided to the crew and property management.

Turf Care

Mowing

United Land Services intends to approach the mowing of the current areas in this manner.

- Mowing frequencies will be completed per the Scope of Services, for a total of approximately 42 cuts for St. Augustine and 36 cuts for Bahia.
- Production maps will be provided to the crew outlining the areas to be mowed per the contract documents.

- The crew will be instructed on what size and type of mower to use based on site conditions and turf type. (72", 60" and 36")
- The proper sequence of mowing operations will be outlined prior to job start.
- Care will be taken when mowing on right of ways and roadways to insure safety to crew members and the general public.

Edging & Trimming

- ULS will edge all hard areas weekly and soft beds on an every other cut sequence.
- MOT precautions will be taken when required.
- Trimming / weedeating will be performed per specifications.

Weed & Disease Control

- ULS will make applications based on site conditions and Best Management Practices.

Fertilization

- Fertilization blends shall be determined based on-site conditions and turf needs
- Soil samples will be taken to ensure the proper fertilization formulas are used.
- ULS will make application decisions based on Best Management Practices.
- Fertilization as directed by Scope of Services on Zoysia, St. Augustine and Bahia

Pest Control

- As part of ULS Agronomic program, will utilize an IPM approach and Best Management Practices to determine application requirements.
- Constant monitoring of turf is vital to insure desired results. ULS staff is trained to identify areas of concern and coordinate treatment as needed.

Shrub / Cord Grass & Groundcover Care

Pruning

- Crews will be provided a sectional detail map outlining the property boundaries. This map will evenly divide the property into four sections, each to be completed on a weekly basis.
- Crews will be directed to prune plants using Best Practices, specific to each plant type.
- Care will be taken not to remove buds or blooms on plants while flowering.
- All clippings will be removed after service.

Fertilization

- Fertilization blends shall be determined based on-site conditions and shrub needs.
- Blends will contain a complete bend of nutrients designed for ornamental shrubs.
- ULS will make application decisions based on Best Management Practices.
- Fertilization will follow scope of services

Pest & Disease Control

- As part of ULS Agronomic program, will utilize an IPM approach and Best Management Practices to determine application requirements.
- Constant monitoring of shrubs and ornamentals is vital to insure desired results. ULS staff is trained to identify areas of concern and coordinate treatment as needed.

Tree Trimming

- Oaks will be maintained to a height of 8' over pedestrian walkways and 15' over roadways.
- Fertilization will be done in conjunction with the ornamental shrub application.

Litter and Debris Removal

- Litter and Debris to be removed prior to mowing.
- All debris generated by maintenance services to be removed by ULS.

Weeding

- ULS will utilize chemical applications to maintain clean, and relatively weed free beds and mulched areas.
- ULS will follow all State & Federal requirements to make such applications. MSDS sheets will be made available.
- Best efforts will be made to keep areas with no mulch or groundcover present free from weeds, but no such guarantee can be made. Mulch and or dense groundcover is vital to weed free planting areas.

Irrigation

- Inspections will be completed on a monthly basis and an inspection sheet provided to the Owner thereafter.
- An initial audit report will be completed within the first 30 days to assess damages and deficiencies and reports will be presented to the Board of Supervisors/ District Manager
- ULS understands that all unreported maintenance deficiencies, parts and labor after the 30 day period will be assumed by the contractor.

Response Time

- ULS will provide a dedicated Account Manager that will serve as the main point of contact for the Owner.
- ULS will make best efforts to strictly adhere to all response time expectations.

ULS operations team will conduct all audits of the community with reports, pictures and detailed explanations in the first 30 days to the district manager and Board of Supervisors.

Phased Development Strategy

Best Management Practices

This is a custom designed plan using Florida Best Management Practices to exceed your desired look for this property. We have outlined the initial tasks that our Landscape Maintenance teams will perform as we begin our partnership regarding this property.

We have broken the tasks down into distinct phases to cover the first 90 days of this transition. This will provide an easy way to monitor and measure our progress as we formulate our joint strategy for the best results.

Premier Landscape Platform

A Reputation of Excellence

Full-Suite of Services

Experienced Management Team

Relationship-Oriented Service

Phased Development Strategy

Plan of Action

Phase I (Days 1-30)

- Meet with Property Manager and Board Committee Members to review our Three Phase Plan and Scope of Work.
- Complete an Irrigation Evaluation of system and report deficiencies and needed corrective actions.
- Establish consistent schedule for mowing, detailing and agronomics and implement accordingly.
- Perform first turf fertilizer application if possible (Blackout Period).
- Identify any areas of concern and concentrate efforts for immediate improvement. (Entrance features, weeding beds, sidewalk edging)
- Spot treat weeds in turf areas where needed.
- Formulate options for turf areas needing restoration.
- Implement weed control program in planting beds.
- Fertilize weak shrubs throughout the property.
- Start insect and disease program on all plant material.
- Evaluate the health of ailing plant material and propose improvement plan.
- Discuss any site-specific enhancement ideas.
- Perform monthly walk with Property Manager and Community Members.

Phased Development Strategy

Plan of Action

Phase 2 & 3 (Days 31-90)

- Examine Phase I results and modify “Plan of Action” if necessary.
- Carry on with Irrigation Inspections and Improvements.
- Carry on with Scheduled Maintenance plan i.e., mowing, blowing, and edging.
- Evaluate need for second turf fertilization dependent on condition and time of year (Blackout period).
- Carry on with weed control applications in both turf and plant beds.
- Evaluate insect and disease program and make necessary adjustments.
- Implement approved site-specific enhancements.
- Perform monthly walk through with Property Manager and continue to identify areas of opportunity or concern.

Reporting

Closing the Communication Gap

Alignment, Execution & Building Partnerships

Communication is key to any strong partnership. In an effort to stay connected internally with our team and externally with our partners, our team utilizes Site Audit Pro. The program allows us to send visual communication through pictures along with a detailed explanation of the issue. Site Audit Pro is key in ensuring everyone is on the same page in helping to form the best possible solution.

Closing the Communication Gap

Alignment, Execution & Building Partnerships

United Land Services Work Order System Powered by:

The image displays three screenshots of the Issuetrak software interface, illustrating its capabilities for issue management and reporting.

Top Screenshot: Submit Issue

This view shows the process of submitting a new issue. It includes a navigation menu on the left with options like Home, Dashboard, Issue Hub, Search Issues, Unassigned Issues, Calendar, Knowledge Base, Projects, Reports, Scan PC, Issuetrak Website, Issuetrak What's New Page, Issuetrak Blog, Issuetrak Product Roadmap, and Help Center. The main area contains a 'Submit Issue' form with fields for Quick Pick (Question), Issue Date (04/18/2021), Time (1:12 PM), Issue Status (Open), and Caller Information (Name, Email, Phone, Address, etc.).

Middle Screenshot: System Overview

This view provides a high-level overview of the system's performance. It features two bar charts: 'System Overview' showing counts for categories like Assigned Issue, First Response Pending, and Issue Closed; and 'Open Issues by Assignee' showing counts for assignees like Administrator Group, Human Resources Group, and User Agent.

Bottom Screenshot: Issue Hub

This view displays a list of issues. It includes a 'Welcome to Issuetrak!' message and a table of open issues. The table has columns for Issue #, Opened, Submitted By, Organization, Location, Assigned To, Next Action, Subject, Priority, Severity, Issue Type, Last Activity, and Status.

Issue #	Opened	Submitted By	Organization	Location	Assigned To	Next Action	Subject	Priority	Severity	Issue Type	Last Activity	Status
1	04/23/2021	Test User	Issuetrak	SO - Sales Office	Operators Group	Example Issue - Customer Complaint - Damaged Shipment	Medium	Se3	Customer Service - Complaint	04/23/2021	New

3	04/23/2021	User Agent	Issuetrak	SO - Sales Office	Human Resources Group	Example Issue - New Employee Kiosk Setup	Se3	Human Resources	04/23/2021	New		
4	04/23/2021	Admin	Issuetrak	HO - Home Office	Administrator Group	Example Issue - Upgrade all desktop and server browsers to Edge Chromium	Medium	Se3	Change Request	04/23/2021	Pending Approval	

Closing the Communication Gap

Alignment, Execution & Building Partnerships

Constant, open communication between the board members, landscape committee (if applicable) and your ULS team will help to ensure expectations are set and goals are met. We plan to accomplish this through:

- Clear understanding of milestones to improve the landscape quality.
- Constant communication with HOA Management, Board Members and Committees.
- Weekly progress updates throughout the initial transition.
- Property inspections with Management and Board Members at predetermined intervals.
(Sample report on pages below).

Our goal is to tailor this communication plan to meet your needs and the needs of the community.

**Certificates, Licenses
&
Insurance Certificate**

Request for Taxpayer Identification Number and Certification

Give Form to the
requester. Do not
send to the IRS.

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

Print or type.
See Specific instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank. Florida ULS Operating, LLC	
2 Business name/disregarded entity name, if different from above United Landscapes	
3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor or single-member LLC <input type="checkbox"/> C Corporation <input type="checkbox"/> S Corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input checked="" type="checkbox"/> Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ <u>C</u> Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. <input type="checkbox"/> Other (see instructions) ▶	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from FATCA reporting code (if any) _____ <i>(Applies to accounts maintained outside the U.S.)</i>
5 Address (number, street, and apt. or suite no.) See instructions. 12276 San Jose Blvd., Suite 747	Requester's name and address (optional)
6 City, state, and ZIP code Jacksonville, FL 32223	
7 List account number(s) here (optional)	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number	
[] [] [] - [] [] - [] [] [] []	
or	
Employer identification number	
8 5 - 2 4 9 7 9 2 5	

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here	Signature of U.S. person ▶	Date ▶ <u>9/30/21</u>
------------------	----------------------------	-----------------------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

CERTIFICATE OF LIABILITY INSURANCE

5. Project Name/Location: Sullivan Ranch

Contact: Kristi Chatburn Contact Phone: 352-729-4802

Project Type/Description: Full service HOA

Dollar Amount of Contract: 356,647

Your Company's Detailed Scope of Services for Project: _____

Core maintenance, agronomics and irrigation for common areas and 1000 single family homes.

Duration of Contract: START DATE: 2022 END DATE: Current

3. Understanding Scope of RFP (10 Points Possible) (____ Points Awarded)

Does the proposal demonstrate an understanding of the District's needs for the services requested? Does it provide all information as requested by the District including product specifications, pricing, scheduling, staffing, qualifications, etc.? Have all documents been completed as directed and information requested been provided? Does it demonstrate clearly the ability to perform these services?

4. Financial Capacity (5 Points Possible) (____ Points Awarded)

Demonstration of financial resources and stability as a business entity necessary to implement and execute the services required as discussed in Landscape and Irrigation Maintenance Agreement. At a minimum, Proposer must include proof of ability to provide insurance coverage as required by the District as well as "Compiled" Financial Statements current to within twelve (12) months.

5. Price (35 Points Possible) (____ Points Awarded)

A full thirty-five (35) points will be awarded to the Proposer submitting the lowest bid for Parts 1 - 4 (the Contract Amount). AN AVERAGE OF ALL THREE YEARS PRICING IS TO BE CONSIDERED WHEN AWARDING POINTS FOR PRICING - THE INITIAL TERM AND THE FIRST AND SECOND ANNUAL RENEWALS. All other proposers will receive a percentage of this amount based upon a formula which divides the low bid by the proposer's bid and is then multiplied by the number of points possible in this part of the Price evaluation. *

* Contractor "A" turns in a bid of \$210,000 and is deemed to be low bid and will receive the full 35 points. Contractor "B" turns in a bid of \$265,000. Bid "A" is divided by Bid "B" then multiplied by the number of points possible (35). $(210,000/265,000) \times 35 = 27.74$. Therefore, Contractor "B" will receive 27.74 of 35 possible points. Contractor "C" turns in a bid of \$425,000. Bid "A" is divided by Bid "C" then multiplied by the number of points possible (35). $(210,000/425,000) \times 35 = 17.29$. Therefore, Contractor "C" will receive 17.29 of 35 points.

6. Reasonableness of ALL Numbers (15 Points Possible) (____ Points Awarded)

Up to fifteen (15) points will be awarded as to the reasonableness of ALL numbers, quantities & costs (including, but not limited to fertilizer quantities, based on Contractor's field measurements) provided in Parts 1,2,3,4, 5 & 6.

Proposer's Total Score (100 Points Possible) (____ Points Awarded)

END

Once proposals are received for the District, the District's Board of Supervisors will review each submittal related to the District and score each proposal based on the evaluation criteria, information provided in response to reference checks and any other information available to the District and permitted to be used under law. The District's award will be based on the proposal that is most advantageous to the District.

The District also reserves the right to seek clarification from prospective firms on any issue in a response for the District, invite specific firms for site visits or oral presentations, or take any action it feels necessary to properly evaluate the submissions and construct a solution in the District's best interest. Failure to submit the requested information or required documentation may result in the lessening of the proposal score or the disqualification of the proposal response.

Do not attempt to contact any District Board member, staff member or any person other than the appointed staff for questions relating to this RFP. Anyone attempting to lobby District representatives will be disqualified.

It is anticipated that the District's Board of Supervisors will meet to evaluate District proposals on December 8th , 2022, 10:30 a.m., but the District reserves the right to reschedule any such meeting.

AFFIDAVIT OF ACKNOWLEDGMENTS

STATE OF Florida
COUNTY OF Orlando

Before me, the undersigned authority appeared the affiant, John Borland, and having taken an oath, affiant, based on personal knowledge, deposes and states:

1. I am over eighteen (18) years of age and competent to testify as to the matters contained herein. I serve in the capacity of Branch Manager for United Land Services (“Proposer”), and am authorized to make this Affidavit of Acknowledgments on behalf of Proposer.

2. I assisted with the preparation of, and have reviewed; the Proposer’s proposal (“Proposal”) provided in response to the TOWN OF KINDRED Community Development District 2 proposal for landscape and irrigation maintenance services. All of the information provided therein is full and complete, and truthful and accurate. I understand that intentional inclusion of false, deceptive or fraudulent statements, or the intentional failure to include full and complete answers, may constitute fraud; and, that the District may consider such action on the part of the Proposer to constitute good cause for rejection of the proposal.

3. I do hereby certify that the Proposer has not, either directly or indirectly, participated in collusion or proposal rigging.

4. The Proposer agrees through submission of the Proposal to honor all pricing information one hundred and twenty (120) days from the opening of the proposals, and if awarded the contract on the basis of this Proposal to enter into and execute the contract in the form included in the Project Manual within fourteen (14) days after receiving a notice of award or in a timeframe as may be extended by the District.

5. The Proposer acknowledges the receipt of the complete Project Manual as provided by the District and as described in the Project Manual’s Table of Contents, as well as the receipt of the following Addendum No.’s: Addendum 1 (10/31, 11/4, 11/14) Addendum 2 (11/16)

6. By signing below, and by not filing a protest within the seventy-two (72) hour period after the Proposal Pick-Up Time, the Proposer acknowledges that (i) the Proposer has read, understood, and accepted the Project Manual; (ii) the Proposer has had an opportunity to consult with legal counsel regarding the Project Manual; (iii) the Proposer has agreed to the terms of the Project Manual; and (iv) the Proposer has waived any right to challenge any matter relating to the Project Manual, including but not limited to any protest relating to the proposal notice, proposal instructions, the proposal forms, the contract form, the scope of work, the map, the specifications, the evaluation criteria, the evaluation process established in the Project Manual, or any other issues or items relating to the Project Manual.

7. The Proposer authorizes and requests any person, firm or corporation to furnish any pertinent information requested by the TOWN OF KINDRED Community Development District 2, or its authorized agents, deemed necessary to verify the statements made in the Proposal, or regarding the ability, standing, integrity, quality of performance, efficiency, and general reputation of the Proposer.

Under penalties of perjury under the laws of the State of Florida, I declare that I have read the foregoing Affidavit of Acknowledgments and that the foregoing is true and correct.

**Addendum No. 1 to the
Town of Kindred Community Development District II
Request for Proposals for Landscape and Irrigation Maintenance Services
Osceola County, Florida**

TO: Prospective Bidders
CC: Mark Yahn & Pete Soety [LANDSCAPE CONSULTANT]
Michelle Rigoni, District Counsel
FROM: **Richard Hernandez**, District Manager
DATE: November 11, 2022

This **Addendum No. 1** pertains to the Town of Kindred Community Development District II (“District”) Project Manual for Landscape and Irrigation Maintenance Services originally issued October 19th, 2022 (“RFP”). Following [

1. Per our last conversation regarding the detail weekly cycles, it was stated that the scope would remain at the current specified scope of 3-section detail rotation, once every 3 weeks totaling 17 details/prunings per year, but on the RFP scope section **B.**, it states a 4-section detail rotation, once every 4 weeks totaling 12 details/prunings per year. Please clarify, thank you.
 - **Answer:** Bid the scope which is every four weeks and 13 times per year.
2. “On Red Canyon Dr. , is the turf maintained from the sidewalk to the road, or is the town home vendor taking care of that area?”
 - **Answer:** For question 2, anything between sidewalk and curb along Red Canyon should be CDD responsibility.

Any Proposer wishing to protest any or all of the matters contained or addressed in this addendum shall file a notice of protest with the District Manager, Rizzetta & Company, 3434 Colwell Avenue, Unit 200, Tampa, Florida 33614 Attention: Richard Hernandez, in writing within seventy-two (72) hours (excluding Saturdays, Sundays, and state holidays) after receipt of this addendum. A formal written protest adequately detailing with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days after the notice of protest is filed. Failure to timely file a written notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to this addendum. All notices and protests must be in accordance with the District’s Rules of Procedures.

This **Addendum No. 2** pertains to the Town of Kindred Community Development District II (“District”) Project Manual for Landscape and Irrigation Maintenance Services originally issued October 19th, 2022 (“RFP”). Following [

1. The RFP Section 3 for “Evaluation Criteria” has forms to be filled out that have the same information requested in Section 5 for “Proposal Forms”. Are we required to fill out the forms in Section 3 and Section 5 or will it be acceptable to include that information from Section 5 only?
- **Section 5 only**
2. What are the maintenance requirements for the volley ball courts?
- **Volleyball court should be kept weed and debris free.**
3. Are we responsible for maintenance of vacant lots?
- **You are only responsible for the maintenance of lots owned by the CDD. Pre-built Residential lots are not included.**
4. At the pre-bid meeting there was discussion about a separate RFP for the dog stations and trash cans for each phase (I and II). Will you be providing the total number of dog stations & trash cans and are you still interested in getting a separate proposal for those services?
- **28 trash cans 15 dog stations – yes please submit a separate proposal**

Any Proposer wishing to protest any or all of the matters contained or addressed in this addendum shall file a notice of protest with the District Manager, Rizzetta & Company, 3434 Colwell Avenue, Unit 200, Tampa, Florida 33614 Attention: Richard Hernandez, in writing within seventy-two (72) hours (excluding Saturdays, Sundays, and state holidays) after receipt of this addendum. 14. Has the Proposer or any of its affiliates ever been either disqualified or denied prequalification status by a governmental entity? Yes () No (X) If so, discuss the circumstances surrounding such denial or disqualification as well as the date thereof. N/A

15. List five (5) current clients including contact persons and telephone numbers as well as their contract value and length of service:

1. Tohoqua CDD	Alan Sherer	407-398-2890	328,000	2020-Current
2. Harmony West	Bill Fife	407-784-8327	200,000	2022- Current
3. Heathrow Master	Deanna Simms	407-333-0884	540,000	2019- Current
4. Sullivan Ranch	Kristi Chatburn	352-729-4802	354,000	2022 - Current
5. Alaquia POA	Leigh Quinn	407-788-6700	195,000	2020- Current

16. List three (3) jobs (including company, contact person, and telephone number) lost in the previous twelve (12) months and the reason(s) why:

The Prime - Greystar Mandy Arenas 407-684-2476 - Management Company Change
Heathrow Woods Sentry Julian Becton 407-333-0884 HOA chose lower price
Forest Lake Loyd Jones Robin Willard (386) 675-0922 Management Company Change

17. Attach current financial statements, prepared within the last one hundred eighty (180) days, showing current financial resources, liabilities, capital equipment and historical financial performance for the past one year.

Please see attached info under Financial Documents

18. Attach any certifications or documentation regarding educational experience of key personnel that would assist the District(s) in evaluating the quality and experience of such personnel. Please see attached info under Financial Documents

19. Key Personnel: Describe any experience of the principal individuals (Foremen, Superintendents, etc.) who are responsible for the actual landscape & irrigation maintenance work of your organization and who will be assigned to this contract if awarded to contractor.

SWORN STATEMENT UNDER SECTION 287.133(3) (a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to TOWN OF KINDRED Community Development District 2.
2. This sworn statement is submitted by Florida ULS Operating DBA United Land Services
(Print Name of Entity Submitting Sworn Statement)
whose business address is 6386 Beth Road Orlando, Florida 32824
and (if applicable) its Federal Employer Identification Number (FEIN) is 85-2497925
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:)
3. My name is John Borland and my relationship to the entity named above is Senior Branch Manager.
4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
 - A) A predecessor or successor of a person convicted of a public entity crime; or,
 - B) An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person

controls another person. A person who knowingly enters into a joint venture with a

person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
8. Based on information and belief, the statement, which I have marked below, is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity, have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge did not place the person or affiliate on the convicted vendor list. (Please attach a copy of the final order.)

The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

Scope of Services Summary

EXHIBIT "A"
EXTERIOR LANDSCAPE MAINTENANCE
AND
IRRIGATION SERVICES
SCOPE AND/OR SPECIFICATIONS

EXHIBIT 1 TOWN OF KINDRED CDD SCOPE OF WORK

The work for the exterior landscape maintenance is to include the furnishing of all labor, materials, equipment, accessories and services necessary or incidental to sustain all turf and plant materials in a healthy, vigorous growing condition, free from weeds, diseases, insects, and nutritional deficiencies as well as a completely operational irrigation system. All associated planted areas are to be kept in a continuous healthy, neat, clean and debris free condition for the entire life of the contract. The contractor will be expected to provide service for the property fifty two (52) weeks per year.

SCHEDULE "A" – GENERAL SERVICES

A. Turf Maintenance

Turf maintenance is defined as all mowing, edging, trimming and cleanup of lawn areas. Turf maintenance operations are to be completed the same day they are begun. High traffic and high profile areas such as front doors and amenity areas will be completely mowed, edged, trimmed and cleaned up prior to normal business hours of operation. In the event it becomes necessary to make a change in the mowing schedule for any reason, the owner or owner's representative must be notified prior to adjustment of schedule. Mowing during inclement weather will not alleviate the contractor of responsibility for damage caused by the mowing of wet areas.

1. Mowing

- a. Prior to mowing, remove and dispose of normal litter and debris from all landscape areas.
- b. Turf shall be mowed weekly during the growing season from March 1st through November 1st and bi-weekly during the non-growing season from November 1st through March 1st. Based on this schedule, it is estimated that the contractor will perform a minimum of 41 and a maximum of 45 mowing cycles per 12-month period in the performance of this contract.
- c. Turf shall be cut with rotary mowers to maintain a uniform height. Mowing blades shall be kept sufficiently sharp and properly adjusted to provide a cleanly cut grass blade. Mowing pattern shall be varied where feasible to prevent rutting and minimize compaction.
- d. Mowing height for St. Augustine and Bahia turf will be set at 3½" to 4". At no time will mowing height be reduced so that more than 1/3 of the grass blade is removed at any cutting.
- e. Visible clippings that may be left following mowing operations shall be removed from the turf each visit. Discharging grass clippings into beds, tree rings or maintenance strips is unacceptable and any visible clippings discharged into these areas shall be removed prior to the end of each service day.
- f. Contractor will take special care to prevent damage to plant material as a result of the mowing operations. Any damage caused by contractors mowing equipment may result in the replacement of damaged material at the contractor's cost. Determination as to replacement will be at the sole discretion of the owner or owner's representative. Replacement material will be similar size to the material being replaced.

2. Edging

Sidewalks, curbs, concrete slabs and other paved surfaces will be edged in conjunction with mowing operations. Edging is defined as removal of unwanted turf from the above mentioned borders by use of a mechanical edger. String trimmers will not be used for this function.

3. String Trimming

- a. String trimming shall be performed around road signs, guard posts, utility poles, and other obstacles where mowers cannot reach. Grass shall be trimmed to the same desired height as determined by the mowing operation. Trimming shall be completed with each mowing operation.
- b. Under no circumstance will it be an acceptable practice to string trim bed edges or small turf areas that may be cut utilizing a small walk behind mower.
- c. Maintaining grass-free areas by use of chemicals may be the preferred method in certain applications. Such use will only be done with prior approval of the owner or the owner's representative.
- d. Turf around the edge of all waterways shall be mowed or string trimmed to the natural water's edge during each mowing cycle.

4. Blowing

When using forced air machinery to clean curbs, sidewalks and other paved surfaces, care must be taken to prevent blowing grass clippings into beds, onto vehicles or onto other hardscape surfaces.

5. Damage Prevention/Repair

Special care shall be taken to protect building foundations, light poles, sign posts and other hardscape elements from mowing, edging or string trimming equipment damage. Contractor will agree to have repairs made by specialized contractors or reimburse the association or homeowners within 30 days for any damage to property caused by their crew members or equipment.

B. Detail

Detailing of planted areas will be performed weekly in a sectional method, each section representing one-fourth of the entire property. Based on four sections, the contractor will completely detail the entire property once every four weeks. The exception will be amenity or high profile areas. These are high traffic and focal areas and as such will be included in each detail section to provide weekly attention. The detailing process will include trimming, pruning and shaping of all shrubbery, ornamental trees and groundcover, removal of tree suckers, structural pruning or cutbacks of select varieties of plant material and ornamental grasses as directed, as well as the defining of bed lines, tree saucers and the removal of all unwanted vegetation.

1. Pruning

- a. Prune trees, shrubs and groundcovers to encourage healthy growth and create a natural appearance. Prune to control the new plant growth, maintain the desired plant shape and remove dead, damaged, or diseased portions of the plant. Provide remedial attention and repair to plant material as appropriate to season or in response to incidental damage.
- b. Only Contractor's staff that have been trained and demonstrate competency in proper pruning techniques shall perform pruning. Use only hand pruners or loppers on trees and shrubs, particularly groundcover Juniper varieties. Hand shears or Topiary shears will be the preferred method of trimming most formal shrubs. Only use power shears on formal hedges where previous practice was to shear, or as directed by owner or owner's representative.
- c. Prune trees to include the removal of sucker growth by hand at the base of and on the trunks of trees continuously throughout the year. Aesthetic pruning shall consist of the removal of dead and/or broken branches as often as necessary to have trees appear neat at all times. Branches will be pruned just outside the branch collar. Branches and

limbs shall be kept off signage structures, play structures, fences and walls as well as pruned to keep street lights and traffic signage from being blocked.

- Provide clearance for pedestrians, vehicles, mowers and buildings.
 - Maintain clearance from shrubs in bed areas.
 - Improve visibility in parking lots and around entries.
- d. Prune trees to remove weak branching patterns and provide corrective pruning for proper development. Cut back to branch collar without leaving stubs. Provide clean and flush cut with no tearing of the tree bark.
 - e. Prune all shrubbery in accordance with the architectural intent as it relates to adjacent plantings and intended function.
 - f. Prune to contain perimeter growth within intended bed areas. Established groundcover shall be maintained 4" to 6" away from adjacent hardscape and turf. Bevel or roll leading edges to avoid creating a harsh boxed look. Mature groundcover shall be maintained at a consistent, level height to provide a smooth and even appearance and separation from adjacent plant material.
 - g. Structural pruning will be required for several varieties of plants bi-annually, annually or semi-annually to maintain their scale and performance within the landscape. The methodology employed is to structurally prune one plant group throughout the entire property during the sectional detail rotation. Following this schedule, all structural pruning should be completed within a six week cycle each time it is performed. Ornamental Grasses are to be haystack cut two times per year during March/April and September/October.
 - h. Crape Myrtles are to be trimmed once per year in the winter months. Trimming should include removal of old blooms, sucker growth and any cross branching. Trimming should be done in such a way that cuts are no less than 12" away from previous year's cuts. "Hat Racking" will not be permitted unless directed otherwise by management.
 - i. Pruning of all palms less than 12' CT in height will be included in the sectional rotation. Pruning consists of removal of all dead fronds, seedpods and any loose boots.
2. Edging
- a. Edging is defined as removal of unwanted vegetation along beds and tree saucers. Edges are to be perpendicular to the ground.
 - b. Only mechanical edgers will be used for this function. Use of string trimmers or non selective herbicides will not be allowed.
 - c. Care will be taken to maintain bed edges as designed in either straight or curvilinear lines.
3. Weed Control
- a. Bed areas are to be left in a weed free condition after each detail service. While pre and post-emergent chemicals are acceptable means of control, weeds in bed areas larger than 3" shall be pulled by hand.
 - b. Hardscape cracks and expansion joints are to be sprayed in conjunction with the detail cycle to control weeds. Chemical practices shall not be a substitute for hand weeding where the latter is required for complete removal.

C. General

1. Policing

- a. Contractor will police the grounds daily or on each service visit to remove trash, debris and fallen tree litter less than 2" in diameter. Contractor is not responsible for removal of excessive storm debris which would be performed with prior approval at the labor rates specified in "Exhibit – 3 Extra Services Pricing Summary".
- b. Contractor will dedicate supplemental personnel and specialized equipment to the removal of seasonal leaf drop from all landscape and hardscape areas during the months of November through April.
- c. All litter shall be removed from the property and disposed of off site.

2. Communication

- a. Contractor will communicate with the owner or the owner's representative for any landscape issues requiring immediate attention.
- b. Communication is of the utmost importance. Contractor will provide a weekly written report in a form approved by the owner or owner's representative which details all aspects of the previous week's maintenance activities.
- c. Contractor will provide a Monthly Service Calendar for the upcoming period and a copy of the preceding month's Irrigation Maintenance report and Lawn and Ornamental report. A copy of these documents should be submitted to SunScape Consulting by the 5th of each month electronically or via U.S. mail.
- d. Contractor agrees to take part in monthly inspections of the property to insure their performance of this agreement meets the standards required herein and protects the overall well being of the property's landscape. Contractor also agrees to complete any work that appears on punch lists resulting from inspections or reviews within three weeks of receiving them. Contractor will have their Account Manager participate on its behalf and have their Lawn and Ornamental and Irrigation Managers or Technicians available for a minimum of the pre inspection meeting.

3. Staffing

- a. Contractor is expected to staff the property with trained personnel experienced in commercial landscape maintenance. All personnel applying fertilizers, insecticides, herbicides and fungicides must be certified by the FL Department of Agriculture and Consumer Services. These individuals should be Best Management Practices Certified and hold a Limited Certification for Urban Landscape Commercial Fertilizer or a Certified Pest Control Operator or an employee with an ID card working under the supervision of a CPCO.
- b. Contractor shall provide consistent service on set day(s) each week with the exception of scheduling adjustments for the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Normal working hours are from 8:00 AM until 6:00 PM, with no power equipment operating around resident buildings or homes before 9:00 AM.

SCHEDULE "B" – TURF CARE PROGRAM - ST. AUGUSTINE (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
January:	Winter fertilization, broadleaf weed control and disease control
March:	Spring granular fertilization, broadleaf weed control, insect and disease control
May:	Early summer liquid fertilization with Arena and weed control
July:	Summer granular fertilization, insect control and weed control
September:	Late summer fertilization and insect/disease control
November:	Fall granular fertilization and broadleaf weed/disease control

B. Application Requirements

1. Fertilization

- a. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a maximum of 5 lbs of N/1000 square feet with a minimum of 30% slow release and a high Potassium blend in the fall fertilization to promote root development unless soil samples indicate the presence of sufficient Potassium.
- b. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- c. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.
- d. The irrigation system will be fully operational prior to any fertilizer application.
- e. Soils shall be tested at a reliable testing facility once per year to monitor for pH, Nematodes, Take All Root Rot and chemical make up. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the turf care program based on these results.

2. Insect/Disease Control

- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
- b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.

3. Weed Control

- a. Weed control will be limited to the broadleaf variety and sedge type grasses under this program.
- b. Contractor shall alert owner or owner's representative of outbreaks of Crabgrass, Bermuda, Alexander and Dove grasses. Failure to do so will make the contractor liable for resulting turf loss.

4. Warranty

If the grass covered under this turf care program dies due to insect infestation, disease or improper fertilizer application, the affected grass will be replaced at no charge. Contractor will not be held responsible for turf loss due to conditions beyond their control. This includes nematodes, diseases such as Take-All Root Rot and weeds such as Crabgrass which are untreatable with currently available chemicals, high traffic areas, drainage problems, or acts of God. In the event these conditions exist, the contractor is responsible to employ whatever cultural practices can be reasonably performed to extend the life of the affected material.

SCHEDULE "B" – TURF CARE PROGRAM - ZOYSIA (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
January:	IPM spot treatment for weeds as necessary and inspect/treat fungal activity.
February:	Pre-emergent herbicide/spot treatment for weeds and fungal activity.
March:	Fertilization (granular 20-0-10) with 1lb N to 1lb K, 50% slow release w/minors. Spot treat weeds and treat fungal and insect activity as necessary.
April:	Fertilization with .5lb N, with Iron, post emergent weed control, insect/disease control as necessary.
May:	Fertilization with .5lb N, with Iron, post emergent weed control, insect/disease control as necessary.
June:	Fertilization (granular 20-0-10) with .5lb N, slow release w/minors. Insect/weed/disease control as necessary.
July:	Liquid fertilization with .5lb N w/ Iron. Insect/weed/disease control as necessary.
August:	Apply Ammonium Sulfate(21-0-0) at rate providing .5lb N. IPM weed/insect/disease control.
September:	Liquid Fertilization with .25lb N, with Iron, post emergent weed control, insect/disease control as necessary.
October:	Fertilization with 14-0-40 or similar. Weed/insect/disease control as necessary.
November:	Blanket pre-emergent herbicide, w/Liquid Iron. Spot treat weeds and inspect/treat fungal activity.
December:	Blanket 0-0-62(Potash), IPM-spot treat weeds as necessary, inspect/treat fungal activity.

B. Application Requirements

1. Fertilization

- a. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- b. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.

- c. The irrigation system will be fully operational prior to any fertilizer application.
 - d. Soils shall be tested at a reliable testing facility twice per year to monitor for Ph and chemical makeup. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the turf care program based on these results.
2. Insect/Disease Control
- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
 - b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.
3. Weed Control
- a. Weed control will not be limited to only the broadleaf variety under this program.
 - b. Contractor shall alert owner or owner's representative of outbreaks of Sedge, invasive Bermuda, or Crabgrass. Failure to do so will make the contractor liable for resulting turf loss.
4. Warranty

If the grass covered under this turf care program dies due to insect infestation, disease or improper fertilizer application, the affected grass will be replaced at no charge. Contractor will not be held responsible for turf loss due to conditions beyond their control. This includes nematodes, diseases such as Take-All Root Rot and weeds such as Crabgrass which are untreatable with currently available chemicals, high traffic areas, drainage problems, or acts of God. In the event these conditions exist, the contractor is responsible to employ whatever cultural practices can be reasonably performed to extend the life of the affected material.

SCHEDULE "B1" – TURF CARE PROGRAM (BAHIA)

A. Application Schedule

<u>Month</u>	<u>Application</u>
March:	Complete liquid 18-0-8 N-P-K fertilizer and broadleaf weed control to include blanket pre-emergent herbicide application.
June:	Chelated Iron application and Mole Cricket control.
October:	Complete liquid 18-0-8 N-P-K fertilizer and broadleaf weed control to include blanket pre-emergent herbicide application.

B. Application Requirements

1. Fertilization

- a. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a minimum of 2 lbs. of N/1000 square feet with a minimum of 30% slow release and a high Potassium blend in the late summer fertilization to promote root development unless soil samples indicate the presence of sufficient potassium.
- b. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with

each application to insure that all the requirements of grasses are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.

- c. All hardscape surfaces are to be blown off immediately following a fertilizer application to prevent staining.
 - d. The irrigation system will be fully operational prior to any fertilizer application.
 - e. Soils shall be tested at a reliable testing facility twice per year to monitor for pH and chemical make-up. The results will be provided to an HOA Representative along with the contractor's recommendation as to any changes in the turf care program based on these results.
2. Insect/Disease Control
- a. The reduction of irrigation water during the winter season will dramatically reduce the potential for fungus/disease problems. Contractor will be responsible to manage settings of irrigation timers.
 - b. Supplemental insecticide applications will be provided in addition to the normal preventive program as needed to provide control.
3. Weed Control
- a. Weed control will be limited to the broadleaf variety under this program.
 - b. Contractor shall alert an HOA Representative of outbreaks of Sedge, invasive Bermuda, or Crabgrass. Failure to do so will make the contractor liable for resulting turf loss.
4. Warranty
- a. There is no warranty for Bahia turf.

SCHEDULE "C" – TREE/SHRUB CARE PROGRAM (If included, see Exhibit 2 Fee Summary)

A. Application Schedule

<u>Month</u>	<u>Application</u>
February:	Spring granular fertilization and insect/disease control as needed
March/April:	Insect/disease control/fertilization as needed
May/June:	Insect/disease control/fertilization as needed
July/August:	Minor nutrient blend with insect/disease control
October:	Fall granular fertilization and insect/disease control as needed
December:	Insect/disease control/fertilization as needed

B. Application Requirements

1. Fertilization
- a. Contractor will submit a schedule of materials to be used under this program along with application rates. Fertilizers selected must be appropriate for the plant material to be fertilized such as an acid forming fertilizer for Azaleas which require a lower soil pH.

- b. Contractor will submit a schedule of materials to be used under this program along with application rates. Annual program will include a minimum of 30% slow release Nitrogen and a high Potassium blend in the fall fertilization to promote root development unless soil sample results indicate the presence of sufficient Potassium.
- c. All fertilizers utilized under this program are to be custom blended with a balanced nutrient package. A complete minor and trace element package will be included with each application to insure that all the requirements of plant material are met. If soil samples indicate a high pH, all fertilizers utilized will be Sulphur coated products.
- d. This program covers all fertility requirements on all existing shrubs and palms, as well as all newly installed shrubs, trees, and palms up to 35'. All native trees or transplanted trees over 35' in overall height will require special consideration and are therefore excluded from this program.
- e. There will be a deep root feeding on an as needed basis to establish newly planted trees.
- f. Fertilizer will be distributed evenly under the drip zone of each plant. Special care will be taken not to "clump" fertilizer neither at the base nor in the crown of plants.
- g. The irrigation system will be fully operational prior to any fertilizer application.
- h. Soils shall be tested at a reliable testing facility once per year to monitor for pH, Nematodes, Take All Root Rot and chemical make up. The results will be provided to the owner or the owner's representative along with the contractor's recommendation as to any changes in the Tree / Shrub care program based on these results.

2. Insect/Disease Control

- a. Insect and disease control is intended to mean a thorough inspection of all plantings for the presence of insect or disease activity and the appropriate treatment applied. All insect and disease infestations require follow-up applications for control and are included in this program.
- b. Contractor is responsible for the continuous monitoring for the presence of damaging insects or disease. Any problems noted between regularly scheduled visits will be treated as a service call and responded to within 48 hours. Service calls due to active infestations are included in this program.
- c. This program covers all disease and Insect activity on all existing shrubs and palms, as well as all newly installed shrubs, trees, and palms up to 35'. All native trees or transplanted trees over 35' in overall height will require special consideration and are therefore excluded from this program.
- d. Terrapin Scale has proven to be a difficult pest to control through the use of foliar sprays or drenches. Should an infestation develop that is not able to be controlled through the aforementioned methods, the contractor may be required to utilize Maujet injections or other similar methods to deploy appropriate insecticides.
- e. Contractor will be required to apply all pesticides in accordance with labeled directions including the use of any Personal Protective Equipment.
- f. Contractor will provide a copy of the license for the Certified Operator in charge of chemical applications for this property.

3. Specialty Palms

- a. Considering the investment in Specialty Palms such as Phoenix varieties (i.e. Dactylifera, Sylvester, Senegal, Canary Island Date, etc.), contractor will include in

their proposed Tree/Shrub program, a comprehensive quarterly fertilization and root/bud drench for potential disease and infestation along with OTC injections three (3) times per year.

- b. When applicable, the contractor will monitor site tubes that have been installed to monitor ground water build up around the root ball of specimen palms to de-water them as necessary.

4. Warranty

If a plant or tree dies from insect or disease damage while under this Tree/Shrub Care Program, it will be replaced with one that is reasonably available. Exclusions to this warranty would be Acts of God, along with pre-existing conditions, i.e. soil contamination or poor drainage, nematodes, borers, locusts and insects such as Asian Cycad Scale. Also excluded are diseases such as Verticillium and Fusarium Wilt, TPDD, Lethal Bronzing, Entomosporium Leaf Spot Fungus and Downey Mildew that are untreatable with currently available chemicals. In the event these conditions exist, the contractor is responsible to promptly report any detection to the CDD representative.

SCHEDULE "D" – SPECIAL SERVICES (If included, see Exhibit 2 Fee Summary)

Note: All Special Services work is to be performed by supplemental crews

A. Bedding Plants

The nature and purpose of "Flower Beds" is to draw attention to the display. The highest level of attention should be placed on their on-going care.

1. Schedule

- a. All flower beds on the property will be changed four (4) times per year during the months of January, April, July and October.
- b. Contractor recognizes that flower beds are intended to highlight and beautify high profile areas and should be selected for color, profusion and display.
- c. All newly planted beds will have a minimum of 50% of the plants in bloom at the time of installation and they shall be 4 ½" individual pots.
- d. Contractor will obtain prior approval of plant selection from owner or owner's representative before installation.

2. Installation

- a. Plants are to be installed utilizing a triangular spacing of 9" O.C. between plants.
- b. Annually, prior to the Spring change out, existing soil will be removed to a depth of 6" in all annual beds and replaced with clean growing medium composed of 60% peat and 40% fine aged Pine Bark.
- c. All beds will be cleaned and hand or machine cultivated to a depth of 6" prior to the installation of new plants.
- d. Create a 2" trench where the edge of the bed is adjacent to turf or hardscape.
- e. A granular time-release fertilizer and a granular systemic fungicide will be incorporated into the bedding soil at the time of installation.
- f. All beds should be covered with 1" layer of Pine Fines after planting.
- g. Follow-up applications of fertilizer, fungicide and insecticide are provided as needed.

- h. Flowers that require replacement due to over-irrigation or under-irrigation will be replaced immediately by contractor without charge to the owner.

3. Maintenance

- a. Flower beds will be reviewed daily or at each service visit for the following:
 - Removal of all litter and debris.
 - Beds are to remain weed – free at all times.
 - All declining blooms are to be removed immediately.
 - Inspect for the presence of insect or disease activity and treat immediately.
- b. Seed heads are to be removed from Coleus plants as soon as they appear. “Pinching” of Coleus plants weekly is to be a part of the on-going maintenance as well. Frequent “pinching” will result in healthier, more compact plants.
- c. Prolific bloomers such as Salvia require that 10% to 20% of healthy blooms are to be removed weekly.
- d. Pre-emergent herbicides are not to be used in flower beds.
- e. Contractor guarantees the survivability and performance of all flower beds for a period of 90 days. Any plant that fails to perform during this period will be immediately replaced at the contractor’s expense.

4. Warranty

Any bedding plant that dies due to insect damage or disease will be replaced under warranty. Exclusions to this warranty would be freeze, theft, or vandalism.

B. Bed Dressing

1. Schedule

- a. Bed dressing will be replenished in all planted and unplanted areas according to the month indicated on the Exhibit 2 Fee Summary.
- b. Installation will be completed within a three week time period.

2. Installation

- a. Prior to application, areas will be prepared by removing all foreign debris and accumulated mulch material and establishing a defined, uniform edge to all bed and tree rings as well as a 1” to 2” deep trench along all hardscape surfaces to include equipment pads, in order to hold the mulch in place.
- b. Bed dressing should be installed in weed free beds that have been properly edged and prepared.
- c. Bed Dressing should be installed to maintain a 2” thickness in all bed areas, including tree rings in lawn areas and maintenance strips unless otherwise directed by the Owner or Owner’s representative.
- d. A summary of shipping tickets or invoices for products or subcontract services will be submitted prior to requesting payment for this work.

C. Palm Trimming

- 1. Specimen Date Palms such as Phoenix varieties (i.e. Dactylifera, Sylvester, Canary Island Date, etc.) in excess of 12’ CT will be trimmed two times per year in June and

December. Trim specimen palms so that the lowest remaining fronds are parallel to the ground. All vegetation will be removed from their trunk and nut and loose or excessive boots will be removed and/or cross cut during this process. After trimming, the lowest fronds should be left parallel to the ground.

2. All palms less than 12' CT will be trimmed as needed by the detail crew during the regular detail rotation as outlined in General Services.
3. Washingtonia palms in excess of 12' CT will be trimmed two times per year in the months of February/March and July/August.
4. All palms other than Washingtonia, in excess 12' CT will be trimmed once per year in the months of July/August.
5. Trimming shall include removal of all dead fronds, loose boots and seed stalks.
6. Trim Sabal, Washington, Chinese, Fan and Ribbon Palms so that the lowest remaining fronds are left at a ten and two o'clock profile. "Hurricane" cuts are only to be done at the direction of management.
7. When trimming, cut the frond close to the trunk without leaving "stubs".
8. Contractor shall sterilize pruning tools or saws between trees to prevent the spreading of Fusarium Wilt and other palm diseases.

SCHEDULE "E" – IRRIGATION MAINTENANCE (If included, see Exhibit 2 Fee Summary)

The Contractor shall inspect and test the irrigation system components a minimum of one (1) time per month. This shall include all the existing irrigation systems. The irrigation system summary table of controllers, zones and clocks are provided to Contractor herein. All routine repairs shall be included as part of the contracted amount; system integrity repairs that are related to the infrastructural integrity of the irrigation system shall be borne by the District.

A. Frequency of Service

1. Contractor will perform the following itemized services under "Specifications" on a monthly basis.
 - a. The irrigation inspection will be performed during the same week(s) each month.

B. Specifications

1. Activate each zone of the system.
2. Visually check for any damaged heads or heads needing repair.
3. Clean, straighten or adjust any heads not functioning properly.
4. Straighten, re-attach to bracing and touch up paint on riser heads as needed.
5. Report any valve or valve box that may be damaged in any way.
6. Leave areas in which repairs or adjustments are made free of debris.
7. Adjust controller to the watering needs as dictated by weather conditions and seasonal requirements and Water Management District restrictions including adjusting of rain sensor.
8. Contractor will provide a written report of the findings by zone.

C. Qualifying Statements

1. Repairs

- a. Locating and repairing or replacing automatic valves or control wires and irrigation controller or large scale repairs are to be considered additional items.
 - b. Contractor shall assume; however at no additional cost to the District, responsibility for any and all maintenance deficiencies, including parts and labor associated with the irrigation system to include sprinkler heads, nozzles, drip, main and delivery lines and any associated fittings.
2. Contractor will pay special attention during irrigation maintenance inspections (IMC) to ensure that sprinkler heads are positioned so that water does not spray directly onto buildings, windows or parking areas.
 - a. Contractor will be held responsible for any accident that arises from the over spray of water on hard surfaces if it is determined that the contractor was negligent in performing monthly irrigation maintenance.
 3. Damage resulting from contractor's crews working on the property (i.e., mower and edger cuts) will be repaired at no charge to the owner within 24 hours of being detected.
 4. Contractor shall not be held responsible for any system failure caused by lightning, construction work, pre-existing conditions, freeze or other acts of God.
 5. Contractor shall not be held responsible for damage to the landscape caused by mandatory water restrictions placed on the property by the governing water management district.
 6. Contractor will visually inspect irrigation system weekly while performing routine maintenance.
 7. Contractor will provide a 24 hour "Emergency" number for irrigation repairs.

TOWN OF KINDRED COMMUNITY DEVELOPMENT DISTRICT

EXHIBIT "B"
EXTERIOR LANDSCAPE AND IRRIGATION MAINTENANCE SERVICES
PROPOSAL FORM

**TOWN OF KINDRED
COMMUNITY DEVELOPMENT DISTRICT
2
LANDSCAPE & IRRIGATION MAINTENANCE
INVITATION FOR PROPOSALS**

Having carefully examined the specifications and having thoroughly inspected said property, the undersigned proposes to furnish all labor, materials and proper equipment for the entire scope of work, in accordance with said specifications, for the sum of:

PART 1

General Landscape Maintenance \$ 117,096 Yr.

- Storm Cleanup \$ 55 /hr. (do not include in General Landscape Maintenance total or Grand Total)

- Freeze Protection (description of ability) _____
 ULS will provide labor to cover cold sensitive plants with freeze blankets

\$ T&M /application (do not include in General Landscape Maintenance total or Grand Total)

- Hand Watering (do not include in General Landscape Maintenance total or Grand Total)
 \$ 45 /hr. for employee with hand-held hose
 \$ 150 /hr. for water truck/tanker

PART 2

Fertilization (All labor and materials) \$ 9,132 Yr.
 (Include any and all turf pesticide/herbicide mixtures you intend to use throughout the year)

BAHIA (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION
March	18-0-8 N-P-K	1.0		See Exhibit 2
June	Chelated Iron/ Mole Cricket	1.0		under pricing for
October	18-0-8-N-P-K	1.0		fertilization

ST. AUGUSTINE (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION
January	Liquid App 15-0-15	1.0		Please see pricing
March	Granular 24-0-11	1.0		Exhibit 2
May	Liquid 25-0-12	.5		under Fertilization
July	Granular 24-0-11	1.0		
September	Liquid App 15-0-15	1.0		
November	Granular 24-0-11	1.0		

ORNAMENTALS (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION
February	10-0-10	1.0		Please see pricing
July/Aug	Minor Nutrient Blend	1.0		Exhibit 2 under
October	10-0-10	1.0		under fertilization

PALMS (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. /PALM)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION
March	8-2-12	1.5		Please see pricing
June	8-2-12	1.5		Exhibit 2
September	8-2-12	1.5		under fertilization
November	8-2-12	1.5		

Please list any additional fertilization for those plant materials requiring specialized applications.

SPECIALTY PLANT MATERIALS				
MONTH	PLANT TYPE/FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

Zoysia specs not listed on bid sheets: Fertilization as recommended by the Scope and weed control as needed

The totals in the "Cost per application" column should equal your Total Fertilization Cost for the year.

PART 3

Pest Control (All labor and materials) \$ 7,473 Yr.
 (if all pesticide allowance is required) *

* This is an allowance for treatments of trees, ornamentals, groundcovers, etc. and should include only those pesticides/herbicides not already included in the turf fertilizer section. This dollar amount will not be equally divided amongst the monthly invoices. The portion of the allowance used on any particular event shall be billed the month after services are rendered. Contractor shall continue to be responsible for the eradication/control of all weeds, pests and diseases after the allowance listed above has been exhausted.

OTC Injections will be performed at the discretion of the District
(This shall not be included in either the Pest Control cost listed above nor shall it be included in the Grand Total or Contract Amount.)

OTC Injections (All labor and materials)

\$ 1,260 / Yr. (based on quantities below)

(OTC injections per specs - do not include in Grand Total)

Palm Type	Palm Qty	# of Inoculations per quarter per palm (based on size) (i.e. (2) inoculations per large Canary Palm, etc.)	Cost per Individual Inoculation	Total Cost per Year (4x per year)
Dates	6	3 per year	\$70	\$1,260
Sabals	28	0	0	0

The District reserves the right to subcontract out any and all OTC Injection events.

Application of Top Choice for annual treatment of Fire Ants

For informational purposes only, please provide a cost to apply Top Choice for the annual control of fire ants in all yellow highlighted landscaped areas as described in Scope of Services.

\$ 2,750

Top Choice application will be performed at the sole discretion of the District
(This shall not be included in either the Pest Control cost listed above nor shall it be included
in the Grand Total or Contract Amount.)

PART 4

Irrigation (All labor and materials) \$ 12,456 /Yr.

Freeze Protection (description of ability) _____ Contractor shall provide labor to cover / install free blankets along with hale bales to protect from permanent winterizing _____ _____ _____ \$ T&M /application <u>(do not include in Irrigation Total or Grand Total)</u> After hours emergency service hourly rate \$ 95 /hr. (i.e. broken mainlines, pump & wells, etc.) Contractor shall provide a list of additional charges and pricing for such items other than routine maintenance as a separate price from this bid. Please see additional pricing sheet _____ _____ _____ _____

**GRAND TOTAL (PARTS 1, 2, 3 & 4 - This is what contract will be written
for) 146,157 /Yr(initial term)**

FIRST ANNUAL RENEWAL \$ 150,660 /Yr.

PROPOSED LANDSCAPE MAINTENANCE AGREEMENT

**TOWN OF KINDRED COMMUNITY DEVELOPMENT DISTRICT 2
LANDSCAPE & IRRIGATION MAINTENANCE SERVICES AGREEMENT**

THIS AGREEMENT (“**Agreement**”) is made and entered into this _____ day of _____, 2021, by and between:

TOWN OF KINDRED Community Development District 2, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, being situated in Osceola County, Florida, and having offices at c/o Rizzetta & Company, Inc., 8529 SouthPark Cir., Orlando, FL 32819 (“**District**” or “**CDD**”); and

_____ (the “**Contractor**,” and collectively with the District, the “**Parties**”).

RECITALS

WHEREAS, the District was established for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, including landscaping and irrigation; and

WHEREAS, the District has a need to retain an independent contractor to provide, for certain lands within the District, certain landscape and irrigation maintenance services; and

WHEREAS, Contractor desires to provide such services, and represents that it is qualified to do so in accordance with its proposal submitted to the District;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, it is agreed that the Contractor is hereby retained, authorized, and instructed by the District to perform in accordance with the following covenants and conditions, which both the District and the Contractor have agreed upon:

1. **INCORPORATION OF RECITALS.** The recitals stated above are true and correct and are incorporated by reference as a material part of this Agreement.

2. **CONTRACTOR OBLIGATIONS.**

- a. *Scope of Services.* The Contractor shall provide the services described in the Scope of Services attached hereto as **EXHIBIT A** and for the areas identified in the Landscape Maintenance Areas Exhibit attached hereto as **EXHIBIT C** (“**Work**”). The Contractor agrees that the Landscape Maintenance Areas Exhibit attached hereto as **EXHIBIT C** is the District’s best estimate of the District’s landscape needs, but that other areas may also include landscaping that requires maintenance. The Contractor agrees that the District may, in its discretion, add up to 0.5 acre(s) of landscaping area to the Work, with no adjustment to price. Additionally, the Contractor agrees that the District may in its discretion and at any time add

maintenance relating to certain "Optional Areas" as designated in **Exhibit C** to the Work, using the pricing set forth in **Exhibit B**. The Contractor shall perform the Work consistent with the presently established, high quality standards of the District, and shall assign such staff as may be required for coordinating, expediting, and controlling all aspects of the Work. Contractor shall solely be responsible for the means, manner and methods by which its duties, obligations and responsibilities are met to the satisfaction of the District. Notwithstanding any other provision of this Agreement, the District reserves the right in its discretion to remove from this Agreement any portion of the Work and to separately contract for such services. In the event that the District contracts with a third party to install certain landscaping or to otherwise perform services that might otherwise constitute a portion of the Work, Contractor agrees that it will be responsible for any such landscaping installed by the third party, and shall continue to perform all other services comprising the Work, including any future services that apply to the landscaping installed by the third party or to the areas where services were performed by the third party.

- b. **Acceptance of Site.** By executing this Agreement, the Contractor agrees that the Contractor was able to inspect the site prior to the time of submission of the bid, and that the Contractor agrees to be responsible for the care, health, maintenance, and replacement, if necessary, of the existing landscaping, in its current condition, and on an "as is" basis. The Contractor shall be strictly liable for the decline or death of any plant material, regardless of whether such decline or death is due to the negligence of the Contractor, and except that the Contractor shall not be responsible for fire, cold, storm or wind damage, incurable or uncontrollable diseases, or damage due to vandalism. Upon the occurrence of any such exceptions, Contractor shall immediately notify the District. Contractor shall replace, at Contractor's expense, all plant material that, in the opinion of the District, fails to maintain a healthy, vigorous condition as a result of the Contractor's failure to perform the Work specified herein. No changes to the compensation set forth in this Agreement shall be made based on any claim that the existing landscaping was not in good condition or that the site was unsuitable for such landscaping.
- c. **Manner of Contractor's Performance.** The Contractor agrees, as an independent contractor, to undertake the Work as specified in this Agreement or any Additional Services Order (defined herein) issued in connection with this Agreement. All Work shall be performed in a neat and professional manner reasonably acceptable to the District and shall be in accordance with industry standards, such as USF, IFAS, etc. The performance of all services by the Contractor under this Agreement and related to this Agreement shall conform to any written instructions issued by the District.
- d. **Discipline, Employment, Uniforms.** Contractor shall maintain at all times strict discipline among its employees and shall not employ for work on the project any person unfit or without sufficient skills to perform the job for which such person is employed. All laborers and foremen of the Contractor shall perform all Work on

the premises in a uniform to be designed by the Contractor. The shirt and pants shall be matching and consistent. At the start of each day, the uniform shall be reasonably clean and neat. No shirtless attire, no torn or tattered attire or slang graphic T-shirts are permitted. No smoking in or around the buildings will be permitted. Rudeness or discourteous acts by Contractor employees will not be tolerated. No Contractor solicitation of any kind is permitted on property.

- e. **Scheduling.** In the event that time is lost due to heavy rains (“**Rain Days**”), the Contractor agrees to reschedule its employees and divide their time accordingly to complete all scheduled services during the same week as any Rain Days. The Contractor shall provide services on Saturdays if needed to make up Rain Days with prior notification to and approval by, the District Representatives (defined herein).
- f. **Protection of Property.** Contractor in conducting the Work shall use all due care to protect against any harm to persons or property. If the Contractor’s acts or omissions result in any damage to property within the District, including but not limited to damage to landscape lighting and irrigation system components, entry monuments, etc., the Contractor shall immediately notify the District and promptly repair all damage – and/or promptly replace damaged property – to the satisfaction of the District.
- g. **Reporting Services.** The District shall designate in writing one or more persons to act as the District’s representatives with respect to the services to be performed under this Agreement (“**District Representatives**”). The District Representatives shall have complete authority to transmit instructions, receive information, interpret and define the District’s policies and decisions with respect to materials, equipment, elements, and systems pertinent to the Contractor’s services. This authority shall include but not be limited to verification of correct timing of services to be performed, methods of pruning, pest control and disease control. The District hereby designates _____ and _____ and other representatives of Rizzetta & Company, Inc., to act as the District Representatives. The District shall have the right to change its designated representatives at any time by written notice to the Contractor. The Contractor shall provide to management a written report of work performed for each month with notification of any problem areas and a schedule of work for the upcoming month. Further, upon request, the Contractor agrees to meet the District Representatives at least bi-weekly to inspect the property to discuss conditions, schedules, and items of concern regarding this Agreement, and to attend all meetings of the District’s Board of Supervisors.
- h. **Deficiencies.** If the District Representatives identify any deficient areas, the District Representatives shall notify the Contractor whether through a written report or otherwise. The Contractor shall then within the time period specified by the District Representatives, or if no time is specified within forty-eight (48) hours, explain in writing what actions shall be taken to remedy the deficiencies. Upon approval by the District, the Contractor shall take such actions as are necessary to

address the deficiencies within the time period specified by the District, or if no time is specified by the District, then within three days and prior to submitting any invoices to the District. If the Contractor does not respond or take action within the specified time period, and without intending to limit the District's remedies in any way, the District shall have the rights to, among other remedies available at law or in equity, fine the Contractor \$100 per day; to withhold some or all of the Contractor's payments under this Agreement; and to contract with outside sources to perform necessary Work with all charges for such services to be deducted from the Contractor's compensation. Any oversight by the District Representatives of Contractor's Work is not intended to mean that the District shall underwrite, guarantee, or ensure that the Work is properly done by the Contractor, and it is the Contractor's responsibility to perform the Work in accordance with this Agreement.

- i. ***Compliance with Laws.*** The Contractor shall keep, observe, and perform all requirements of applicable local, State and Federal laws, rules, regulations, ordinances, permits, licenses, or other requirements or approvals. Further, the Contractor shall notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation or an alleged violation, made by any local, State, or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any act or omission of the Contractor or any of its agents, servants, employees, or material men, or any other requirements applicable to provision of services. Additionally, the Contractor shall promptly comply with any requirement of such governmental entity after receipt of any such notice, order, request to comply notice, or report of a violation or an alleged violation.
- j. ***Safety.*** Contractor shall provide for and oversee all safety orders, precautions, and programs necessary for the Work. Contractor shall maintain an adequate safety program to ensure the safety of employees and any other individuals working under this Agreement. Contractor shall comply with all OSHA standards. Contractor shall take precautions at all times to protect any persons and property affected by Contractor's work, utilizing safety equipment such as bright vests and traffic cones.
- k. ***Environmental Activities.*** The Contractor agrees to use best management practices, consistent with industry standards, with respect to the storage, handling and use of chemicals (e.g., fertilizers, pesticides, etc.) and fuels. The Contractor shall keep all equipment clean (e.g., chemical sprayers) and properly dispose of waste. Further, the Contractor shall immediately notify the District of any chemical or fuel spills. The Contractor shall be responsible for any environmental cleanup, replacement of any turf or plants harmed from chemical burns, and correcting any other harm resulting from the Work to be performed by Contractor.
- l. ***Payment of Taxes; Procurement of Licenses and Permits.*** Contractor shall pay all taxes required by law in connection with the Work, including sales, use, and similar taxes, and shall secure all licenses and permits necessary for proper

completion of the Work, paying the fees therefore and ascertaining that the permits meet all requirements of applicable federal, state and county laws or requirements.

- m. **Subcontractors.** The Contractor shall not award any of the Work to any subcontractor without prior written approval of the District. The Contractor shall be as fully responsible to the District for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as the Contractor is for the acts and omissions of persons directly employed by the Contractor. Nothing contained herein shall create contractual relations between any subcontractor and the District.
- n. **Independent Contractor Status.** In all matters relating to this Agreement, the Contractor shall be acting as an independent Contractor. Neither the Contractor nor employees of the Contractor, if there are any, are employees of the District under the meaning or application of any Federal or State Unemployment or Insurance Laws or Old Age Laws or otherwise. The Contractor agrees to assume all liabilities or obligations imposed by any one or more of such laws with respect to employees of the Contractor, if there are any, in the performance of this Agreement. The Contractor shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and the Contractor shall have no authority to represent the District as an agent, employee, or in any other capacity, unless otherwise set forth in this Agreement.

3. COMPENSATION; TERM.

- a. **Term.** Work under this Agreement shall begin _____, 20__ and end _____, 20__ ("**Initial Term**"), unless terminated earlier pursuant to the terms of this Agreement. At the end of the Initial Term, and unless terminated pursuant to the terms of this Agreement, this Agreement shall automatically renew on the same terms up to two times and for one-year periods each starting _____.
- b. **Compensation.** As compensation for the Work, the District agrees to pay Contractor the amounts set forth in **EXHIBIT B**. All additional work or services, and related compensation, shall be governed by Section 3.c. of this Agreement.
- c. **Additional Work.** Should the District desire that the Contractor provide additional work and/or services relating to the District's landscaping and irrigation systems (e.g., additional services or services for other areas not specified in this Agreement), such additional work and/or services shall be fully performed by the Contractor after prior approval of a required Additional Services Order ("**ASO**"). The Contractor agrees that the District shall not be liable for the payment of any additional work and/or services unless the District first authorizes the Contractor to perform such additional work and/or services through an authorized and fully executed ASO, an example of which is attached as **EXHIBIT D**. The Contractor shall be compensated for such agreed additional work and/or services based upon a payment amount derived from the prices set forth in the Contractor's bid pricing

(attached as part of **EXHIBIT B**). Nothing herein shall be construed to require the District to use the Contractor for any such additional work and/or services, and the District reserves the right to retain a different contractor to perform any additional work and/or services.

- d. **Payments by District.** The Contractor shall maintain records conforming to usual accounting practices. Further, the Contractor agrees to render monthly invoices to the District, in writing, which shall be delivered or mailed to the District by the fifth (5th) day of the next succeeding month. Each monthly invoice shall contain, at a minimum, the District's name, the Contractor's name, the invoice date, an invoice number, an itemized listing of all costs billed on the invoice with a description of each sufficient for the District to approve each cost, the time frame within which the services were provided, and the address or bank information to which payments to be remitted. Consistent with Florida's Prompt Payment Act, Section 218.70 et al. of the Florida Statutes, these monthly invoices are due and payable within forty-five (45) days of receipt by the District. The District agrees to pay Contractor for the Contract Work, a not to exceed sum of \$ _____ per year as detailed in Exhibit "B", payable in monthly installments as detailed below. Work shall commence upon execution of this Agreement and shall continue for a period of twelve (12) months, unless terminated earlier in accordance with Section 13 below or renewed in accordance with Section 5(B), below. As compensation for the work, the District agrees to pay Contractor \$ _____ per month during the Initial Term, \$ _____ per month during the First Annual Renewal, and \$ _____ per month during the Second Annual Renewal. Such compensation covers only the items specified in Parts 1 & 4 of the Contractor's Bid Form. Additionally, for the services specified in Parts 2 and 3 of the Contractor's Bid Form attached as Exhibit "B", the District agrees to pay Contractor for services rendered using the pricing specified in the Contractor's Bid Form in the month after the services were performed and after required documentations (if any) have been provided.
- e. **Payments by Contractor.** Subject to the terms herein, Contractor will promptly pay in cash for all costs of labor, materials, services and equipment used in the performance of the Work, and upon the request of the District, Contractor will provide proof of such payment. Contractor agrees that it shall comply with Section 218.735(6), Florida Statutes, requiring payments to subcontractors and suppliers be made within ten (10) days of receipt of payment from the District. Unless prohibited by law, District may at any time make payments due to Contractor directly or by joint check, to any person or entity for obligations incurred by Contractor in connection with the performance of Work, unless Contractor has first delivered written notice to District of a dispute with any such person or entity and has furnished security satisfactory to District insuring against claims therefrom. Any payment so made will be credited against sums due Contractor in the same manner as if such payment had been made directly to Contractor. The provisions of this section are intended solely for the benefit of District and will not extend to the benefit of any third persons, or obligate District or its sureties in any way to any third party. Subject to the terms of this section, Contractor will at all times keep the

District's property, and each part thereof, free from any attachment, lien, claim of lien, or other encumbrance arising out of the Work. The District may demand, from time to time in its sole discretion, that Contractor provide a detailed listing of any and all potential lien claimants (at all tiers) involved in the performance of the Work including, with respect to each such potential lien claimant, the name, scope of Work, sums paid to date, sums owed, and sums remaining to be paid. Further, the District shall have the right to require, as a condition precedent to making any payment, evidence from the Contractor, in a form satisfactory to the District, that any indebtedness of the Contractor, as to services to the District, has been paid and that the Contractor has met all of the obligations with regard to the withholding and payment of taxes, Social Security payments, Workmen's Compensation, Unemployment Compensation contributions, and similar payroll deductions from the wages of employees.

4. **TERMINATION.** The District agrees that the Contractor may terminate this Agreement with cause by providing ninety (90) days written notice of termination to the District; provided, however, that the District shall be provided a reasonable opportunity to cure any failure under this Agreement. The Contractor agrees that, notwithstanding any other provision of this Agreement, and regardless of whether any of the procedural steps set forth in section 2.h. of this Agreement are taken, the District may terminate this Agreement immediately with cause by providing written notice of termination to the Contractor. The District shall provide thirty (30) days written notice of termination without cause and this Agreement can then be terminated by the District in its sole and absolute discretion, whether or not reasonable. Any termination by the District shall not result in liability to the District for consequential damages, lost profits, or any other damages or liability. However, upon any termination of this Agreement by the District, the Contractor shall be entitled to payment for all Work and/or services rendered up until the effective termination of this Agreement, subject to whatever claims or off-sets the District may have against the Contractor.

On a default by Contractor, the District may elect not to terminate the Agreement, and in such event it may make good the deficiency in which the default consists, and deduct the costs from the payment then or to become due to Contractor. On a default by Contractor, the District further reserves the right to pursue any and all available remedies under the law, including but not limited to equitable and legal remedies.

5. **INSURANCE.**

- a. ***Insurance Required.*** Before commencing any Work, the Contractor shall furnish the District with a Certificate of Insurance evidencing compliance with the requirements of this section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective without thirty (30) days of prior written notice to the District. Insurance coverage shall be primary and written on forms acceptable to the District. Additionally, insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida, and such carrier shall have a Best's Insurance Reports rating of A-VII. The procuring

of required policies of insurance shall not be construed to limit Contractor's liability or to fulfill the indemnification provisions and requirements of this Agreement.

- b. ***Types of Insurance Coverage Required.*** The Contractor shall maintain throughout the term of this Agreement the following insurance:
 - i. Worker's Compensation Insurance in accordance with the laws of the State of Florida. In the event the Contractor has "leased" employees, the Contractor or the employee leasing company must provide evidence of a Minimum Premium Workers' Compensation policy, along with a Waiver of Subrogation in favor of the District. All documentation must be provided to the District at the address listed below. No contractor or sub-contractor operating under a worker's compensation exemption shall access or work on the site.
 - ii. Employer's Liability Coverage with limits of at least \$500,000 per accident or disease.
 - iii. Commercial General Liability Insurance covering liability for, among other things, bodily injury, property damage, contractual, products and completed operations, and personal injury, with limits of not less than \$2,000,000 per occurrence, \$2,000,000 aggregate and further including, but not being limited to, Independent Contractors Coverage for bodily injury and property damage in connection with subcontractors' operation.
 - iv. Automobile Liability Insurance for bodily injuries in limits of not less than \$2,000,000 combined single limit bodily injury and for property damage, providing coverage for any accident arising out of or resulting from the operation, maintenance, or use by the Contractor of any owned, non-owned, or hired automobiles, trailers, or other equipment required to be licensed.
 - v. Umbrella Excess Liability Insurance to cover any liability in excess of the limits of coverage already required and with limits of at least \$2,000,000 per occurrence and \$2,000,000 on aggregate.
- c. ***Additional Insureds.*** All policies required by this Agreement, with the exception of Workers' Compensation, or unless specific approval is given by the District, are to be written on an occurrence basis, and shall name the District, and its Supervisors, officers, staff, agents, employees, and representatives as additional insured (with the exception of Workers' Compensation insurance) as their interest may appear under this Agreement. Insurer(s), with the exception of Workers' Compensation on non-leased employees, shall agree to waive all rights of subrogation against the District and its Supervisors, officers, staff, agents, employees, and representatives.
- d. ***Sub-Contractors.*** Insurance requirements itemized in this Agreement and required of the Contractor shall be provided on behalf of all sub-contractors to cover their operations performed under this Agreement. The Contractor shall be held responsible for any modifications, deviations, or omissions in these insurance requirements as they apply to sub-contractors.
- e. ***Payment of Premiums.*** The Contractor shall be solely responsible for payment of all premiums for insurance contributing to the satisfaction of this Agreement and

shall be solely responsible for the payment of all deductibles and retentions to which such policies are subject, whether or not the District is an insured under the policy.

- f. **Notice of Claims.** Notices of accidents (occurrences) and notices of claims associated with work being performed under this Agreement shall be provided to the Contractor's insurance company and to the District as soon as practicable after notice to the insured.
- g. **Failure to Provide Insurance.** The District shall retain the right to review, at any time, coverage, form, and amount of insurance. If the Contractor fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, the Contractor shall pay the cost for that required insurance to the District and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance. If Contractor fails to pay such cost to the District, the District may deduct such amount from any payment due the Contractor.

6. INDEMNIFICATION.

- a. The Contractor shall indemnify, defend, and hold harmless, the District, the District's Board of Supervisors, District Staff and the District's agents, officers, employees, contractors, and representatives from and against any and all liability, actions, claims, demands, loss, damage, injury, or harm of any nature whatsoever, arising from the acts or omissions of Contractor, or the Contractor's officers, directors, agents, assigns, employees, or representatives. The foregoing indemnification includes agreements by the Contractor to indemnify the District for conduct to the extent caused by the negligence, recklessness or intentional wrongful misconduct of the Contractor and persons or entities employed by or utilized by the Contractor in the performance of this agreement.
- b. Obligations under this section shall include the payment of all settlements, judgments, damages, liquidated damages, penalties, fines, forfeitures, back pay, awards, court costs, mediation costs, litigation expenses, attorney fees, paralegal fees (incurred in court, out of court, on appeal, or in bankruptcy proceedings), or other amounts of any kind.
- c. The Contractor agrees that nothing in this Agreement shall serve as or be construed as a waiver of the District's or its staff, supervisors or consultants limitations on liability contained in section 768.28, Florida Statutes or other law. Any subcontractor retained by the Contractor shall acknowledge the same in writing, and it shall be Contractor's responsibility to secure such acknowledgments. Further, nothing herein shall be construed to limit or restrict the District's rights against the Contractor under applicable law.

- d. In any and all claims against the District or any of its agents or employees by any employee of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under this Agreement shall not be limited in any way as to the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor under Workmen's compensation acts, disability benefit acts, or other employee benefit acts.
- e. It is understood and agreed that this Agreement is not a construction contract as that term is referenced in Section 725.06, Fla. Stat., (as amended) and that said statutory provision does not govern, restrict or control this Agreement.

7. **TAX EXEMPT DIRECT PURCHASES.** The parties agree that the District, in its discretion, may elect to undertake a direct purchase of any or all materials used for the landscaping services, including but not limited to the direct purchase of fertilizer. In such event, the following conditions shall apply:

- a. The District may elect to purchase any or all materials directly from a supplier identified by Contractor.
- b. Contractor shall furnish detailed Purchase Order Requisition Forms ("**Requisitions**") for all materials to be directly purchased by the District.
- c. Upon receipt of a Requisition, the District shall review the Requisition and, if approved, issue its own purchase order directly to the supplier, with delivery to be made to the District on an F.O.B. job site basis.
- d. The purchase order issued by the District shall include the District's consumer certificate of exemption number issued for Florida sales and use tax purposes.
- e. Contractor will have contractual obligations to inspect, accept delivery of, and store the materials pending use of the materials as part of the landscaping services. The contractor's possession of the materials will constitute a bailment. The contractor, as Bailee, will have the duty to safeguard, store and protect the materials while in its possession until returned to the District through use of the materials.
- f. After verifying that delivery is in accordance with the purchase order, Contractor will submit a list indicating acceptance of goods from suppliers and concurrence with the District's issuance of payment to the supplier. District will process the invoices and issue payment directly to the supplier.
- g. The District may purchase and maintain insurance sufficient to cover materials purchased directly by the District.
- h. All payments for direct purchase materials made by the District, together with any state or local tax savings, shall be deducted from the compensation provided for in this Agreement.

8. **MISCELLANEOUS PROVISIONS.**

- a. ***Default & Protection Against Third Party Interference.*** A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity for breach of this Agreement, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.
- b. ***Custom & Usage.*** It is hereby agreed, any law, custom, or usage to the contrary notwithstanding, that the District shall have the right at all times to enforce the conditions and agreements contained in this Agreement in strict accordance with the terms of this Agreement, notwithstanding any conduct or custom on the part of the District in refraining from so doing; and further, that the failure of the District at any time or times to strictly enforce its rights under this Agreement shall not be construed as having created a custom in any way or manner contrary to the specific conditions and agreements of this Agreement, or as having in any way modified or waived the same.
- c. ***Successors.*** This Agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the Parties to this Agreement, except as expressly limited in this Agreement. No employees, agents or representatives of the District are personally or individually bound by this Agreement.
- d. ***Assignment.*** Neither the District nor the Contractor may assign this Agreement without the prior written approval of the other, which approval shall not be unreasonably withheld. Any purported assignment of this Agreement without such prior written approval shall be void.
- e. ***Headings for Convenience.*** The descriptive headings in this Agreement are for convenience only and shall neither control nor affect the meaning or construction of any of the provisions of this Agreement.
- f. ***Agreement.*** This instrument, together with its attachments which are hereby incorporated herein, shall constitute the final and complete expression of this Agreement between the District and Contractor relating to the subject matter of this Agreement. To the extent of any inconsistency / conflict between this document, and the **EXHIBITS**, this document and the original RFP shall control.
- g. ***Attorney's Fees.*** In the event that either the District or the Contractor is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable

attorneys' fees, paralegal fees and costs for trial, mediation, or appellate proceedings as well as attorney's fees and costs incurred in determining entitlements to and reasonableness of fees and costs.

- h. **Amendments.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Contractor.
- i. **Authorization.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Contractor, both the District and the Contractor have complied with all the requirements of law, and both the District and the Contractor have full power and authority to comply with the terms and provisions of this instrument.
- j. **Notices.** Any notice, demand, request or communication required or permitted hereunder ("**Notice**") shall be in writing and sent by hand delivery, United States certified mail, or by recognized overnight delivery service, addressed as follows:

A. If to the District: TOWN OF KINDRED Community
Development District 2
8529 SouthPark Cir.
Orlando, Florida 32819
Attn: District Manager

With a copy to:

B. If to Contractor:

Attn: _____

Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the

District and counsel for the Contractor may deliver Notice on behalf of the District and the Contractor. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

- k. ***Third Party Beneficiaries.*** This Agreement is solely for the benefit of the District and the Contractor and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Contractor any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Contractor and their respective representatives, successors, and assigns.
- l. ***Controlling Law & Venue.*** This Agreement and the provisions contained in this Agreement shall be construed, interpreted, and controlled according to the laws of the State of Florida. Venue for any legal actions regarding this Agreement shall be Osceola County, Florida.
- m. ***Public Records.*** The Contractor understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and shall be treated as such in accordance with Florida law. The Contractor shall: (a) keep and maintain public records that ordinarily and necessarily would be required by the District in order to perform the service, (b) provide the public with access to public records on the same terms and conditions that the District would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law, (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law, and (d) meet all requirements for retaining public records and transfer, at no cost, to the District all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with the information technology systems of the District.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, *FLORIDA STATUTES*, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE DISTRICT'S PUBLIC RECORDS CUSTODIAN, RICHARD HERNANDEZ AT RIZZETTA & COMPANY, 8529

SOUTHPARK CIRCLE

**, SUITE 330, ORLANDO, FL 32819, TEL. 407-757-0864,
EXT. 0, RHERNANDEZ@RIZZETTA.COM.**

- n. ***E-Verify Requirement.*** Contractor and its subcontractors (if any) warrant compliance with all federal immigration laws and regulations that relate to their employees including, but not limited to, registering with, and using the E-Verify system. Contractor agrees and acknowledges that the District is a public employer that is subject to the E-Verify requirements as set forth in Section 448.095, Florida Statutes, and that the provisions of Section 448.095, F.S., apply to this Contract. Notwithstanding, if the District has a good faith belief that Contractor has knowingly hired, recruited, or referred an alien who is not duly authorized to work by the immigration laws or the Attorney General of the United States for employment under this Contract, the District shall terminate the Contract. If the District has a good faith belief that a subcontractor performing work under this Contract knowingly hired, recruited, or referred an alien who is not duly authorized to work by the immigration laws or the Attorney General of the United States for employment under this Contract, the District shall promptly notify Contractor and order Contractor to immediately terminate the contract with the subcontractor. Contractor shall be liable for any additional costs incurred by the District as a result of the termination of the Contract based on Contractor's failure to comply with the E-Verify requirements referenced herein.

- o. ***Severability.*** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

- p. ***Arm's Length Transaction.*** This Agreement has been negotiated fully between the District and the Contractor as an arm's length transaction. The District and the Contractor participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen, and selected the language, and any doubtful language will not be interpreted or construed against any party.

- q. ***Signatures.*** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Moreover, electronic records of signatures shall constitute original signatures for all purposes.

IN WITNESS WHEREOF, the Parties execute this Agreement as set forth below.

Re: Landscape & Irrigation Maintenance Services for Town of Kindred CDD 2

Dear Mr. Hernandez,

Thank you for considering a partnership with Yellowstone Landscape as your landscape maintenance service provider. Our proposal has been created to address the specific needs and expectations you have expressed for **Town of Kindred CDD 2**. We call this your Plan for Success™ because our integrated service plan has been designed to give you a landscape that you can be proud of.

Your Plan for Success™ includes the following sections:

- **Required Documents** All required documents provided in your RFP, filled out and signed.
- **About Us:** Information about our company's qualifications, capabilities, and values.
- **Landscape Approach:** Our approach to the landscape maintenance services for your community. We've included our plan of action, a summary of observations of the property's current conditions, our 30-60-90 Day Plan, a 12-month task calendar outlining what services we'll provide, and mow and detail maps. We've also included example manager, irrigation, and fert/chem reports.
- **Licenses & Certifications:** Our business licenses, W-9, sample certificate of insurance, and our landscape certifications.
- **References:** Project pages for some of our local properties that we service.
- **Pricing Forms:** Completed pricing forms provided in your RFP.

If you have any questions after reviewing our proposal, please contact me at any time. I would welcome the opportunity to provide you any further details about our firm's commitment to delivering a landscape that you will be proud of.

Sincerely,

Nicole Ailes

REQUIRED DOCUMENTS

AFFIDAVIT OF ACKNOWLEDGMENTS

STATE OF Florida
COUNTY OF Orange

Before me, the undersigned authority appeared the affiant, Nicole Ailes, and having taken an oath, affiant, based on personal knowledge, deposes and states:

1. I am over eighteen (18) years of age and competent to testify as to the matters contained herein. I serve in the capacity of Business Development for Yellowstone Landscape (“Proposer”), and am authorized to make this Affidavit of Acknowledgments on behalf of Proposer.

2. I assisted with the preparation of, and have reviewed; the Proposer’s proposal (“Proposal”) provided in response to the TOWN OF KINDRED Community Development District 2 proposal for landscape and irrigation maintenance services. All of the information provided therein is full and complete, and truthful and accurate. I understand that intentional inclusion of false, deceptive or fraudulent statements, or the intentional failure to include full and complete answers, may constitute fraud; and, that the District may consider such action on the part of the Proposer to constitute good cause for rejection of the proposal.

3. I do hereby certify that the Proposer has not, either directly or indirectly, participated in collusion or proposal rigging.

4. The Proposer agrees through submission of the Proposal to honor all pricing information one hundred and twenty (120) days from the opening of the proposals, and if awarded the contract on the basis of this Proposal to enter into and execute the contract in the form included in the Project Manual within fourteen (14) days after receiving a notice of award or in a timeframe as may be extended by the District.

5. The Proposer acknowledges the receipt of the complete Project Manual as provided by the District and as described in the Project Manual’s Table of Contents, as well as the receipt of the following Addendum No.’s: 1 and 2

6. By signing below, and by not filing a protest within the seventy-two (72) hour period after the Proposal Pick-Up Time, the Proposer acknowledges that (i) the Proposer has read, understood, and accepted the Project Manual; (ii) the Proposer has had an opportunity to consult with legal counsel regarding the Project Manual; (iii) the Proposer has agreed to the terms of the Project Manual; and (iv) the Proposer has waived any right to challenge any matter relating to the Project Manual, including but not limited to any protest relating to the proposal notice, proposal instructions, the proposal forms, the contract form, the scope of work, the map, the specifications, the evaluation criteria, the evaluation process established in the Project Manual, or any other issues or items relating to the Project Manual.

7. The Proposer authorizes and requests any person, firm or corporation to furnish any pertinent information requested by the TOWN OF KINDRED Community Development District 2, or its authorized agents, deemed necessary to verify the statements made in the Proposal, or regarding the ability, standing, integrity, quality of performance, efficiency, and general reputation of the Proposer.

Under penalties of perjury under the laws of the State of Florida, I declare that I have read the foregoing Affidavit of Acknowledgments and that the foregoing is true and correct.

Dated this 14 day of November, 2022

Proposer: Yellowstone Landscape

By: Nicole Ailes

Title: Business Development Manager

STATE OF Florida

COUNTY OF Orange

The foregoing instrument was acknowledged before me, by means of physical presence or online notarization this 14th day of November, 2022, by Nicole Ailes of Yellowstone Landscape, who is personally known to me or who has produced _____ as identification, and did or did not take the oath.

Sincerely,

Chris Adornetti

Secretary

Yellowstone Landscape

SWORN STATEMENT UNDER SECTION 287.133(3) (a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to TOWN OF KINDRED Community Development District 2.
2. This sworn statement is submitted by Yellowstone Landscape
(Print Name of Entity Submitting Sworn Statement)
whose business address is 1773 Business Center Lane, Kissimmee, FL 34758
and (if applicable) its Federal Employer Identification Number (FEIN) is 20-2993503
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:)
3. My name is Nicole Ailes and my relationship to the entity named above is Business Development Manager.
4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
 - A) A predecessor or successor of a person convicted of a public entity crime; or,
 - B) An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person

controls another person. A person who knowingly enters into a joint venture with a

person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
8. Based on information and belief, the statement, which I have marked below, is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

_____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity, have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

_____ There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge did not place the person or affiliate on the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

ABOUT US

About Yellowstone Landscape

Yellowstone Landscape began in 2008 with the unification of established, independently successful local and regional landscape companies.

For more than a decade, we've been linked by a common goal to better serve our clients, sharing decades of experience in landscape maintenance, landscape design and installation, landscape enhancements, and tree care services.

Yellowstone Landscape has become one of the industry's fastest growing and most trusted commercial landscaping companies, proudly serving **more than 3500 client properties** from local branch operations facilities across the South and Southwest. We offer a uniquely comprehensive selection of services, allowing us to serve a project through the years - from planning and design, to a mature and thriving landscape in the ground.

Yellowstone Landscape is dedicated to **creating and maintaining green spaces that enhance the quality of life where you live, work, and play**. We provide professional landscaping services to some of the most outstanding homeowner associations, local governments, master planned developments, resorts, corporate campuses, commercial office parks, schools, hospitals, apartment communities and retail centers across the South and Southwest.

Quick Facts About Yellowstone Landscape:

- Landscape Services Offered Include: Landscape Maintenance, Landscape Design & Installation, Landscape Enhancements, Irrigation System Maintenance, and Tree Care
- Over 3000 Full-Time Employees & 500 Seasonal and Part-Time Associates
- Established Executive Leadership and Operations Management Teams comprised of some of our industry's most respected men and women
- Safety Program recognized as among the most proactive in the landscape industry
- More than 2000 vehicles in our service fleet
- 35+ Local Operating Branches across the South and Southwestern United States
- 93% Client Satisfaction Rating in our most recent annual client survey
- 37 National Landscape Awards of Excellence received since 2008
- More than 1.5 million trees planted along public roadways across the South and Southwest

Landscape Maintenance

YELLOWSTONE
LANDSCAPE

Landscape Maintenance is all about the details. We're committed to getting the details right, so you can enjoy your landscape and take pride in its appearance.

From week to week, month to month, and year to year, there are **hundreds of details** that need to be coordinated for your landscape to look its best. Assuring that none of those details are overlooked requires a professionally administered, **integrated Landscape Maintenance program**.

Synchronizing routine maintenance activities like mowing, edging, weeding, trimming and clean-up, with fertilization and pest management applications, and your irrigation system's schedule and maintenance is no easy task.

That's why we incorporate all the details of our landscape services into **your Plan for Success™**.

Our Landscape Maintenance teams are trained in our industry's Best Practices. They behave as if they were a part of your staff and work hard to **solve problems while they're still called opportunities**. If the unexpected happens, our teams respond to correct the problem, quickly and professionally.

Your dedicated Account Manager will provide regular updates about what we're doing to maintain your landscape. Our goal is to provide you with **all the information you need** about your landscape, **when you need it**.

Irrigation Installation & Management

There is **nothing more essential to the success of your landscape** than regular access to the right amount of water.

Commercial irrigation systems are sophisticated technology that require **special certification** to install and operate.

Our Irrigation Installation and Management Professionals are **experts in all major commercial irrigation systems**. From older systems in need of frequent repairs and updates, to the most modern and innovative water-wise systems available, **our Irrigation Teams are dedicated to protecting your valuable water resources**. Once installed, we always adhere

to local ordinances governing water use and have implemented the principles of the leading industry groups. These **guidelines govern how we design, install, and maintain your irrigation system**.

Professional irrigation management is an essential service to eliminate waste in your water consumption and reduce your water usage.

Yellowstone Landscape provides you with the most experienced team of Irrigation Professionals in the industry.

Seasonal Color Installations

If you want to make a big impact and create dramatic curb appeal for your community or commercial property, there is no better way than a professionally designed seasonal color display.

Our landscape designers and color bed installation experts will “bring the wow” to your entrances and feature areas with stunning seasonal color displays using only the highest quality, locally sourced plant materials.

Your color bed installations begin with a custom design proposal tailored to your preferences, incorporating seasonally appropriate flowers. We begin with bed preparation, the most critical part of the installation process, removing the

previous rotation’s plants and groundcover materials, bedline trenching, tilling of the soil and adding high quality fertilizers as needed.

We recommend installations with tighter spacing to create more vibrant color and instant impact. As conditions warrant, we can provide hand-watering and additional fertilization of seasonal flowers to promote healthy growth and prolong bloom times.

Regular maintenance of your seasonal color installation during service visits includes removal of withering plants and monitoring of the soil quality and checking that the plants’ watering requirements are being met.

Landscape Design

YELLOWSTONE
LANDSCAPE

You need your landscape to look its best, but you're not quite sure where to get started.

Whether you need a landscape design plan for a new development or just want to enhance a few feature areas in your existing landscape, our Landscape Designers are ready to help you see your landscape's full potential.

Our Designers are specially trained, creative professionals. They're knowledgeable about all the latest concepts in landscape design and they're also familiar with your area's local plant materials. This ensures that what they select to plant will thrive once it's in the ground.

The last thing you want is to invest in a landscape installation project, only to see the plants fail within the first year.

Working with a Landscape Designer starts with a meeting to find out what your goals are for your project. They'll create **photo renderings** so you can actually see what your new landscape will look like, before it's planted. You'll be a part of the process from beginning to end.

And best of all, we offer Landscape Design as a **complimentary service to current Landscape Maintenance clients** when we install your landscape enhancement.

Proud to Serve Orlando

*Excellence in Commercial Landscaping
for Your Orlando Area Properties*

Yellowstone Landscape is proud to serve Central Florida’s commercial landscaping needs from two branch locations in Orlando. With **more than 250 local employees**, we’re one of the largest and most awarded commercial landscape service firms in the greater Orlando area.

We offer landscape design, landscape installation, and landscape maintenance services

to some of the area’s most beautiful homeowner associations, resorts and hotels, city and county governments, master planned developments, corporate campuses, commercial office parks, schools, universities, hospitals, apartment communities and retail shopping centers.

Our service teams are ready to provide you with **Orlando’s most professional and responsive commercial landscaping services**, always tailored to your needs and expectations.

Principal Officers

Our Leadership Team is committed to making Yellowstone Landscape the premier commercial landscape service company in the United States. We bring that excellence to bear on behalf of our clients through industry-leading investments in safety, training, and information systems.

Tim Portland has served as *Chief Executive Officer* of Yellowstone Landscape since 2012. Prior to joining Yellowstone, Mr. Portland was the CEO of United Subcontractors, one of largest installers of insulation and other building products in the country. Over his ten year career at Scotts Miracle-Gro, he led several lines of Scotts' businesses. For five years before joining Scotts, Mr. Portland was a management consultant with McKinsey and Company. He has an MBA from the University of Virginia's Darden Business School, and an undergraduate degree from Dartmouth College.

Harry Lamberton joined Yellowstone in 2022 as *President* to drive continuous improvement in Yellowstone's growth, quality, and safety applying expertise gained from over 20 years of leading environmental and sustainability businesses at Waste Management. His track record includes driving profitable growth in multiple operational assignments - including branch-based businesses, launching new and expanding existing business lines. Harry earned a BA from the University of New Hampshire and an MBA from the Goizueta School of Business at Emory University.

Elise Johnson has been Yellowstone Landscape's *Vice President of Human Resources* since joining the company in 2010. She earned her bachelor's degree from Dickinson College, before completing a Master's Program at Rutgers, The State University of New Jersey. Before joining Yellowstone, Ms. Johnson held similar positions at investment firms in New York and New Jersey. As Vice President of Human Resources, Ms. Johnson and her staff's responsibilities include recruiting, employee retention, training, and compliance.

James Herth is Yellowstone Landscape's *Vice President of Business Development*, a position he accepted in 2014, after joining the company in 2011 as Branch Manager in the Jacksonville branch location. Mr. Herth is responsible for the growth and development of the company, overseeing the Business Development team. A twenty-year industry veteran, Mr. Herth is a licensed Arborist and holds a bachelor's degree from Siena Heights University.

Brian Wester, *Regional Vice President*

As the Regional Vice President of Yellowstone Landscape, Brian is responsible for overseeing the region's daily operations. Having played a key role in establishing the Central Florida district of the company, he previously managed the district from 2004 until 2010, when he assumed his present role leading the Southern region.

Education

University of Florida, Gainesville, FL
Master of Business Administration

University of Phoenix, Phoenix, AZ
Bachelor of Science, Business and Finance Major

Lake City Community College, Lake City, FL
Associate of Science, Golf Course Operations

Relevant Experience

Regional Vice President, Yellowstone Landscape – Jacksonville FL
2011 - present

Responsible for all landscape operations within the Yellowstone Landscape Southern region, including Florida, Georgia, and South Carolina. Oversees all branch operations and employees, builds operational strategies that improve company-wide quality, and manages operations training and leads continuous improvement efforts.

District Manager, Austin Outdoor, LLC – Orlando, FL
2003-2010

Responsible for landscape construction and maintenance operations, worked with all plans, blueprints, and specifications for each project, hired and coordinated construction crews, balanced the workload and materials for each project, maintained up-to-date roster of all personnel and job activities, identified equipment and resources needed for each project, assured preventative maintenance on all equipment, conducted regular inspections of in-progress projects, and identified training needed for personnel.

Pete Wittman, Branch Manager

As the branch manager of our Orlando-South branch, Pete is responsible for overseeing the location's current and upcoming projects. He coordinates operations, which includes personnel, equipment, safety regulations, plant material and other resources. He works with each project to maintain the highest quality landscape and ensures team delivers a high level of customer service and engagement.

Pete brings his extensive horticultural education and years of green industry experience to the Orlando-South location of Yellowstone Landscape.

Education

Pennsylvania State University, State College, PA
Bachelor of Sciences – Landscape Contracting, School of Agriculture

Relevant Experience

Regional Sales Manager, Yellowstone Landscape – Austin, TX
2020 – May of 2022
Responsible for managing Yellowstone Landscape's sales team across Arizona, Nevada, New Mexico, and Texas. Provided sales leadership for 30+ Business Development Managers within their assigned territories to ensure they were growing their local branches and meeting or exceeding their budgeted growth. Other duties include client relations, marketing, staff evaluation and development, estimating, and contract administration.

Business Development Manager, Yellowstone Landscape – Orlando, FL
2016 – November of 2020
Responsible for developing and maintaining new and existing relationships in the Central Florida Market. Responsible for meeting or exceeding annual growth goals for local branches. Other duties include networking, estimating, proposal development, CRM management, training/development of Yellowstone employees, and landscape site assessments with customers.

Senior Account Manager, Valleycrest/Brightview Landscape- Orlando, FL
2010-2016
Arranges, schedules, and directs daily landscape services, ensures peak efficiency of each project, ensures delivery of high-quality projects and services to clients, establishes long-term relationships with clients, identifies opportunities to enhance client properties, conducts field-safety training and encourages safety procedures, conducts ongoing operation training, and maintains regular communications with clients.

Gary Price, *Irrigation Manager*

As the irrigation manager of our Orlando-South branch, Gary is responsible for overseeing the location's current irrigation technician staff. Gary coordinates with the branch manager and account managers to schedule all irrigation inspections for the branch's properties.

Training & Certifications

University of Florida Center for Training Research and Education: Back Flow Prevention Certification, 2-Wire System Installation and Troubleshooting, Irrigation Systems Design, Low-Voltage Lighting Design, Installation, and Repair, Cla-Val Troubleshooting Repair and Adjustments, PSI Pumping Systems, FieldNET Repair and Adjustments, Hydraulics for Pumping Systems, Repair, and Adjustments, Toro Central Control Network LTC, Osmac, Rain Bird Maxicom, and 2-Wire System, Hunter & Rain Bird Installation and Troubleshooting

Relevant Experience

Irrigation Manager, Yellowstone Landscape – Kissimmee, FL
2020 - present

Responsible for training and scheduling of irrigation maintenance personnel, scheduling of service and repairs of irrigation equipment, and managing irrigation supply inventory, supporting irrigation team by assisting with monthly irrigation inspections at properties, submitting proposals for irrigation repairs, and resolving emergency irrigation issues.

Irrigation Supervisor, ProScape Inc. – Orlando, FL
2004-2019

Responsible for training and scheduling of irrigation maintenance personnel, scheduling of service and repairs of irrigation equipment, and managing irrigation supply inventory.

Irrigation Superintendent, Hunters Creek c.a. Orlando, FL
1991-2004

Responsible for monthly irrigation inspections at all properties, submitting proposals for irrigation repairs, and resolving emergency irrigation issues.

Town of Kindred CDD 2

Statement of Corporate Stability

Yellowstone Landscape understands your need to ensure that any potential landscape partner operates in a manner that supports long-term stability, and to verify our ability to provide services to your property in the future.

Our firm was established over a decade ago, by combining already successful, regional landscape companies that had existed for more than twenty years, before they joined together to form Yellowstone Landscape. Since 2008, we've been linked by a common goal to better serve our clients, sharing decades of experience in landscape design and installation, tree care services and landscape maintenance. As one of the landscape industry's fastest growing and most respected commercial landscaping companies, we proudly serve more than 4000 clients from 30 local branch operations facilities across 8 states in the South and Southwest. In 2019 Yellowstone's growth reached a level that made us the largest, privately-owned landscape service company in North America.

We are incorporated in the state of Delaware, chartered in January of 2008. As a privately held company, it is not our practice to disclose operating budgets or financial statements, however, we can confirm that our firm's annual revenue exceeded \$230,000,000 in 2018. We also attest that we operate our company in accordance with all generally accepted best accounting practices, as have been confirmed by independently conducted audits each year since our founding. We maintain an open line of credit of \$20 million, with bonding capacity up to \$40 million.

As a part of the investment portfolio of Harvest Partners, a private equity firm based in New York, New York, Yellowstone is fully prepared to fund any capital expenses necessary to ensure our ability to perform services at full capacity in advance of the stated contract start date, should we be selected as your landscape contractor.

Re: Approach to Landscape Maintenance Services for Town of Kindred CDD 2

Dear Mr. Hernandez,

We thank you for the opportunity to provide a proposal for the landscape maintenance at Town of Kindred CDD 2. We are excited about the possibility of maintaining such a pristine landscape. We understand the scope of work and we are very confident in our abilities to perform the work requested at the highest level.

Our resume of work shows what our teams are capable of in the landscape. We understand high demands and expectations by performing work on some of the most highly detailed HOA's and Resorts throughout Florida and the southeast. We work to exceed expectations and we accomplish this by coming up with a personalized plan for each property. We have numerous people within our organization that have experience working with properties like Town of Kindred CDD 2.

Our approach to all mowing functions (mowing, edging, line trimming, and blowing) will vary depending upon species of turf and this will go in accordance to scope of services that was provided to us. Our crew members are certified with each individual mower and all equipment that will be utilized on the job. We do this to ensure the safety of our employees, to ensure safety of your residents, and to maximize quality of mowing.

Our approach to pruning will be dependent upon the type of plant material. For shrub pruning, we will put in place horticultural practices that will be aesthetically correct and will follow practices that will help the plants grow fully and healthy. Not all shrubs need sheared, and some will need rejuvenation pruning. We will work with management and plan what shrubs are sheared and those that will be maintained with hand pruning. Grasses will be trimmed back two times annually to about 18". Throughout the year they would only be pruned to ensure that sidewalks and roadways are not encroached. Trees and palms will be done according to certified arborist standards. Trees will be lifted as needed to provide clearance only to the standards set forth in arborist standards. Palms under 12' will be done with the frequencies outlined in scope to remove dead fronds and seed pods and they will also be done to certified arborist standards.

Our plan is to staff the property with a crew that will range from 3-5 members, depending on the time of year. The crew will stay together for mowing operations on the main boulevard and focal areas, like the clubhouse, to move swiftly through these areas. They will break off into a separate mow crew and a separate detail crew to make it through their weekly and daily operations. They will be on site 1 day per week all year long.

We are quality based and our number of employees may fluctuate due to workload and weather pattern changes. If more crew members are needed in certain weeks, we will make the adjustments. We will have an experienced chemical applicator assigned to complete the monthly fertilizer and chemical programs. This applicator will also be brought in as needed for any issues that may arise from fungus or insects. Detail will be broken into sectional areas to complete a detail cycle every four weeks. There will also be people that will be trained in proper use of post emergent spraying. This will allow us to stay on top of weed growth. There will be a seasoned crew leader that can communicate with anyone who they may encounter and is trained in proper horticultural techniques. There will be an Account Manager that oversees the crew and is responsible for walking the site weekly and creating a task list for the crew. Arborists and Pest Managers will also be responsible for walking the site and making notes of any items to address and doing reports for the property on any chemical or fertilizer treatments. The Branch Manager will meet bi-weekly with the Account Manager to ensure the project is meeting the standards of quality that both Town of Kindred CDD 2 and Yellowstone Landscape expect.

The irrigation system shall be inspected in full 1-time per month by an experienced irrigation technician to ensure that all turf and plant material has proper water coverage. We will also do visual inspections with the site manager to identify any possible issues. This will help us stay on top of breaks and other minor repairs that should not wait to be repaired. We will constantly be identifying ways to improve the coverage of current irrigation system and reduce water use.

We at Yellowstone Landscape feel we can be an integral part of the team at Town of Kindred CDD 2 that delivers to the high expectations that come with such a pristine property. We are constantly looking for opportunities where a lasting relationship can occur and we know with our team's experience, we can build that relationship by performing quality work and communicating with management on a regular basis. Thank you again for this chance to provide a proposal for Town of Kindred CDD 2. Please don't hesitate to reach out if you would like to speak with anyone on our team.

Sincerely,

Nicole Ailes

Summary of Observations

To Mr. Hernandez and Board of Directors,

I want to thank you for taking the time to go through this and thank you again for the opportunity. We understand your needs and we want to address some concerns in the photos listed below.

The following is a summary of our initial observations about the current condition of your landscape. In these pages, we've identified and documented the issues that we've observed in your landscape and noted some of the immediate opportunities for improvement and action steps that we would undertake, should we be awarded the opportunity to become your property's landscape maintenance partner.

YELLOWSTONE
LANDSCAPE

A large stone sign with the word "KINDRED" in white capital letters, set against a dark red background. The sign is surrounded by greenery and flowers.

KINDRED

Town of Kindred CDD 2

Thursday, November 3, 2022

Prepared For Rizzetta and Company

Item 1

Edge turf along walkways to prevent the turf from growing too far into sidewalk.

Item 2

Monitor sabal palm at amenities center, as new fronds are dropping. Possible wind damage.

Item 3

Spray crack weeds along walkways.

Item 4

Spray weeds in landscape beds. Hand pull tall weeds that cannot be sprayed.

Item 5

Remove dead plant material in landscape beds.
Provide a proposal to replace declined plants.

Item 6

Spray weeds in landscape beds.

Item 7

Tighten tree straps so it can properly brace new tree.

Item 8

Possible irrigation leaks. Check irrigation and repair, if necessary.

Startup Plan – Town of Kindred CDD 2

This checklist is provided as an outline of the initial tasks that our Landscape Maintenance teams will perform as we begin serving. We've divided the tasks over the first 30, 60, and 90 days of service in order to provide you with a tool to monitor and measure our team's performance as we begin our partnership as your landscape maintenance service partner.

First 30 Days

- Complete an irrigation audit of the entire system
- Present irrigation deficiencies with plan for corrections
- Begin maintenance – mowing, blowing, and edging
- Spend significant amount of time cleaning up the areas that have been neglected (sidewalk mowing & edging, weeding beds, and entrance features)
- Spot treat weeds in turf areas to be reclaimed
- Continue weed control in planting beds
- Apply fertilizer to struggling shrubs on the property
- Begin insect and disease program on all plant material
- Perform first turf fertilizer application
- Walk Property with Property Manager to identify other areas of concern

Days 31-60

- Walk property with Property Manager to evaluate improvements
- Evaluate our "Approach to Services" and make any necessary adjustments
- Continue irrigation maintenance and inspections
- Continue routine maintenance – mowing, blowing, and edging
- Retreat turf weeds
- Continue RoundUp applications throughout property
- Monitor and treat insect and disease problems in plant material throughout property
- Discuss options to improve "curb appeal" in high profile areas

Days 61-90

- Walk property with Property Manager to evaluate improvements
- Assess results from actions taken in 30-day and 60-day plans.
- Continue irrigation maintenance/inspections
- Continue turf weed applications as needed
- Monitor and treat insect and disease problems in plant material throughout property
- Continue routine maintenance – mowing, blowing, and edging

4-Week Detail Map

November Report

Date : Wednesday, November 20, 2019

Property : Stevens Plantation

Account Manager : Paul A Newman

Maintenance Activities

- Emptying of trash receptacles and DogiPots weekly throughout Stevens Plantation : Wednesday through Friday.
- Trim and detail shrubs beds at community entrance
- Perform Mechanical and chemical weed landscape beds along Nolte road and community entrance
- Continue treating ant mound throughout property as needed
- Perform Mechanical and chemical weed landscape beds along Nolte road and community entrance
- Cut back ornamental grasses on the north side of Nolte road
- Begin cutting back Ornamental grasses on the south side of Nolte road
- Cut back encroaching Woodline behind Dodi station on Pawleys loop
- Mulch all landscape beds and tree rings along Nolte road and community entrance
-

Mowing Activities

- Perform weekly mowing and string trimming of retention ponds and common areas Bahia grass
- Perform weekly mowing service on all St Augustine along Nolte road and community entrance

Irrigation Activities

- Repair irrigation break by sidewalk on the south side of Nolte road
- Repair 4 inch main line leak on the exit side of the Estates

Fertilization and Pest Control Activities

- All St Augustine turf areas was fertilize with 16-2-8 fertilizer
- All St Augustine turf areas was treated for turf weeds : Pre and Post emergent herbicide
- All St Augustine turf areas was for Chinch bug with insecticide

Projected Work

- Change out annual beds with Poinsettias and white Petunia November 26 -2019
- Continue cutting back Ornamental grasses on median Nolte road
- Raised canopy on Bald Cypress tree along Nolte road
- Cut back encroaching wood line by land bridge between Magnolia green and Varandah Lakes along Nolte rd.
- Raised canopy on Oak trees along Nolte road
- Begin selectively cutting back encroaching wooded at around retention pond

THIS RECEIPT IS IN ADDITION AND NOT IN LIEU OF ANY OTHER LICENSE REQUIRED BY LAW OR MUNICIPAL ORDINANCE AND IS SUBJECT TO REGULATIONS OF ZONING, HEALTH, AND ANY OTHER LAWFUL AUTHORITY.

THIS LOCAL BUSINESS TAX RECEIPT IS FURNISHED PURSUANT TO CHAPTER 205 LAWS OF FLORIDA AND OSCEOLA COUNTY ORDINANCE 95-10, AS AMENDED

The law requires this Local Business Tax Receipt to be displayed conspicuously at the place of business in such manner that it can be open to the view of the public and subject to inspection by all duly authorized officers of the County.

Pursuant to State Law, all Local Business Tax Receipts shall expire on September 30th of the succeeding year. Those Local Business Tax Receipts renewed beginning October 1st shall be delinquent and subject to a delinquency penalty of 10% for the month of October, plus an additional 5% penalty for each month of delinquency thereafter until paid; provided that the total delinquency penalty shall not exceed 25% of the Local Business Tax Receipt for the delinquent establishment. A 25% penalty shall be imposed on any person engaged in any new business, occupation or profession without first obtaining an Osceola County Local Business Tax Receipt. PLUS: if delinquent more than 150 days, subject to civil actions and penalties, and a penalty of up to \$250.

This receipt is a Local Business Tax only. It does not permit the Local Business Taxpayer to violate any existing regulatory or zoning laws of the state, county, or cities, nor does it exempt the licensee from any other license or permits that may be required by law.

This form becomes a receipt when validated by the Tax Collector. Note: Display in accordance with the county ordinance. Local Business Tax Receipts are subject to change according to law.

Request for Taxpayer Identification Number and Certification

**Give Form to the
 requester. Do not
 send to the IRS.**

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Yellowstone Landscape - Southeast, LLC

2 Business name/disregarded entity name, if different from above
dba Yellowstone Landscape

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

Individual/sole proprietor or single-member LLC
 C Corporation
 S Corporation
 Partnership
 Trust/estate
 Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ C
Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
 Exempt payee code (if any) _____
 Exemption from FATCA reporting code (if any) _____
(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
3235 N. State Street, PO Box 849

6 City, state, and ZIP code
Bunnell, FL 32110

7 List account number(s) here (optional)

Print or type. See Specific Instructions on page 3.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Social security number

				-			-			
--	--	--	--	---	--	--	---	--	--	--

or

Employer identification number

2	0	-	2	9	9	3	5	0	3
---	---	---	---	---	---	---	---	---	---

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ Chris Odey Date ▶ 1/16/2020

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Services for Public Sector Clients

We are proud to serve Public Sector clients across the South, and to be a part of some tremendously successful projects beautifying our local communities. **We understand the challenges that local governments and agencies face in managing their public green spaces.**

Public parks, trails, and streetscapes create unique opportunities to enrich the lives of your community's residents. Investing in professional landscape services delivers a consistently high-quality appearance, and does so at a lower cost than in-house grounds maintenance services.

Our professional landscaping services offered to Public Sector clients include award-winning

Landscape Design and Installation teams, ready to deliver beautiful landscape enhancements and installations. When we continue to maintain the project for you, we can even extend our normal warranty on installed plant materials.

We'll also work with you to identify any possible liabilities or hazards in your community's public spaces. With services like raising tree canopies and making sure drains are kept clear of debris, our Landscape Professionals partner with you to keep your residents safe from hazards. And, in case of a natural disaster or extreme weather event, our crews will be there to assist with clean up after the storms have passed.

Services for Resort Communities

Your resort community's landscape should enhance the experience of your residents and their guests. Yellowstone Landscape offers specialized levels of service to our resort community clients aimed to achieve this goal.

Our resort community landscape service plans are designed to keep your property manicured to your expectations **without inconveniencing or disturbing your residents and guests.**

Resort community service teams are trained to take great care to **get the details right**, while being ever mindful of your residents' expectations. Coordinated, consistent service scheduling ensures that our service teams have your resort community looking its best when

your residents are ready to take advantage of the property's amenity feature areas and explore the community grounds.

We take great pride in the appearance of your landscape and focus on creating welcoming and relaxing spaces. Our professional design and installation services will help you create **beautiful arrival areas** to welcome guests and relaxing spaces throughout your property's landscape for everyone to enjoy.

We understand your challenges, needs and expectations and we have the experience to deliver the landscape appearance your resort community deserves.

Legacy of Leesburg

LOCATION

Orlando, Florida

CLIENT

Leland Management

PROPERTY TYPE

55+ Community Association

SERVICES PROVIDED

Landscape Design
Landscape Enhancement
Landscape Maintenance

Legacy of Leesburg is an active retirement lifestyle community, located 45 minutes from Orlando. The developer's intent is to provide all the modern amenities active adults expect in a home, placed in a setting that encourages them to explore central Florida's natural beauty.

The result is that nearly all of Legacy's 1000 homes have a view of either a natural conservation area, or one of the nineteen ponds that dot the community's landscape. With over seven miles of maintained walking

paths along thirteen trails, residents are frequently seen strolling in the shade of the hundreds of ancient oaks.

Legacy is also home for many types of wildlife. Alligators, bobcats, cranes and other native birds are commonly seen across the community.

The 450 palms are pruned once per year and the annual flower beds, while small in size, do add vibrant pops of color to Legacy's entrances and clubhouse.

FEATURED PROJECT

Walt Disney World Swan & Dolphin Resort

YELLOWSTONE
LANDSCAPE

LOCATION

Orlando, Florida

CLIENT

Starwood Hotels and Resorts

PROPERTY TYPE

Resort Community

SERVICES PROVIDED

Landscape Design
Landscape Enhancement
Landscape Maintenance

The Swan and Dolphin Resort is situated on 87 acres within Walt Disney World. The resort is comprised of two separate hotels, The Swan and The Dolphin, joined by a palm tree-lined bridge between the two hotels.

The resort complex features all the expected Disney amenities, including 5 pools, a white sand beach, restaurants, spas, and conference spaces, all surrounded by immaculately maintained tropical landscaping.

Frequent special events like the annual Food and Wine Festival, require

careful planning between our on site service team and the owners.

As a designated Florida Green Lodging Property, the resort mandates the use of integrated pest management practices and that service teams monitor emissions and irrigation usage in order to minimize the environmental impact of our services.

In 2016, The Swan and Dolphin received a National Landscape Awards of Excellence Grand Award, the commercial landscape industry's highest honor.

Reunion Resort & Club

LOCATION
Orlando, Florida

CLIENT
Salamander Hotels & Resorts, GMS,
Aegis Community Management

PROPERTY TYPE
Resort Community

SERVICES PROVIDED
Landscape Design
Landscape Installation
Landscape Maintenance

Reunion Resort & Club is a 2,300-acre master-planned resort community located in Orlando, Florida.

Reunion is proud to be the only resort community in the world that offers three signature golf courses, designed by golf legends: Jack Nicklaus, Arnold Palmer and Tom Watson.

Reunion's Linear Park, a popular wedding venue, includes structured planting beds and majestic oaks. The five-acre water park, another popular area of the resort, brims with colorful, tropical plants.

Since design and installation began, Yellowstone Landscape has been Reunion's exclusive professional landscape service partner.

The resort community's landscape maintenance areas include over 800,000 square feet of ornamental beds in addition to the acres of manicured turf, 3,000 trees and over 500 palms.

The resort's active special event schedule requires constant coordination between service teams and Reunion's various property management entities.

**TOWN OF KINDRED
COMMUNITY DEVELOPMENT DISTRICT
2
LANDSCAPE & IRRIGATION MAINTENANCE
INVITATION FOR PROPOSALS**

Having carefully examined the specifications and having thoroughly inspected said property, the undersigned proposes to furnish all labor, materials and proper equipment for the entire scope of work, in accordance with said specifications, for the sum of:

PART 1

**Pricing is listed on Exhibit 2- Fee Summary*

General Landscape Maintenance

\$ _____ Yr.

- Storm Cleanup \$_____/hr. **(do not include in General Landscape Maintenance total or Grand Total)**

- Freeze Protection (description of ability) _____

\$_____/application **(do not include in General Landscape Maintenance total or Grand Total)**

- Hand Watering **(do not include in General Landscape Maintenance total or Grand Total)**
 \$_____/hr. for employee with hand-held hose
 \$_____/hr. for water truck/tanker

PART 2

Fertilization (All labor and materials)

\$ _____ Yr.

(Include any and all turf pesticide/herbicide mixtures you intend to use throughout the year)

BAHIA (per specifications in Part 2) Additional application NOT containing “N” or “P” can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

ST. AUGUSTINE (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

ORNAMENTALS (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

PALMS (per specifications in Part 2) Additional application NOT containing "N" or "P" can be added				
MONTH	FORMULA	APPLICATION RATE (LBS. /PALM)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

Please list any additional fertilization for those plant materials requiring specialized applications.

SPECIALTY PLANT MATERIALS				
MONTH	PLANT TYPE/FORMULA	APPLICATION RATE (LBS. N/1000 SF)	TOTAL POUNDS PRODUCT TO BE APPLIED	COST PER APPLICATION

The totals in the “Cost per application” column should equal your Total Fertilization Cost for the year.

PART 3

Pest Control (All labor and materials) \$ _____ Yr.
(if all pesticide allowance is required) *

* This is an allowance for treatments of trees, ornamentals, groundcovers, etc. and should include only those pesticides/herbicides not already included in the turf fertilizer section. This dollar amount will not be equally divided amongst the monthly invoices. The portion of the allowance used on any particular event shall be billed the month after services are rendered. Contractor shall continue to be responsible for the eradication/control of all weeds, pests and diseases after the allowance listed above has been exhausted.

OTC Injections will be performed at the discretion of the District
(This shall not be included in either the Pest Control cost listed above nor shall it be included in the Grand Total or Contract Amount.)

OTC Injections (All labor and materials)

\$ _____ / Yr. (based on quantities below)

(OTC injections per specs - do not include in Grand Total)

Palm Type	Palm Qty	# of Inoculations per quarter per palm (based on size) (i.e. (2) inoculations per large Canary Palm, etc.)	Cost per Individual Inoculation	Total Cost per Year (4x per year)

The District reserves the right to subcontract out any and all OTC Injection events.

Application of Top Choice for annual treatment of Fire Ants

For informational purposes only, please provide a cost to apply Top Choice for the annual control of fire ants in all yellow highlighted landscaped areas as described in Scope of Services.

\$ _____ / Yr.

RE: Town of Kindred Community Development District II Landscaping & Irrigation Maintenance Services
Request For Proposal

Dear Richard,

Thank you for this opportunity to present the Town of Kindred Community Development District II Landscaping & Irrigation Maintenance Services Proposal. Cepra Landscape is a local, family owned business committed to providing our customers with the best value possible in the landscape industry.

Our company rests on three pillars: (1) Unparalleled customer service, (2) expertise of our employees, and (3) our beautiful landscapes. These three pillars serve as the foundation for ancillary brand benefits including attention to detail, educated decision making, personalized service, and a seamless customer experience. Our difference is solid.

We strive to constantly exceed expectations by providing outstanding results in both product and service. Our goal is to create lasting partnerships and work with customers who truly believe in what we do.

Please contact us should you have any questions.

Sincerely,

Dain Charbonneau

Although officially started in early 2015, the seeds of CEPRA began to take root many years ago. After more than 28 years of combined experience managing, maintaining, and developing landscapes in both corporate and residential capacities, CEPRA founders saw an opportune moment to start their own landscape company—one that would be built on the grounds that nothing is more important than exceeding the customer’s expectations.

Our Belief System

- We believe that every customer is a long-term relationship opportunity and a true partner to our success.
- We believe that our employees are our biggest asset and that they should share our dedication to landscaping and our passion for customer service.
- We believe that every landscape should be beautiful and functional with minimal impact to the natural environment.
- We believe that our reputation is everything.
- We believe in always learning and in challenging the status quo-for continual advancement and growth.

Services

LANDSCAPE MANAGEMENT

Cepra Landscape is built on its backbone of commercial grounds maintenance services. Most people don't realize that in order to achieve the best product possible you must be able to control all the variables of a landscape. Cepra completes all its services in-house to guarantee you get the best landscape management with no finger pointing. By controlling all aspects of your landscape we can guarantee you the best product while utilizing the full potential of your property.

IRRIGATION MANAGEMENT

Cepra Landscape evaluates the full picture when it comes to water management in your landscape. We don't just fix sprinklers, we manage your system as a whole. We believe irrigation management is a critical component to a successful landscape management program which is why we include it in all of our landscape management programs. By incorporating the irrigation system with consideration for design, maintenance, and technology, we can improve a landscape and its long term sustainability as well as reduce costs for our customers.

LANDSCAPE ENHANCEMENT

Cepra Landscape provides all the services and resources needed to update, renovate, or simply build and create your dream landscape. From in-house design services to installation of flowers, shrubs, and trees we do it all. We pride ourselves in designing sustainable landscapes that provide long term solutions to your property's needs. We build your landscape to fill your needs for many years to come. We know that the right plant in the right place can make all the difference in the presentation of your landscape.

HORTICULTURE SERVICES

Cepra Landscape includes horticulture service with all its landscape management customers to ensure they achieve the best results possible. Cepra works side by side with industry professionals to ensure that the horticulture program is designed to match your properties needs as well as complying with the local laws and regulations. Cepra uses a strong foundation of IPM to ensure that the best products are used with minimal cost to the environment. We feel so strongly in our program that we guarantee our results.

TREE CARE SERVICES

Cepra Landscape works side by side with its team of arborists to evaluate the trees on your property and provide the best recommendations to sustain the beauty and prolong the life of your trees. Proper tree care and maintenance can help you avoid the difficult and expensive hassle of tree replacement. Cepra tree care services can range from pruning, fertilization, site inventory, long term planning, and removals. Trees are the foundation of the landscape and Cepra is here to care for them.

MISC. SERVICES

At Cepra Landscape we consider ourselves a full service landscape provider. In addition to our landscape management services, we provide all the services needed to assist our customers in beautifying their site. These additional services range from Landscape Lighting, Pressure Washing, Hardscapes, Holiday Decorations, Handy Man Services, and many other outdoor services.

AFFIDAVIT OF ACKNOWLEDGMENTS

STATE OF Florida
COUNTY OF Orange

Before me, the undersigned authority appeared the affiant, Robert P. Maier, and having taken an oath, affiant, based on personal knowledge, deposes and states:

1. I am over eighteen (18) years of age and competent to testify as to the matters contained herein. I serve in the capacity of President for Cepra Landscape LLC (“**Proposer**”), and am authorized to make this Affidavit of Acknowledgments on behalf of Proposer.

2. I assisted with the preparation of, and have reviewed; the Proposer’s proposal (“**Proposal**”) provided in response to the TOWN OF KINDRED Community Development District 2 proposal for landscape and irrigation maintenance services. All of the information provided therein is full and complete, and truthful and accurate. I understand that intentional inclusion of false, deceptive or fraudulent statements, or the intentional failure to include full and complete answers, may constitute fraud; and, that the District may consider such action on the part of the Proposer to constitute good cause for rejection of the proposal.

3. I do hereby certify that the Proposer has not, either directly or indirectly, participated in collusion or proposal rigging.

4. The Proposer agrees through submission of the Proposal to honor all pricing information one hundred and twenty (120) days from the opening of the proposals, and if awarded the contract on the basis of this Proposal to enter into and execute the contract in the form included in the Project Manual within fourteen (14) days after receiving a notice of award or in a timeframe as may be extended by the District.

5. The Proposer acknowledges the receipt of the complete Project Manual as provided by the District and as described in the Project Manual’s Table of Contents, as well as the receipt of the following Addendum No.’s: 1 Dated 11/14/22 2 Dated 11/16/22

6. By signing below, and by not filing a protest within the seventy-two (72) hour period after the Proposal Pick-Up Time, the Proposer acknowledges that (i) the Proposer has read, understood, and accepted the Project Manual; (ii) the Proposer has had an opportunity to consult with legal counsel regarding the Project Manual; (iii) the Proposer has agreed to the terms of the Project Manual; and (iv) the Proposer has waived any right to challenge any matter relating to the Project Manual, including but not limited to any protest relating to the proposal notice, proposal instructions, the proposal forms, the contract form, the scope of work, the map, the specifications, the evaluation criteria, the evaluation process established in the Project Manual, or any other issues or items relating to the Project Manual.

7. The Proposer authorizes and requests any person, firm or corporation to furnish any pertinent information requested by the TOWN OF KINDRED Community Development District 2, or its authorized agents, deemed necessary to verify the statements made in the Proposal, or regarding the ability, standing, integrity, quality of performance, efficiency, and general reputation of the Proposer.

Under penalties of perjury under the laws of the State of Florida, I declare that I have read the foregoing Affidavit of Acknowledgments and that the foregoing is true and correct.

Dated this 15th day of November, 2022

My Commission Expires: 07/05/2025

SWORN STATEMENT UNDER SECTION 287.133(3) (a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to TOWN OF KINDRED Community Development District 2.
2. This sworn statement is submitted by Cepra Landscape LLC
(Print Name of Entity Submitting Sworn Statement)
whose business address is PO Box 865, Oakland, FL 34760
and (if applicable) its Federal Employer Identification Number (FEIN) is 47-3033703
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:)
3. My name is Robert P. Maier and my relationship to the entity named above is President.
4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
 - A) A predecessor or successor of a person convicted of a public entity crime; or,
 - B) An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person

controls another person. A person who knowingly enters into a joint venture with a

person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
8. Based on information and belief, the statement, which I have marked below, is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

 x Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity, have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

 The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

 There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge did not place the person or affiliate on the convicted vendor list. (Please attach a copy of the final order.)

 The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

 The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

Palm and Hardwood Pruning Subcontractor Partners

Enviro-Tree Service has been in business for 10 years in the Central Florida Market. Enviro-Tree currently conducts work for Disney along with a few city municipalities in Central Florida. CEPRA has partnered with Enviro-Tree since 2016 on tasks such as large removals, palm pruning and hardwood pruning.

- **Josh Tankersley, *President***
30 Years Arboricultural Industry Experience
ISA Certified Arborist

- **Steven Anderson, *Safety Manager***
10 Years Arboricultural Industry Experience
ISA Certified Arborist

Brandon Cipollone, OWNER

Advance Tree Pros was established by Orlando native, Brandon Cipollone, in 2004. The company expanded rapidly in 2005 after being awarded his first 3 year government contract at the age of 19. Brandon's vision has always been to grow the business to its fullest potential and to operate with integrity and excellence. Brandon has been an active member of The International Society Of Arboriculture since 2005 and competes yearly in the Florida Chapter Climbing Competition.

Alison Summersill, OPERATIONS MANAGER

Alison grew up on 50-acre Florida native nursery and tree farm where she got her start in the tree care industry. After receiving her Bachelor of Landscape Architecture from the University of Florida, she continued working in the tree care and the landscape field. She is currently progressing towards obtaining her ISA Arborist certification while maintaining her role as Treasurer for the Florida ISA and the Operations Manager of Advance Tree Pros.

Lake Nona CDD Landscape and Irrigation Maintenance

Lake Nona CDD is located on the outskirts of southeast Orlando. Lake Nona consists of variety of homeowners, renters and business owners. It is arguably the fastest growing area of Orlando from a business and homeowner perspective. The CDD work we maintain consists of roadwork up and down Lake Nona BLVD, Nemours and Tavistock Lakes Blvd. Working safely along these roadways utilizing appropriate safety attire and signage is of the utmost importance and has helped in many facets of our success within the community.

Current Lake Nona Work

- Boggy Creek Districts 1 and 2
- Midway District Sections 1 and 2
- Greenway POA
- Crocket Development POA
- Infinity Park

Quick Facts – CEPRA in Lake Nona

- Full-service maintenance on approximately 5 acres of Zoysia turf, 40 acres of St. Augustine turf, 20 acres of Bahia turf, 5 acres of Bermuda and 20 acres of shrub beds.
- Install and Maintain over 7,500 Annual flowers per quarter.
- Monthly inspections and repairs on ~1100 Irrigation Zones
- Maintains over 2,000 trees and 1,200 palms.

The Villages, FL Landscape and Irrigation Maintenance

The Villages is a unique customer within CEPRA's portfolio. The Villages community demands that the landscape areas remain in excellent condition year-round. Annual flowers are a special focus and main priority for The Villages. Most focal areas include large annual flower displays that are rotated quarterly to constantly provide a fresh look. CEPRA follows a strict regimen in all areas to provide proper landscape and horticultural practices to produce a great product each day. Our portfolio includes over 14 miles of landscaped roadways, 750 cul-de-sacs, 25 recreation centers, 141 villa entrances, 8 fire stations, 2 dog parks, 1 town square and over 100 basins.

Quick Facts – CEPRA in the Villages

- Full-service maintenance on approximately 70 acres of Zoysia turf, 205 acres of St. Augustine turf, 774 acres of Bahia turf, and 268 acres of shrub beds.
- Install and Maintain over 174,000 annual flowers per quarter.
- Monthly inspections and repairs on ~7,600 Irrigation Zones
- Maintains over 23,000 trees and 22,500 palms.

Lakewood Ranch Stewardship District Landscape and Irrigation

Landscape Maintenance

Lakewood Ranch is located east of Bradenton. Known as one of the fastest-growing communities in America, the neighborhood is a strong mix of homeowners, renters, and commercial businesses. The CDD we maintain consists of roadwork up and down Rangeland Blvd, 44th Ave, and North Bourneside Blvd. Sarasota County mandates a nitrogen-fertilizer blackout period from June 1 to September 30. Since zoysiaturf requires frequent fertilizing to stay healthy, our team overcomes this by utilizing a program with slow-release fertilizer that feeds the turf throughout the season. We also use frequent soil tests to ensure the soil has nutrients available. This allows us to keep the zoysia looking green while staying in compliance with the code.

Current Lakewood Ranch Work

- LWR IDA District 2
- LWR IDA District 4
- LWR IDA District 5

Quick Facts – CEPRA in Lakewood Ranch

- Full-service maintenance on approximately 40 acres of Zoysia Turf, 150 acres of Bahia Turf, 100 acres St. Augustine Turf and 60 acres of shrub beds.
- Monthly inspections and repairs on ~306 Irrigation Zones
- Maintains over 200 trees and 250 palms.
- Maintains over 15,000 annuals

GENERAL NOTES:

1. Schedule Set up hours currently used. These are general guidelines and will be adjusted as Scope of work changes during year.
2. Horticulture Technician will support crew for all Fertilization, pest control, and herbicide applications
3. One irrigation Technician will be on site for two days each week to do the inspection and necessary minor repairs.
4. Supplemental labor will be provided as needed to maintain the landscape at or above expectations.
5. Account Manager will be on site during times crew is present as well as later in the week to visually inspect the property
6. Porter Service is for checking and changing of trash bags located throughout entire community twice daily.

Proposers Approach to Services

Town of Kindred District 2

After spending time on property prior to providing a bid the following observations were observed and are incorporated into our proposed approach.

Current Site Conditions- currently the site appears to be in relatively good shape. The site is new with some areas still being wrapped up from an install standpoint. Areas seem to be maintained per the RFP with various turf and ornamental areas responding well with the current pest and fertilization plan. All areas seem to be fairly consistent from a detail / pruning standpoint. All color beds looked ok and the irrigation system looks to be operating efficiently.

Pruning Approach – Pruning will be done as directed in the RFP to ensure that the specific plant material pruned is done in a manner consistent with the scope of work and still enabling the plant material to mature in the direction it was intended. It is critical that we prune as needed to maintain but not over prune, as that can damage the longevity and intent of the plant material. We will break the district into 4 distinct sections to ensure rotation of pruning and weed control on a weekly basis and consistency overall.

Shrubs- Remove dead or diseased wood, eliminate structural problems, eliminate hazards, to improve flowering, shaping the plant to fit landscape style and plant rejuvenation.

Trees- Promote one dominate trunk, strong branch unions and a balanced canopy that reduces hazards and provides clearance for safety. Trees will be pruned from an elevation standpoint to provide adequate clearance for pedestrians and vehicles.

Palms- A properly pruned palm, should have a round canopy with green leaves, removing only seed heads and brown foliage. All specialty palms (Date / Sylvester Palms) will be pruned twice annually in the months of June and Dec and all other palms will be pruned once annually during the month of August. The specialty palms will also get a quarterly drench which includes a fertilization, fungicide and insecticide mix to help with pest prevention along with an injection 3 times annually to help battle tough diseases such as Texas Phoenix Decline.

Ornamental Grasses - Ornamental grasses perform best when rejuvenated in late winter or early spring, just prior to new shoot growth. Per the specs, we plan on cutting back these plantings twice annually.

Crepe Myrtle - Annually, in the months of January or February, we will plan on pruning the crepe myrtles on site. On Crepes that are taller than 15-20', we will let these just grow and will not remove any of the pencil growth at the ends of the limbs. We will remove any and all rubbing and crossing branches. On smaller Crepes, we we will remove the pencil sized growth at the ends of all branching along with the removing and and all crossing and rubbing branches.

Pest, Weed, and Disease Control – Cepra Landscape believes that a systematic approach works best in preventing problems and providing a consistent landscape. We will piggy back off of Sunscape's specs yet provide insight when warranted on specific items when it comes to tackling disease and pest issues. When the opportunity presents itself Cepra Landscape will use chemicals that have systematic properties to ensure preventative treatment prior to damage or unsightly landscape. In our minds it's more cost effective to invest in these products on the front side than deal with problems on the backside. By investing and selecting the right products it makes our job easier and our landscapes more beautiful. General Bed Weed Control is done systematically on a 2-3 rotation to minimize any large bed weeds. We also incorporate hand pulling weeds into the rotation to ensure there are no large or unsightly weeds.

Hardscape Maintenance – We plan on following the guidelines to hardscape maintenance as directed in the scope of work. We plan to utilize a non-selective herbicide to eliminate the need for string trimmer activity at or around the base of flatwork, columns, fences, and monuments. Removal of clippings and all other debris generated by maintenance equipment on hardscape surfaces prior to relocating to other areas of the roadways.

Our Approach

TOWN OF KINDRED CDD II

Town of Kindred CDD II requires a custom approach to achieve full satisfaction while also adhering to the standards of the community. To achieve that vision, CEPRA Landscape takes a unique approach to managing landscape and irrigation. Our approach begins with the Account Manager, who we view as the command center of the team. Your Account Manager is the single point-of-contact for the campus, controlling the crews that will service Town of Kindred CDD II. Your Account Manager uses available resources to ensure we are consistently following the job scope, providing the best proactive customer service possible, and making certain that we are undoubtedly exceeding expectations.

THE TEAM

The Account Manager has a variety of in-house resources at their fingertips. This is how we make certain we are providing the best level of service possible throughout all service lines.

- **LANDSCAPE MAINTENANCE CREW-** Town of Kindred CDD II will have designated crew leaders and members that stays consistent throughout the year. These team members are specifically trained on the job scope and standards and will provide the basic maintenance services throughout the year.
- **IRRIGATION TECH-** Monthly irrigation checks are performed by an irrigation tech that is trained in operating the controllers, making adjustments, and making any necessary repairs. This tech is trained and supervised by our Irrigation Manager.
- **HORTICULTURE SERVICES-** Fertilization and Pest Control applications are performed by specialized horticulture techs that are licensed and trained for these services. Town of Kindred CDD II would have one tech for ornamental services and one tech for turf services. These two team members are supervised by our Horticulture Manager.
- **ENHANCEMENT TEAM-** Any enhancements or flower installations would be performed by the enhancement team which utilizes specialized equipment and training to provide the best product possible.

Our Approach (cont.)

TOWN OF KINDRED CDD II

PROPERTY MAPS

Our maintenance teams utilize property maps that we have tailor-made for your property. These maps give them the property location details and task requirements, and help to synchronize the work flow in a manner that makes the most sense. The property maps depict a clear path of motion for the crews, moving them from focal area locations to detail sections, and allows for the greatest balance of efficiency and quality throughout the year.

SERVICE SCHEDULE

A general service schedule will be made that outlines the entire year and all of the tasks that need to be completed. This helps to ensure we are following the job scope and have the ideal timing for all the action items that need to occur throughout the year.

30/60/90 Day Plan

TOWN OF KINDRED CDD II

Town of Kindred CDD II requires a unique and customized approach to achieve full satisfaction from each visitor as well as keeping up the standards of the community's vision. Below, we have outlined the critical tasks we would commit to completing in the first 90 days of service.

30 DAYS

- Compose our property maps and irrigation maps for internal use. These maps become a main tool for our team to streamline our duties onsite.
- Meet with board to identify any critical areas where a proposal may be needed to remedy immediate issues (i.e. focal areas, sod replacement drainage, erosion, arbor concerns, etc.)
- Perform irrigation start-up process (initial inspection performed by our Irrigation Manager to get a baseline of the property, notate deficiencies, and propose possible solutions in the future if necessary.)
- Perform agronomic start-up process (initial agronomic inspection performed by our Horticulture Manager to evaluate the property and plan for the future. Soil samples would be taken at this time as well.)
- Fertilize all shrubs, trees, and turf.
- Identify and treat any pest or fungal issues.
- Perform "Phase 1" of FULL DETAIL.
- Treat all areas necessary for Turf Weed infestations.
- Treat Ornamental beds as necessary with selective over-the-top herbicides.

30/60/90 Day Plan

TOWN OF KINDRED CDD II

60 DAYS

- Follow up with management on any outstanding issues and update on progress
- Follow up on any pest or fungal issues
- Perform “phase 2” of FULL DETAIL
- Follow-up treatments as needed for turf weeds
- Follow-up treatments as needed for selective herbicides

90 DAYS

- Follow up with management on any outstanding issues and update on progress.
- Continue follow-up treatments as needed.
- Develop a plan for the year based on initial treatments, observations, and response to soil sample analysis.

AFTER THE 90 DAYS

Our progress does not stop simply because the 90 days are done. Rather, this is when the Cepra Difference becomes the most noticeable in your landscape. We will continue to have monthly walk-throughs with the representatives from Town of Kindred CDD II, and will continue to look for opportunities to improve the aesthetics of the campus. We expect to maintain the high standards we set to give you a landscape you can be proud of.

Attention to "DETAIL"

YOUR "FULL DETAIL" PLAN

PHASE 1

- Prune and Shape all shrubs, ornamental trees, and groundcover in order to achieve the proper structure and form.
- Removal of large weeds and vines and spray Round Up in all areas.
- Removal of leaves and fallen branches in turf, beds, and hardscapes.
- Elevate Ligustrums to proper height, and remove sucker growth.

PHASE 2

- Define bed lines, reshaping as necessary.
- Hard Cutbacks as necessary to allow for clearance over sidewalks, roads, buildings, and to generally reduce size (when weather conditions allow).
- Hand Prune shrubs away from obstacles to prevent future damage (e.g., around monument signs, AC units, fire hydrants, etc.).
- Elevate Trees to contractual obligations.
- Elevate and Thin Crape Myrtle trees as needed.

Hurricane Plan

TO YOU & OUR EMPLOYEES

In preparation of any Hurricane, CEPRA has a plan in place to properly service our properties before and after a storm.

BEFORE THE STORM

- We will reach out to each manager or property owner regarding any specifics for each property. As communication may be difficult after the storm, preapproving our cleanup efforts may be important for certain properties. Please coordinate with your account manager if you would like to preapprove our cleanup efforts and to what extent.
- Before the storm arrives, we will shut down irrigation controllers and wells when applicable to prevent any further emergencies as the storm passes.
- Help assist property owners in any preparation needed (i.e., securing furniture, removing wind screens, last minute arbor care, etc.)

AFTER THE STORM

- The CEPRA management team will assess every property as soon as it is safe for us to do so.
- Once every property has been evaluated, we will prioritize and put together an action plan. We will concentrate our main efforts on Level 1 priorities first and work our way down the list.
 - LEVEL 1-Clearing roadways for vehicle access to allow emergency or service personnel to access the property.
 - LEVEL 2-Clearing debris or fallen trees away from buildings or parking lots that may pose immediate danger.
 - LEVEL 3-Removal of any hazardous branches that may still be hung up in trees.
 - LEVEL 4-Restake or replant trees or shrubs that may have been displaced by the storm that have a possibility of surviving.
 - LEVEL 5-Cleanup of debris left on the grounds from the storm.
- After accessing the properties, we will try our best to communicate with the property manager or owner of each property to determine the next course or action.

ADDITIONAL INFO

- Your Account manager should be your first point of contact but we will provide emergency contact numbers as well.
- Before any major storm event, we secure rentals of all major pieces of equipment that may be necessary to supplement our current assets.
- With approximately 200 Employees in Central-South Florida, we have the ability to mobilize crews from multiple locations to help with the large priority issues.
- We also have a reliable subcontractor partnership with several companies that we can rely on during a major event as well.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, this day personally appeared Richard Hernandez who by me first being duly sworn and deposed says:

1. I am over eighteen (18) years of age and am competent to testify as to the matters contained herein. I have personal knowledge of the matters stated herein.
2. I, Richard Hernandez, am employed by Rizzetta & Company, Inc., and, in the course of that employment, serve as District Manager for the Town of Kindred Community Development District II.
3. Among other things, my duties include preparing and transmitting correspondence relating to the Town of Kindred Community Development District.
4. I do hereby certify that on November 10, 2022, and in the regular course of business, I caused letters, in the forms attached hereto as **Exhibit A**, to be sent notifying affected landowner(s) in the Town of Kindred Community Development District II of their rights under Chapters 170, 190 and 197, *Florida Statutes*, with respect to the District's anticipated imposition of operations and maintenance assessments. I further certify that the letters were sent to the addressees identified in **Exhibit B** and in the manner identified in **Exhibit A**.
5. I have personal knowledge of having sent the letters to the addressees, and those records are kept in the course of the regular business activity for my office.

FURTHER AFFIANT SAYETH NOT.

By: Richard Hernandez

SWORN AND SUBSCRIBED before me by means of physical presence or online notarization this 1 day of December 2022, by Richard Hernandez, for _____, who is personally known to me or has provided _____ as identification, and who did or did not take an oath.

Notice of Public Hearing on Fiscal Year 2022/2023 O&M Assessments

Public Hearing to be held:

December 15, 2022

9:00 A.M.

Holiday Inn Orlando (SW Celebration Area)

5711 W. Irlo Bronson Memorial Highway

Kissimmee, Florida 34746

Parcel ID #:

Product Type:

Dear Property Owner:

The property you own that is the subject of this notice is identified above by Parcel ID # (the “**Property**”).

Pursuant to Chapters 170, 190 and 197, *Florida Statutes*, the Town of Kindred Community Development District II (“**District**”) will hold a public hearing at the date, time, and location noted above (“**Public Hearing**”). The purpose of the Public Hearing is to consider levying operations and maintenance assessments (“**O&M Assessments**”) to fund the District’s adopted budget for the fiscal year beginning October 1, 2022, and ending September 30, 2023 (“**Fiscal Year 2022/2023**”), to consider the adoption of an assessment roll and to provide for the levy, collection, and enforcement of assessments. The District’s final operations and maintenance budget for Fiscal Year 2022/2023 was previously adopted on August 18, 2022, at a duly noticed public hearing of the District (“**Adopted Budget**”).

Your Property is subject to annual O&M Assessments and debt service special assessment (“**Debt Assessments**,” and together with the O&M Assessments, the “**Assessments**”) due to be collected for the Fiscal Year 2022/2023. By operation of law, the District’s Assessments constitute a lien against benefitted property located within the District, including the Property, in the same manner as Osceola County’s (“**County**”) property taxes. The anticipated Assessment information for your Property is set forth in **Exhibit A**.

Previously, you may have received two (2) tax bills for your Property from the County Tax Collector’s office. ***Due to scheduling and technical issues, the first bill was sent out in error and failed to include the District’s Assessments. The second bill you received from the County Tax Collector’s office was corrected to include your Property’s Assessment amount (“Corrected Bill”). The Corrected Bill lists the District’s Assessments for your Property under the “NON-AD VALOREM ASSESSMENTS” section.*** If you have an outstanding mortgage loan on your Property and your lender collects escrow for your County property tax bill, please share a copy of this letter and the Corrected Bill with your lender.

The District's Board of Supervisors ("**Board**") will additionally hold a regular meeting at the same time as the Public Hearing. Both the Public Hearing and meeting are open to the public and will be conducted in accordance with Florida law. A copy of the Adopted Budget, assessment roll, and agenda for the Public Hearing and regular meeting may be obtained by contacting me at Rizzetta & Company, Inc., 3434 Colwell Avenue, Unit 200, Tampa, Florida 33614, or by calling (407) 472-2471 ("**District Manager's Office**"), during normal business hours, or by accessing the District's website at <https://www.townofkindredcdd2.org/>. The Public Hearing and meeting may be continued to a date, time, and place to be specified on the record. There may be occasions when staff or Board members may participate by speaker telephone. Any person requiring special accommodations because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the Public Hearing or meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

If you have any questions, please do not hesitate to contact the District Manager's Office.

Sincerely,

Richard Hernandez

Richard Hernandez

District Manager

EXHIBIT A
Summary of Assessments

1. **Adopted Budget / Total Revenue.** For all O&M Assessments levied to fund the Adopted Budget for Fiscal Year 2022/2023, the District expects to collect no more than **\$712,914** in gross revenue.
2. **Unit of Measurement.** The Assessments for platted lots are allocated on an Equivalent Assessment Unit (“EAU”) basis. Your Property is classified as the following Product Type:
3. **Schedule of Assessments:**

Annual Assessments					
Product Type	Total # of Units	EAU Factor	Annal O&M Assessment	Debt Assessment	Total
Townhome	62	0.40	\$508.32	\$400.00	\$908.32
Single Family	395	1.00	\$1,270.81	\$800.00	\$2,070.81

The Assessments as stated include collection costs and/or early payment discounts, which Osceola County (“County”) may impose on assessments collected on the County tax bill. Please note that all affected property owners have the right to appear at the public hearing and meeting and may also file written objections with the District Manager’s Office within twenty (20) days of this notice. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount for O&M Assessments, plus any amounts for collection costs and early payment discounts, shall serve as the “maximum rate” authorized by law, such that no assessment hearing shall be held, or notice provided in future years unless the Assessments are proposed to be increased or another criterion within Section 197.3632(4), *Florida Statutes*, is met.

4. **Fiscal Year 2022/2023 Assessments for your Property.**

O&M Assessments		
Previous Annual O&M Assessment (10/1/2021 – 9/30/2022)	Current O&M Assessment (10/1/2022 – 9/30/2023)	Change in Annual Amount

Debt Assessments		
Previous Annual Debt Assessment (10/1/2021 – 9/30/2022)	Current Debt Assessment (10/1/2022 – 9/30/2023)	Change in Annual Amount

5. **Collection.** By operation of law, the District’s Assessments each year constitute a lien against benefitted property located within the District just as do each year’s property taxes. For Fiscal Year 2022/2023, the District intends to have the County Tax Collector collect the assessments imposed on certain developed property, and will directly collect the assessments imposed on the remaining benefitted property, if any, by sending out a bill prior to, or during, December 2022. For delinquent Assessments initially directly billed by the District, the District may initiate a foreclosure action or may place the delinquent Assessments on the next year’s County tax bill for collection through the County Tax Collector. **IT IS IMPORTANT TO PAY YOUR ASSESSMENT BECAUSE FAILURE TO PAY MAY RESULT IN A FORECLOSURE ACTION, WHICH MAY RESULT IN A LOSS OF TITLE, OR FOR ASSESSMENTS COLLECTED BY THE COUNTY TAX COLLECTOR, FAILURE TO PAY WILL CAUSE A TAX CERTIFICATE TO BE ISSUED AGAINST THE PROPERTY, WHICH MAY ALSO RESULT IN LOSS OF TITLE.** The District’s decision to collect Assessments on the County property tax bill or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

TOWN OF KINDRED II COMMUNITY DEVELOPMENT DISTRICT

⁽⁵⁾ Annual assessment that will appear on November 2022 Osceola County property tax bill. Amount shown includes all applicable collection costs (2%) and early payment discounts (up to 4% if paid early).

GENERAL FUND BUDGET ACCOUNT CATEGORY DESCRIPTION

The General Fund Budget Account Category Descriptions are subject to change at any time depending on its application to the District. Please note, not all General Fund Budget Account Category Descriptions are applicable to the District indicated above. Uses of the descriptions contained herein are intended for general reference.

REVENUES:

Interest Earnings: The District may earn interest on its monies in the various operating accounts.

Tax Roll: The District levies Non-Ad Valorem Special Assessments on all of the assessable property within the District to pay for operating expenditures incurred during the Fiscal Year. The assessments may be collected in two ways. The first is by placing them on the County's Tax Roll, to be collected with the County's Annual Property Tax Billing. This method is only available to land properly platted within the time limits prescribed by the County.

Off Roll: For lands not on the tax roll and that is by way of a direct bill from the District to the appropriate property owner.

Miscellaneous Revenues: The District may receive monies for the sale or provision of electronic access cards, entry decals etc.

Facilities Rentals: The District may receive monies for the rental of certain facilities by outside sources, for such items as office space, snack bar/restaurants etc.

EXPENDITURES – ADMINISTRATIVE:

Supervisor Fees: The District may compensate its supervisors within the appropriate statutory limits of \$200.00 maximum per meeting within an annual cap of \$4,800.00 per supervisor.

Administrative Services: The District will incur expenditures for the day to today operation of District matters. These services include support for the District Management function, recording and preparation of meeting minutes, records retention and maintenance in accordance with Chapter 119, Florida Statutes, and the District's adopted Rules of Procedure, preparation and delivery of agenda, overnight deliveries, facsimiles and phone calls.

District Management: The District as required by statute, will contract with a firm to provide for management and administration of the District's day to day needs. These services include the conducting of board meetings, workshops, overall administration of District functions, all required state and local filings, preparation of annual budget, purchasing, risk management, preparing various resolutions and all other secretarial duties requested by the District throughout the year is also reflected in this amount.

District Engineer: The District's engineer provides general engineering services to the District. Among these services are attendance at and preparation for monthly board meetings, review of construction invoices and all other engineering services requested by the district throughout the year.

Disclosure Report: The District is required to file quarterly and annual disclosure reports, as required in the District's Trust Indenture, with the specified repositories. This is contracted out to a third party in compliance with the Trust Indenture.

Trustee's Fees: The District will incur annual trustee's fees upon the issuance of bonds for the oversight of the various accounts relating to the bond issues.

Assessment Roll: The District will contract with a firm to maintain the assessment roll and annually levy a Non-Ad Valorem assessment for operating and debt service expenses.

Financial & Revenue Collections: Services include all functions necessary for the timely billing and collection and reporting of District assessments in order to ensure adequate funds to meet the District's debt service and operations and maintenance obligations. These services include, but are not limited to, assessment roll preparation and certification, direct billings and funding request processing as well as responding to property owner questions regarding District assessments. This line item also includes the fees incurred for a Collection Agent to collect the funds for the principal and interest payment for its short-term bond issues and any other bond related collection needs. These funds are collected as prescribed in the Trust Indenture. The Collection Agent also provides for the release of liens on property after the full collection of bond debt levied on particular properties.

Accounting Services: Services include the preparation and delivery of the District's financial statements in accordance with Governmental Accounting Standards, accounts payable and accounts receivable functions, asset tracking, investment tracking, capital program administration and requisition processing, filing of annual reports required by the State of Florida and monitoring of trust account activity.

Auditing Services: The District is required annually to conduct an audit of its financial records by an Independent Certified Public Accounting firm, once it reaches certain revenue and expenditure levels, or has issued bonds and incurred debt.

Arbitrage Rebate Calculation: The District is required to calculate the interest earned from bond proceeds each year pursuant to the Internal Revenue Code of 1986. The Rebate Analyst is required to verify that the District has not received earnings higher than the yield of the bonds.

Public Officials Liability Insurance: The District will incur expenditures for public officials' liability insurance for the Board and Staff.

Legal Advertising: The District will incur expenditures related to legal advertising. The items for which the District will advertise include, but are not limited to meeting schedules, special meeting notices, and public hearings, bidding etc. for the District based on statutory guidelines

Bank Fees: The District will incur bank service charges during the year.

Dues, Licenses & Fees: The District is required to pay an annual fee to the Department of Economic Opportunity, along with other items which may require licenses or permits, etc.

Miscellaneous Fees: The District could incur miscellaneous throughout the year, which may not fit into any standard categories.

Website Hosting, Maintenance and Email: The District may incur fees as they relate to the development and ongoing maintenance of its own website along with possible email services if requested.

District Counsel: The District's legal counsel provides general legal services to the District. Among these services are attendance at and preparation for monthly board meetings, review of operating and maintenance contracts and all other legal services requested by the district throughout the year.

EXPENDITURES - FIELD OPERATIONS:

Security Services and Patrols: The District may wish to contract with a private company to provide security for the District.

Streetlights: The District may have expenditures relating to streetlights throughout the community. These may be restricted to main arterial roads or in some cases to all streetlights within the District's boundaries.

Garbage - Recreation Facility: The District will incur expenditures related to the removal of garbage and solid waste.

Water-Sewer Utility Services: The District will incur water/sewer utility expenditures related to district operations.

Aquatic Maintenance: Expenses related to the care and maintenance of the lakes and ponds for the control of nuisance plant and algae species.

Fountain Service Repairs & Maintenance: The District may incur expenses related to maintaining the fountains within throughout the Parks & Recreational areas

General Liability Insurance: The District will incur fees to insure items owned by the District for its general liability needs

Property Insurance: The District will incur fees to insure items owned by the District for its property needs

Entry and Walls Maintenance: The District will incur expenditures to maintain the entry monuments and the fencing.

Landscape Maintenance: The District will incur expenditures to maintain the rights-of-way, median strips, recreational facilities including pond banks, entryways, and similar planting areas within the District. These services include but are not limited to monthly landscape maintenance, fertilizer, pesticides, annuals, mulch, and irrigation repairs.

Irrigation Maintenance: The District will incur expenditures related to the maintenance of the irrigation systems.

Irrigation Repairs: The District will incur expenditures related to repairs of the irrigation systems.

Landscape Replacement: Expenditures related to replacement of turf, trees, shrubs etc.

Field Services: The District may contract for field management services to provide landscape maintenance oversight.

Miscellaneous Fees: The District may incur miscellaneous expenses that do not readily fit into defined categories in field operations.

Sidewalk Repair & Maintenance: Expenses related to sidewalks located in the right of way of streets the District may own if any.

General Liability Insurance: The District will incur fees to insure items owned by the District for its general liability needs

Property Insurance: The District will incur fees to insure items owned by the District for its property needs

Entry and Walls Maintenance: The District will incur expenditures to maintain the entry monuments and the fencing.

Landscape Maintenance: The District will incur expenditures to maintain the rights-of-way, median strips, recreational facilities including pond banks, entryways, and similar planting areas within the District. These services include but are not limited to monthly landscape maintenance, fertilizer, pesticides, annuals, mulch, and irrigation repairs.

Irrigation Maintenance: The District will incur expenditures related to the maintenance of the irrigation systems.

Irrigation Repairs: The District will incur expenditures related to repairs of the irrigation systems.

Landscape Replacement: Expenditures related to replacement of turf, trees, shrubs etc.

Field Services: The District may contract for field management services to provide landscape maintenance oversight.

Miscellaneous Fees: The District may incur miscellaneous expenses that do not readily fit into defined categories in field operations.

Sidewalk Repair & Maintenance: Expenses related to sidewalks located in the right of way of streets the District may own if any.

Employees - Salaries: The District may incur expenses for employees/staff members needed for the recreational facilities such as Clubhouse Staff.

Employees - P/R Taxes: This is the employer's portion of employment taxes such as FICA etc.

Employee - Workers' Comp: Fees related to obtaining workers compensation insurance.

RESOLUTION 2023-08

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TOWN OF KINDRED COMMUNITY DEVELOPMENT DISTRICT II AMENDING AND SUPPLEMENTING RESOLUTION 2022-13; MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2022/2023; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR RATIFICATION OF PRIOR ACTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Town of Kindred Community Development District II ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, at the August 18, 2022, meeting ("**August 18, 2022 Meeting**") of the Board of Supervisors ("**Board**") of the District, the Board, after duly noticed public hearings, adopted Resolution 2022-12, adopting its final budget ("**Adopted Budget**") for fiscal year beginning October 1, 2022, and ending September 30, 2023 ("**Fiscal Year 2022/2023**"), attached hereto as **Exhibit A**, to providing for the administration, operation and maintenance of the services and facilities provided by the District and adopted Resolution 2022-13, levying special assessments pursuant to Chapters 170, 190 and 197, *Florida Statutes* ("**O&M Assessments**") to fund such Adopted Budget; and

WHEREAS, errors were subsequently discovered in the property roll by the Osceola County ("**County**") Property Appraiser ("**Property Appraiser**"), which caused certain property in Phases 2C & 2D of the District ("**Phase 2C/2D Property**") to be left off of the Assessment Roll defined in and attached to Resolution 2022-13 ("**Prior Assessment Roll**") and certain property outside of the District to be included on the Prior Assessment Roll; and

WHEREAS, due to such errors and pursuant to Resolution 2023-02 adopted on November 1, 2022, the District amended the Prior Assessment Roll (as amended, the "**Amended Assessment Roll**") which Amended Assessment Roll is attached to Resolution 2023-02 as **Exhibit B**, and, in abundance of caution, the District re-declared O&M Assessments to hold an additional public hearing with respect to such O&M Assessments on the Phase 2C/2D Property, as shown in **Exhibit B** attached hereto (the "**Phase 2C/2D Assessment Roll**," and together with the Amended Assessment Roll, the "**Assessment Roll**"); and

WHEREAS, the District must obtain sufficient funds to provide for the administration, operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget and hereby reaffirms it is in the best interest of the District to fund such

services, facilities, and operations in the amount set forth in the Adopted Budget by levy of the O&M Assessments as set forth in the Assessment Roll; and

WHEREAS, the District has previously levied an assessment for debt service (“**Debt Assessments**” and together with O&M Assessments, “**Assessments**”), which the District desires to collect for Fiscal Year 2022/2023; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector (“**Uniform Method**”), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Phase 2C/2D Assessment Roll attached to this Resolution as **Exhibit B** and incorporated as a material part of this Resolution by this reference, and to ratify, confirm and approve the District Manager’s advance certification of the Phase 2C/2D Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to ratify, confirm and approve the District Manager’s actions in finalizing the Phase 2C/2D Assessment Roll, certified to the County Tax Collector and reaffirmed by this Resolution, as the Property Appraiser updated the property roll for the County Tax Collector for timely processing of the District’s Assessment Roll for Assessment levy and collection for Fiscal Year 2022/2023.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE TOWN OF KINDRED COMMUNITY DEVELOPMENT DISTRICT II:

SECTION 1. BENEFIT & ALLOCATION FINDINGS. The Board hereby reaffirms, finds and determines that the provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the O&M Assessments. The allocation of the O&M Assessments to the specially benefitted lands, as shown in **Exhibits A and B** is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapters 170, 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, O&M Assessments is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits A and B**. The lien of the O&M Assessments imposed and levied on the Phase 2C/2D Property, as shown in **Exhibit B** by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount on the Phase 2C/2D Property shall serve as the “maximum rate” authorized by law for operation and maintenance assessments.

SECTION 3. COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.

A. Collection by Uniform Method. The collection of the Assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on **Exhibits A and B**. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

B. Direct Collection as an Alternative. In the event the collection of the Assessments for Phase 2C/2D Property cannot be collected via Uniform Method pursuant to Section 3.A. of this Resolution, the District shall have the option to directly collect such Assessments for Phase 2C/2D Property via direct billing pursuant to the terms set forth in this Section 3.B.

i. Direct Bill Assessments. The Assessments on the Phase 2C/2D Property may be collected directly by the District in accordance with Florida law. Assessments directly collected by the District are due in full immediately upon receipt of the direct bill; provided, however, that, to the extent permitted by law, Assessments may be paid in several partial, deferred payments and according to the following schedule: **(i)** for the Debt Assessments: 50% due immediately upon receipt of the direct bill, 25% due no later than February 1, 2023, and 25% due no later than May 1, 2023; and **(ii)** for the O&M Assessments: 50% within 30 days of receipt of the direct bill and 50% due within 60 days of receipt of the direct bill. In the event that a payment is not made in accordance with the schedule stated above, the whole Assessment – including any remaining partial, deferred payments for Fiscal Year 2022/2023, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District’s sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the Debt Assessments, or at the statutory prejudgment interest rate, as applicable. In the event an Assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170, *Florida Statutes*, or other applicable law to collect and enforce the whole assessment, as set forth herein.

C. Future Collection Methods. The decision to collect the special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SECTION 4. ASSESSMENT ROLL. The Phase 2C/2D Assessment Roll, attached to this Resolution as **Exhibit B**, is hereby reaffirmed, ratified, confirmed and approved as certified to the

County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes, except as otherwise provided in Section 3.B. above. The proceeds therefrom shall be paid to the District. The District Manager's advance certification of the Phase 2C/2D Assessment Roll to the County Tax Collector is also ratified, confirmed and approved.

SECTION 5. ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

SECTION 6. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. RATIFICATION OF PRIOR ACTIONS. The actions of the District and its Supervisors, officers, agents, staff, and consultants previously taken regarding the levying, certifying, and collection of the Phase 2C/2D Assessment Roll and the Assessments on the Phase 2C/2D Property for Fiscal Year 2022/2023 are hereby ratified and confirmed.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

PASSED AND ADOPTED this 15th day of December 2022.

ATTEST:

**TOWN OF KINDRED COMMUNITY
DEVELOPMENT DISTRICT II**
